At the above time this writer went to the St. Paul Police Township LOT and Executed a search warrant on a vehicle RES 66F that lists to Max McCloud. I was assisted by Squad 250 who took pictures of the vehicle.

In the front seat of the vehicle was a brown paper bag with several small stuffed animals, Misc. Vols that said "Hi, if you want to sell this vehicle Call 698.5282 thank you's and several rolls of braided binding material. These items were recovered and taken as item #1 on the inventory receipt.

At the above time this writer called the CAMPBELL residence located at 2400 Bensen and spoke with PERRY CAMPBELL father of ANTHONY CAMPBELL a witness in this investigation. I asked Mr. CAMPBELL if I could come to his house to interview his son ANTHONY, and he said that they were just getting ready to leave for the night. MR. CAMPBELL then asked if I would like to speak to ANTHONY on the phone and then put him on.

I asked ANTHONY if he remembered the incident and he replied "yes" and told me the following. ANTHONY said he was playing in front of his house with the victim and brother. ANTHONY said said to him "lets beat up MAX (MAX was standing across the street) ANTHONY asked 'why' and said 'because he abused my little brother'. Then according to ANTHONY, began to yell at MAX to come over and fight. MAX then got into his car and drove up next to the boys and said "if you don't leave I'm going to jump you". ANTHONY said he then ran into his house, came out a few minutes later and MAX was gone but and were still there.

ANTHONY said that he did not see MAX touche either of the boys or put anyone in his car. HE also said that no one hit anybody. ANTHONY had never seen MAX before and only new his name from talking about him.

At the above time I went to 1378 Snelling Place and spoke with , and her son with regards to the incident under this C.N. I first interviewed and asked if he remembered the trouble that he had with Mr. MCCLLOUD when he was playing with his brother and his friend ANTHONY CAMPBELL. said that he did remember and told me the following: , and CAMPBELL were playing about half a block north of his house in the rear of the Sibly apts. MCCLLOUD drove up to where they were playing, got out of his car and picked up and place him in the rear seat of the car and shut the door. said that the car was running at the time and that he started to hit MCCLLOUD in the head with a tripod leg that he had. While he was hitting MCCLLOUD with the tripod leg he said that ANTHONY opened up the car door and left out. does not remember MCCLLOUD saying anything during the incident. said that when MCCLLOUD picked up he "snuck up on them" they had their backs to him and did not see him coming. I then interviewed and she told me the following. said that she was first made aware of what had happened when ANTHONY came running into her house shouting "hes got your kids". said that ANTHONY was out of breath and hysterical at the time. then went outside and brought her children into the house. said that for the following two nights had trouble sleeping and would wake up screaming. On the saturday morning following the incident woke up and told "I don't want to be in my room alone, MAX will get me". For several weeks after was afraid to go to his day care according to gave me a tripod leg that she said was similar to the one had at the time of the incident.

VERNON COUNTY SHERIFF'S DEPARTMENT
INVESTIGATION REPORT

Case: INFORMATION ITEM
Date: 11-05-91
Officer: Investigator Gene Cary

On the above date this officer met with a Ashley Colter, who came to the Vernon County Sheriff's Department. Colter stated that she has premonitions, and that she has had this power since childhood.

Colter stated that she once had a dream about two years ago concerning the Jacob Wetterling disappearance. She stated that in this dream she was driving on a dirt or gravel road that ran through a corn field. She said that as she drove through this field there were police officers there and she recalls telling them that they were looking in the wrong place. She stated that as she continued on this road she past a small cemetery, where the stones and markers were propped up. As she reached the end of the road there was a farm house. She said that she entered the house and in the living room she saw Jacob Wetterling sitting watching T.V.. Colter said that Jacob had looked at her then turned away drawing Colters attention to a dog cage (kennel type) across the room where in the cage was a small blonde haired child and she could see a hand gripping the childs hair (she did not see the person that was holding the child).

Colter advised me that she is currently residing at 1551 Liberty St. LaCrosse. ph.#(608)784-4673. Colter said there was a pawn shop next door to either where she now lives or used to live. This pawn shop had a dog cage there like the one in her dream, and she received very strong vibrations from this cage. Colter stated that the subject working at the pawn shop was a Ken Schaefer. Colter says that she used to date this subject and that he is originally from the St. Joseph Min. area. Colter said that when she knew this subject he had nothing. Colter stated that Schaefer had since married and one of his children died of S.I.D.S. and he received an insurance settlement of nearly \$50,000.00. Colter feels that his child did not die, that Schaefer substituted an abducted child for his child.

Colter stated that one day as she was driving near Ontario, in Vernon County, she had strange feelings about the area and feels this cemetery is close to Ontario. Colter told me that she felt it was a short distance to the North of Ontario off Highway 131. I informed her that I was well acquainted with that area, and the only cemetery in that area would be on Cook Creek Rd. in Monroe county. I then showed her a plat book of that area and she pointed out this same cemetery. I explained to her that there were no corn fields in that area and as long as I could remember there never were any. I also advised her that this is a dead end road a very short distance from the main road, and that there never has been a house at the end of the road.

I advised Colter that since all of these things are not in our venue that she should contact the F.B.I.. Colter stated that she had been in contact with F.B.I. in St. Cloud Minn., and that she has also

VERNON COUNTY SHERIFF'S DEPARTMENT
INVESTIGATION REPORT

been in contact with Jerry Wetterling, Jacobs father, and they seem to think there may be some merit to what she is saying.

Colter advised me that she has had several of these dreams in the past and they have come true. One of the dreams involved a police shooting in the city of LaCrosse, where a police officer was chasing a young man, the officer had his weapon drawn and as he was chasing the person he tripped over a lawn chair and the gun fired killing the subject. Colter was not sure but thought the officers lastname was Schmidt. This officers recalls this incident and the story she tells is accurate.

Colter stated that she would try and contact the F.B.I. office in Milwaukee, due to a newspaper clipping concerning an article on an abandoned cemetery that she feels may be the one in her dream.

A copy of this report will be sent to the following.

RE: Jacob Wetterling

Dear Sir:

My name is Linda Reynolds. I am a psychic. I have worked on other murder cases here in Madisonville, Kentucky. Please listen to what I have to say. I may or may not be able to help you in your search, but at this point you have no leads. Please follow up on my visions.

I was in the doctor's office and saw the poster identifying Jacob as missing. I saw a motel. I feel brown rails. I feel room #23. I think that it was a Best Western. I see a boy in a chair tied up with sheets. He was naked. The sheets were taken from that motel room (#23). If you start at South 91st Street where Jacob was kidnapped you can go northbound on Highway 10, you will see a motel that has brown rails. Then if you go on up Highway 10 it would lead you right to Highway 64 which is right in the area where he is at. You will be around Little Falls. For some reason he is worried about a toll booth.

Next I am seeing things through Jacob's eyes. I can see a street sign but am unable to read it because Jacob cannot make out the big word. It begins with a C. But, he does understand that the N. means North. The bypass is right behind or beside the motel. When they get on the bypass it makes a circle. This is all that I have seen through Jacob's eyes.

Later on I see a large man closing the trunk of a car which is a faded out blue. It may be a Buick made in the late 1970's. I cannot see the license plate but I may undergo hypnosis to try determine the number. His fingers are very wide and have great bulk but are not long for his weight and size. He has no rings on. He is in woods and I do not see Jacob but I feel him in the back seat. For some reason I do not think that this is the car that Jacob was take in but, I do not know why. I hear a voice, which I believe to be Jacob, sending a message to his mother "Mom you can dance now". Then I feel a big 64. I could not understand what this meant until I look at a map and found that this is the road or very near the road that the kidnapper lives on.

Over the next few days I see a garage apartment. The stairs are on the side of the building. There are two old gasoline pumps in front of the building. I think that the pumps are still in use. There are two fifty five gallon drums out back or over to the side of the garage. I see two garage doors in the front that are closed, but, I think that I am seeing them when the gas station is closed. I do not see the color of the doors. In front there is one large window which has something hanging in it but I cannot read the writing. Sometimes there is a small, muddy truck, possibly a Nissan or Toyota, outside the garage. Out by the road there is a pole. I do not see a sign at the top of it but I feel red and white. I feel a mechanic but I do not think that he is a mechanic. I think that he is hangs out with one. This mechanic is about 145 to 150 pounds and in his thirties. He has dark brown hair. His nose is real skinny at the top and comes down at a point. It seems like to me that he smiles a whole lot. He is a real dirty person. He wants people to like him but they don't. I cannot feel anything else about this mechanic.

The kidnapper is now wearing a blue jean jacket like what you would buy at the Dollar Store. He wears Wrangler blue jeans. He wears brown work boots. He drinks Budweiser beer. He has a hand gun, some rifles, and a fairly large hunting knife in his garage apartment. He knows the woods and lakes around him exceptionally well. He goes quite often to a little lake that has a small dock. I think that the kidnapper either stabbed or shot Jacob in the heart. He is in the nearby woods that the kidnapper knows so well. I have had the experience of dealing with three murders. In those three murders I have never seen the actual murders take place, just the events that lead up to them and after them. In the poster that has been circulated with a picture of the kidnapper and of Jacob, the kidnapper's eyebrows should be bushier with highlights of gray; his mouth is a little bit smaller than is depicted in the poster.

I am getting flashes of a boy. First, I see him standing in his underwear in the doorway of his bedroom rubbing his eyes as if he had just gotten up. That was all that I saw in that flash. In my second flash, I saw his entire bedroom including his twin size bed that appears to be an older style. He also has an older chest of drawers. He lives in a little white house that has a small front porch. I feel that he played ball, but was not very good at it. If this does not describe Jacob's room, if Jacob, then this is the kidnappers last victim or his next victim. I think that his next victim will be northwest of Highway 44. In a third flash, I see a boy that is wearing a striped shirt and a bicycle laying on the ground. I believe that he is the next victim of Jacob's kidnapper.

The holidays are coming up and the suspect has no one to spend them with. I feel like he is going to kidnap another boy about the same age as Jacob. The kidnapper feels that the police will not catch him, and if they come close he will seek refuge in Canada.

Would you please check out Highway 64 and surrounding areas because I believe that this is where he resides. The local police think of him as a good old boy and would never suspect him as a kidnapper, much less a killer.

I have been concentrating on Jacob since November 22, 1991. I have had a hard time eating, sleeping, and carrying on regular activities since first seeing the poster of missing Jacob. Jacob is always on my mind. I am aware that there is a reward for anyone giving information leading to the safe recovery of Jacob. I am not taking the time to write to you for the money, I just want to be at peace with Jacob. Also, I want this kidnapper to be caught before he seeks a next victim. Please check this out, your child could be next.

If you find out anything or wish to discuss this with me, please contact me at this address. Thank you for your time and consideration.

Sincerely,

Linda Reynolds

POLICE DEPARTMENT

Investigator Dan Wellen 515 421-3647 FAX 515 421-3639

EMERGENCY 9-1-1

ON 12/25/91, AT 1622, I WAS TOLD BY OFFICER RON VANDEEWEERD THAT A MAN APPEARED AT WETTERLING'S HOUSE HERE IN MASON CITY, AND SAID HE SAW JACOB. I RODE WITH VANDEWEERD TO THE HOUSE, 63 STONY WAY.

THERE, RON AND I TALKED TO A MAN WHO DID NOT WANT TO IDENTIFY HIMSELF, BUT SAID HE HAD SEEN WETTERLING, AND THE PEOPLE ON THE POSTERS. I ASKED THE MAN TO COME TO THE POLICE STATION WHERE WE COULD TAPE AN INTERVIEW WITH HIM. I ADD THAT THE MAN WAS VERY DIFFICULT TO UNDERSTAND WHEN HE SPOKE. THE MAN SAID HE WOULD DRIVE HIMSELF, AND WE WATCHED HIM WALK TO A CAR, LICENSE # MDY010 IOWA. I LATER RAN THE PLATE, AND THE OWNER OF THE CAR, AND THE MAN LISTED, HANS PAARMANN, FIT THE DESCRIPTION OF THIS MAN WE HAD. THE MAN LATER IDENTIFIED HIMSELF AS HANS PAARMANN, 1109-1/2 NORTH PENN, MASON CITY, IOWA, NO PHONE.

I HAD RON VANDEWEERD CONDUCT THE INTERVIEW, ON TAPE, AND I CONTACTED STEARNS COUNTY, AND THEN TALKED TO A DEPUTY SANNER, WHO ASKED THAT I SEND UP THE INFORMATION AND TAPE. I ALSO CONTACTED CAPT. REINDL, AND FILLED HIM IN ON THE CASE.

I THEN WENT IN TO THE INTERVIEW ROOM, AND HEARD THE END OF THE INTERVIEW, AFTER FLIPPING THE TAPE. IT STOPPED ON ONE SIDE ABOUT 5 MINUTES AFTER I CAME IN.

AT THE END OF THE INTERVIEW, PAARMANN SAID HE HAD PASSED THIS INFORMATION ON TO THE SHERIFF OF WORTH COUNTY. A CHECK WITH SHERIFF STOFFREGEN WAS MADE, AND HE SAID THAT HE RECALLED AN INTERVIEW WITH PAARMANN. STOFFREGEN SAID HE PASSED THE INFORMATION ON TO THE STEARNS COUNTY OFFICE.

Dear Doug:

Enclosed you will find a copy of a letter which we received from a lady in our town. It has a name of a possible suspect in the Jacob Wetterling abduction.

By way of explanation, we got a phone call last week from a Mrs. Leo Devos who runs a bar in our city. She was visited by her brother, a Lyle Mueller, of, I believe, Eden Prairie. He noticed the Jacob Wetterling poster hanging in the bar and casually said to her that he works with someone who looks exactly like the sketch of the suspect. Lyle told her that someone in the shop (he works for the State Highway Dept.) keeps taking the poster of Jacob down. Lyle said that he thinks it is this co-worker of his.

On 1-8-92 we got another call from Mrs. DeVos who said she got a letter from her brother stating that this guys name is Gary Mockenhaupt and that he was arrested in Minneapolis or Robbinsdale in the 1960's for grabbing women. According to Lyle, Mockenhaupt's was known as the "Northside Grabber".

Also, according to Lyle, this Mockenhaupt has a brother-in-law who lives near St. Joseph, MN and was in that area at the time of the disappearance. Mockenhaupt is supposed to live on an acreage somewhere outside the Cities and drives a van.

This information is for your use. Hope it proves to be useful.

Sincerely,

Tim Tomasek
Timothy J. Tomasek, Detective
Marshall Police Dept.

This is written in regard to Jacob's
unknown abductor.

The sketches I've seen of abductees,
bring me to focus on one of two persons
in my workplace (shop) at time of the
~~abduction~~

The person by name is Gary Mockenhaupt,
also known as "The Northside Grabber",
when arrested by Robbinsdale W.M.P. police,
during the 1960's.

Your interest appreciated.

July 21, 1992

Dear Mr. Raygor,

During the summer of 1988 between the months of July and September, our son (then four years old.) revealed to us that 's brother Jason had been "playing with him." He said that Jason had shown him dirty magazines and had touched his penis and buttocks. He had also allowed to touch his penis and watch him masturbate. During this time ; was timid, would easily cry and would lash out at objects. For instance slamming doors so hard the glass would break. All of which were unusual characteristics for him. and I thought that this was a reaction to the separation I was going thru with my then husband at the time in Feb. of that same year. The house where this happened was at another brother. On one occasion I recall walking thru the upstairs room where and his sister slept and finding Jason in twin bed. Upon going back up stairs I saw Jason back on the hide-a-bed within a span of a couple of minutes. After this all came out and I were shocked and ignorant as to the next step. We decided to keep away from Jason and even stated out loud to Jason that Jason couldn't play with him any more. Around this time my mother in law confided in me that ; was showing signs of being molested.

We had moved to Bagley by this time and brought into counseling at the Bemidji Mental Health Center. There he spoke with Sandy Johnson.

In Sept. of 1989 started kindergarten in Bagley MN. and myself had also started schooling shortly after. Myself in Blaine MN and in Thief River Falls, MN. To keep in school, both he and his sister stayed with thier grandmother () and then we would come home on the weekends. That Dec. brought the kids to me in the cities so we could spend birthday together. Immediately I noticed was distant, listless and very quiet. He looked scared. told me he was that way when he got to his mothers house. He also said that and had been play fighting when put in a headlock and held him down. After which began crying and screaming then ran to the bedroom and hid under the covers. I immediately took aside and asked him if Jason had tried to touch him again and he said he did and began to cry. We found out that only two to three days before came to pick them up Jason was staying at the house. One night at bedtime had asked for a glass of water. He said for some reason he didnt want Jason to bring it. After a long while Jason in with one. said he drank some water and laid back down but Jason never left. He just stood there and after awhile fell asleep then was awakened by Jason crawling into bed with him almost immediately. He said Jason slid his hand in underwear and touched him front and back. admitted he was scared and pretended to be asleep trying to toss and turn away from Jason. At this point Jason crawled on top of him then after a while he finally got off and left the room.

This time and I decided we had to do something. talked with Jason in Feb. or 1990 where Jason admitted to him that he molested in Owatonna but he wouldn't admit to the 1989 Incident. told Jason he had to tell thier mother what he did and also get counseling. as he didn't do this we were going to file criminal charges. We brought in to talk with Social Services in Bagley where spoke with Malotte Backer. After we moved to Thief River Falls he began seeing Val Bakken at the Northwest

Medical Center. During this time we were informed by [redacted] that her son was in counseling. However we soon learned that he was also working in the Big Brother Program in East Grand Forks, ND. We found this out in 1991 sometime. In the Fall of 1991 I called the program and informed them as to what he had admitted to and they and the Social Services of ND, informed the Air Force Base in Grand Forks. I spoke with Jason on the phone in November of 1991 where he admitted to me that he did molest [redacted] in Owatonna.

What didn't come out in his discharge trial was that

Also that between the times he molested [redacted] and the Big Brother Program he was seeing other young boys around the age of eleven. One of which is [redacted] of Bagley, MN. Where on many of our visits to Bagley he would be seen with one or another never any female or male friends his age. The thing that disturbed both my husband and I was that if he wasn't staying with a young boy's family he would be sleeping with them at his mother's house. At one point he even had his waterbed set up in the basement with the boy's bed at the foot of his surrounded with curtains.

As I told the agents from the GFAFB, we just now realized that [redacted] has blocked out everything that happened to him in Owatonna but he has also stated that he knows the differences between what's real and a nightmare as far as what happened to him in Bagley. He has never accused anyone but Jason of molesting him and has never talked with anyone but his counselors and us about what happened to him.

I hope that I've given you enough information for now and will wait to hear from you as to what our next step is. My biggest regret is that we didn't file charges in 1989 and my biggest worry is how [redacted] will react to going thru this all over again. We do however want [redacted] to see that no adult has the right to do this to any child and that his parents aren't going to pretend it didn't happen so that he has the freedom to go out and do this to another innocent boy. Thank you for your help.

Sincerely,

COUNSELORS

DR: Okay.

I think we left before all of them.

DR: You think you left before they did. Okay. And where did you move when you moved? Did you move to, right up to Foley? Or did you move to some other place?

Bagley.

DR: To Bagley. Okay. And who lives in Bagley?

My Grandma Louise.

DR: Grandma Louise?

Mh, mh.

DR: Who's her...who is her, who's she the mom to? Is she your dad, or your mom's mom?

Mmh, mh. My dad's mom.

DR: Your dad's mom. Okay. Where does your other grandma live?

My other grandma lives in Crookston.

DR: In Crookston. What's her name?

Umh...Grandma Joyce.

DR: Grandma Joyce. What's her last name? Do you know?

Umh...

DR: Okay. When you were in Owatonna apparently you talked, since you've left Owatonna you talked to your mom or dad and told 'em that Jason had done something to you at one time or another?

Yah.

DR: And ah, it's okay to remember those things. And I talk to this, like this with kids all the time about that stuff. I mean it's...that's all I do. This is my whole job is ah doing this. And ah you told your mom and dad that Jason had done something. Do you remember what you told your mom and dad?

First time umh...no, I don't remember telling 'em.

DR: Not the first time?

Uh, uh.

DR: OKay, but

But I remember the second time.

DR: Okay, what did you tell 'em the second time? Do you remember that?

I said Jason touched my private...umh...yesterday.

DR: Okay. How did he touch your private? Do you know what was, how that happened?

He was on top of me and put his hands down my pants.

DR: He was on top of you?

Mh, mh.

DR: How was he on top of you? Can you explain that a little bit?

My face was on the pillow and his face was looking at my head.

DR: At your face or at your back?

My....in the back of my head.

DR: At the back of your head. Was he on, like he had been wrestling with you or something and had you down or?

Mmmh....kind of.

DR: Okay. Ah....I wish we had a couple dolls. That's not fun for boys to play with dolls but you could show me. You don't know if your sister's got a couple little dolls?

She does.

DR: Could you, could you say we could use them and maybe you could show me. Then I'll maybe understand it a little better.

Would you like a cup of coffee or anything?

DR: Sure. I drink that. About a half a cup. I just had some a little while ago.

I'll warn you ahead of time I made it so...

DR: That's okay. Thank you very much. I appreciate it. Have him...got him going - up to get a couple dolls. And he's gonna show me how this all took place with him.

Yah, I never thought of that. That's good to have it shown I guess. Should be able to find 'em. (inaudible)

DR: He found one, hah?

Yah.

DR: Well....let's see. Why don't we bring him in here. We'll...tell you what, we'll make

DR: believe that's a doll. How's that? Hah? Okay. We'll, we'll make this, we'll make believe this is, this is you, okay?

Okay.

DR: And that's Jason?

Yah. And he was down like that.

DR: Okay. Were you, okay, if this is your back, were you laying on your back or on your tummy?

On my stomach.

DR: On your stommy. You were like that. Okay. And this is your head up here where my watch is. OKay?

Yah.

DR: How was he laying on top of you? Can you show me?

Like that. And reaching down my pants and then playing with my private.

DR: He was reaching down in your pants. He...okay, you were laying on your tummy. He was laying on top of you face down and he reached into your pants?

Yeap.

DR: And played with your privates. What do you call your privates? Can you tell me what that is?

My penis and my ball.

DR: Okay, your penis and your....how did he play with your penis? Can you tell me?

He was just going rrrhhmmmm....like that.

DR: Can you, can you... if that's my penis, what was he doing to it? Do you know?

He was going like....

DR: Okay. Just playing with it?

Yeah.

DR: Moving it around and that, hah. How long did he do that? Do you remember?

Yah, maybe a couple minutes.

DR: Couple minutes. When he, when he played with your butt, what did he do?

He didn't.

DR: You said he played with your butt a little. What did he do anything to that at all?

No.

DR: Okay. Did he say anything to you when he, when he did that? Did he tell you you shouldn't tell about that?

Uh, uh.

DR: How many times did he do that? Do you remember? You said you didn't tell...you, you don't remember telling mom the first time.

Yah, but umh he admits he did it the first^{time}. But he doesn't admit that he did it the second time.

DR: But you say he did it more than one time?

Yah.

DR: Did he do it two times or more than two times do you think?

Only two times.

DR: Only two times. And the...and you, and you remember telling mom the second time? yah.

DR: Okay. And ah...do you remember what, where you were at when that happened? The second time it was at my

DR: But that was up in...that was up Bagley.

DR: Okay. But you remember it happening in Owatonna?

No...I don't remember that.

DR: You don't remember that at all?

Uh, uh.

DR: Why...well, I remember when your mom and dad talked to me once. They said that you had told them that it happened in Owatonna. Maybe we could think about that a minute. Let's see....do you remember it happening two times?

Mh, mh only once.

DR: Only once.

That's the only time. But I think I umh...he did it to me...but in my sleep or something.

DR: In your sleep or something.

Cause me and Jason were sleeping downstairs and then we were watching that rock video.

DR: Ah, hah.

And I went to sleep and then he went to sleep on the couch that folded out.

DR: Mh, mh.

I don't remember what happened after that.

DR: You don't remember what happened after that?

Uh, uh.

DR: How do you happen to remember going to sleep on the, on the couch? And what makes you think that something happened maybe then?

Because from the second time I know what kind of a guy he is.

DR: Okay. And...but you don't know about the first for sure?

Uh, uh. No.

DR: Okay. Did, would you tell your mom and dad if you remembered?

Yah.

DR: Okay. Would you tell me if you remembered?

Yah.

DR: Ah...is there anything else you can remember happening like that that you'd like to talk about?

I don't think there is anything else.

DR: Okay. How old do you remember being when this happened...when Jason?

The second time or the first

DR: Yah. The second time?

I was gonna turn six the day after he did it.

DR: The day after he did, you were gonna turn six?

Mh, mh.

DR: And you're eight now? Eight and a half?

Mh, mh.

DR: And ah....you just think that because he did it once that he probably did it another time in Owatonna then?

Yah.

DR: Has it been a long time ago that you talked mom and dad about this that...that you remember? The first time talking about it or telling about it?

I don't remember anything about telling (inaudible)

DR: You don't remember telling 'em. How about the second time? Do you remember telling them the second time.

Mh, mh.

DR: Why did you go tell 'em? Can you, can you tell me why?

Cause I felt sick.

DR: You felt sick. What made you feel sick? Can you tell me?

That he was playing with my privates.

DR: Were you in school already then?

Yeah.

DR: Okay. Well, if you can't remember that's okay. Uhh, if you should remember, you tell mom or dad. And then they can get a hold of, in contact with me. Okay?

Okay.

DR: Okay. I think what we'll do then we'll end the tape. The time now is 10:45 a.m.. The tape will end.

CHILD NOT SEEN.

At the time of Jacob's disappearance the caller was working at Lincoln at Man Elementary and the suspect was a student teacher there. The caller says that the suspect looks a little similiar to the composite drawing of the abductor but her main concern was about the suspect's interest in the case and things he would say in the teachers lounge at the time of the abduction, as well as his activity since he left the school shortly after the time of the abduction. Caller states that the man said he had a brother in the area who was an FBI Agent. The brother would tell the suspect about the leads they were receiving on the case and the suspect would talk about them at the school. Caller thought the suspect seemed too involved with the case. Caller said that she has learned that since he left the school in Nov. of 1989 and graduated from Winona State Univ. MN the following spring he has obtained several farms in Harmony, MN where he was from. During his student teaching he commuted from Harmony. Caller is suspicious because the farms that he has obtained were all given to him by old men and the suspect is not working as a teacher at this time.

To: The Jacob Wetterling Foundation.

Enclosed is a copy of a letter which I sent anonymously to the Federal Bureau of Investigation in Ithaca, N.Y. It concerns the murder of James Bernardo, 12, of Pittsfield, Mass., who disappeared on Oct. 22, 1990 and was found dead a month later near Ithaca.

It is a remote chance that what I have to say has a bearing on the disappearance of Jacob Wetterling but I have sent it to you nonetheless.

The return address is a fake, for my protection.

God bless you and have faith.

To: Federal Bureau of Investigation:

Re: Pittsfield Murder.

Maps: Finger Lakes Region of New York, Map Works Inc. AAA maps of N.Y., Mass., Conn., Vt, N.H., Maine.

No return address. No name. Call me The Man on Skis.

Coincidences already exist. When coincidences are used, embedded, They have a meaning.

To whom? To Those who need them, to Those who found them.

Cleverness is an end and a means to an end.

Intelligence not informed by morality is empty.

This is about power and control, anonymity, protection.

Jimmy Bernardo was not murdered by a lone man, or psychopath.

At least two vehicles. Carefully planned. They are in front of us and among us. They cannot be seen.

I know them and I don't. I cannot reach the center.

I have seen them in central and western New York and Colorado. They are in Ontario and Pennsylvania. They cross any border they want.

The boy was targeted.

He was watched. He was followed for a long time. He was chosen.

Jacob Wetterling was abducted on 10/22/89.

This time the body had to be found.

They are deeply hidden and they are among us. They're a danger to anyone who knows of them. They're a danger to Those who don't. Drugs and crime are part of it but it goes deeper. Child pornography is also a part of it somewhere.

There is a center, or core, with concentric rings. They recruit people and destroy people.

They target people. This is about power and control. They protect themselves through anonymity, pretense, deniability.

I do not know their ultimate purpose.

It existed long before I came along.

I was targeted by them and I still am being targeted. I tried to escape but they found me. Given my limited resources they will find me whenever I go.

I know too much about them. I am a threat and for this they cannot let me go.

They would destroy me. They have targeted members of my family, but my family does not know about this. I don't think they would believe me if I told them. At some point I will have to try before it is too late.

They have anonymity and police protection. That is why I am writing you. This is not a local murder case. They could be anywhere.

I do not have a name for them.

They targeted me long before I knew it. When I found out, it was too late. I had already been trapped.

2
Had I known who and what they were two years ago I would have left that night, driven non-stop, changed my name and appearance.

They are smarter, they are more clever, more ruthless than all of us.

They can target you or anyone but they are most effective against the vulnerable and compromised.

They can show themselves to the target or not. Whatever suits their purpose. They will use children in ways that suit their purpose.

It cannot work without anonymity and pretense. It's possible because people don't believe it's possible.

If they target you they will find out as much as they can about you.

They can move people into the apartment next door, try to place as many of them around you as they can.

They create odds entirely in their favor. They can surround a person with seven or eight people and the person will not be able to see them.

They can enter your apartment. They can follow and stalk you. You will not know. They can do this to you or to your family.

They seek to isolate and control. If you report them to the police, you will not be believed, and you will face retaliation. This is especially true of those who ^{do not} have an acceptable credibility.

I discovered them already in my life two years ago. They are here now in the place where I live. They have done this everywhere I've moved.

I am watched, I am followed, my room is entered, I cannot go to the police, I have no protection from the law.

If I retaliate, I will be the one arrested.

Fine, I'm insane. Whatever you like. But I'm playing my last card.

I was not the first victim and I will not be the last.

That's the meaning of this. There are others. There will be others. This is my deepest concern. It is why I am trying to fight them.

They recruit people. These people may not know their real purpose. None of them will talk willingly.

The falcon cannot hear the falconer.

I have names of people on the outer ring. I cannot find the center. I cannot find where they begin, where they end.

Nobody wants the names I have.

I have tried for two years, trying to find help from a lawyer. I have heard every excuse.

I have been driven out of two homes by them, and I am still alone.

My life has been threatened for two years. Anyone who becomes involved with me, who takes my side, will be in danger also.

The murder of Jimmy Bernardo, and perhaps Jacob Wetterling, cannot even be approached without first having a knowledge of who these people are and how they work.

I know how they work, know how they target anonymously.

The killers are a part of them.

The falcon cannot hear the falconer.

One name, among many. Schott. Enfield.

Enfield, Newfield, Pittsfield, Sheffield.

I cannot identify the names of the killers. The Schatts are but one source.

The forces set against me and against others are the source. I have seen it, experienced it. It is like looking at the bottom of an ocean.

I'm followed when I drive. The stalking is in the open. What can I do about it? I cannot go to the police. I was framed once. And once framed, always framed. If not killed, I expect to be framed by the police again, or both.

Some licence numbers.

TKU-335. N.Y. Dark blue station wagon in area on 10/20. Young white male, brown hair and beard.

563-PKR. Mass. Here on 10/22. WM, beard. "Biker Bitch" logo. He is one of them.

Two possibilities.

319-RPH. Ontario. Here on 10/22.

IG8671. N.Y. 4-wheel drive truck. Oct 21, Binghamton. "Pro Net" logo.

The many names I have are the beginning of any investigation. I cannot give you these names unless I have protection from the police.

The Bernardo murder is not a local or isolated case. The FBI must enter the investigation. The FBI must be at the center of this case.

I'm playing my last cards.

All right, start here.

Coincidence.

Start with a code. The simplest code. 1 = A. B = 2. Z = 26. And 0 = 0. Then add.

It's a generic code, but those who have stalked and threatened me for two years know how I use it. I learned it, or discovered it, from them. That's how I fell into the trap.

Start with places on maps. Names, locations, names in indexes.

This is not complete. I am not infallible.

Start with Rabbit Run Road in Tomkins County. It is just below Puhawka Road in the index of The Finger Lakes Region of N.Y. map.

Rabbit Run is a novel written by John (Hoyer) Updike.

He married a woman named Mary E. Pennington. She studied with Vladimir Nabokov, who taught at Cornell from 1948 to 1960.

Turn here to Who's Who. 1987.

The initials for Mary E. Pennington are MEP. Read a near-word, Maps. Read another near word, Bennington, on Route 7 north of Pittsfield.

Add M, E, P. Or 13, 5, 16. Get 34. Add 3 and 4. Get 7. Translate to letters, Get CD or CDG.

Add initials of Puhanka Road, or PH. $16 + 18 = 34 = 7$. Get CDG.

Add the date of abduction. They knew, and still do, that I numbered the days of the week. Sunday = 1. Monday = 2. These people have my private notes. They know this.

Thus, Monday, October 22 equals $2 + 10 + 22$. Get $34 = 7$. Get CDG.

Look above John Updike in Who's Who.

Helen Hill Updike, economist.

She married Charles Bruce Updike. She is the daughter of Benjamin Harvey Hill and Helen Gray Hill.

Check Tompkins County on Finger Lakes maps.

Harvey Hill Road, Benjamin Hill Road, Bruce Hill Road, and Gray road are all near Puhanka Road where the body was found.

There is an Updike Road in the county.

Updikes live on Harvey Hill Road.

Add initials of Harvey Hill Road. $8 + 8 + 18 = 34 = 7$. Get CDG.

Translate 8, 8, 18. Get HHR, HRH.

Sub-translate 8, 8, 1, 8. Get HHAH.

Next - Canaan.

Canaan, N.Y., and Canaan, Conn. are near Pittsfield, Mass.

There's a Canaan Road in Tompkins County.

Canaan, Maine is near Pittsfield, Maine.

Canaan, Vt. is near Pittsburg, N.H.

Canaan, N.H. is near Enfield and Enfield Center, N.H.

Another name: Michael Schott, 535 Enfield Center Rd.

The Schotts are part of them.

Canaan, Conn. is the scene of a famous book, A Death in Canaan by Joan Belue.

The subject of the book is a boy named Peter Reilly. Reilly naively trusted the state police and as a result he was wrongfully prosecuted for murder.

William Styron and Arthur Miller led a campaign to help Reilly, and he was freed.

In the Bible Canaan is The Promised Land, the land God pledged to Abraham.

It is now called Israel, or The Holy Land.

The number-letters throughout are, $34 = 7$, CDG. And $28 = 10$. or BH or 8HJ.

34 and 28. And 7 and 10.

Add all the letters of Canaan. Get $3 + 1 + 14 + 1 + 1 + 14$. Get $34 = 7$. Get CDG.

The section of The Bible That describes the geography of Canaan is The Book of Joshua, Chapters 13-21.

See Robert H. Pfeiffer's comments in The Encyclopedia of The Bible.

Initials for Robert H. Pfeiffer are RHP.

Rearranged his initials correspond to the Ontario licence plate 319-RPH. And also to PHR. Or Pratts Hill Road, which intersects with Ruhauka.

The falcon cannot hear the falconer.

In the same book it notes That Canaan was derived from a word meaning, "Reddish Purple." Initials, RP. Or $18 + 16 = 34 = 7$. CDG.

Add the chapters from Joshua 13-21. Get $34 = 7$. Get CDG.

Add Peter Reilly, or PR. Get $34 = 7$. Get CDG.

Add the initials of my son. Get the same. (I have never seen or met my son. They know where he lives.)

Possible translations of CDG.

See the 6. See the 7. See 6-7. See DG. See 47.

Route 7 runs north and south through Pittsfield and Canaan, Conn.

Check 6-7 on the Finger Lakes Map.

Find Holcomb, N.Y., and Canaan Road.

(There is, of course a Canaan Rd in Tompkins County.)

Holcomb is a reference to murder. Holcomb, Kansas. Truman Capote's In Cold Blood.

Holcomb has a personal meaning to me That Those who targeted me know.

Holcomb and Canaan Rd are near Honoye.

Honoye also has a personal meaning to me which they know.

Outside of Pittsfield There is a Hamner Mt. Near word, Honwee for Honoye.

It is possible because people do not believe it is possible.

They are smarter, more clever than all of us.

The body that was found. Was There a ritual arrangement?

In a 6 or 7 pattern? Or the five points indicating the five Canons? Were maple leaves arranged?

Any ritual arrangement of the body would be false, misleading.

Forensic evidence at the scene would not be reliable.

Blood and semen, even fingerprints if found would not indicate perpetrators. Genetic testing if possible would not match perpetrators.

After two years I know how they think, I know how they work.

I did not know I was targeted until it was too late.

Jimmy Bernardo did not know he was being watched and followed. Others have suffered the same fates.

Their signature is on this crime.

6

Search for it. Find the other P. Road. Find BH. They are near the man on Skis.
Under no circumstances trust local, county police. Be careful of state police.

They have people in police departments and other powerful positions.

They control at least one major institution in this state. The corruption they control there has destroyed many helpless people.

Be aware that if I am ever believed, the people who have targeted me have everything to lose. You, the police, the state bureaucracy can destroy me as certainly as the net of evil and corruption I've fallen into.

To go on, all the B.H. Roads in Tompkins add to $28 = 10$. BHJ.

Promised Land, for Canaan, adds to $28 = 10$.

There is another P.R.

This P.R. has a house number. Adding the address numbers and P.R., gets 10 and 7.

Add 10 and 7. Get $17 = 8$.

Translate to HQGJ.

South of Pittsfield is Sheffield Road.

Who lives on Sheffield Road in Tompkins? Who lives on Harvey Hill Road?

Sheffield Road in Tompkins adds to $19 + 18 = 37 = 10$

Translate to CGJ. Or GJ. Or See GJ.

Above, the other P.R., is HQGJ.

Add initials of Helen Hill Urdike. $8 + 8 + 21 = 37 = 10$. Get CGJ.

The only popular culture reference to Pittsfield is in the movie FX.

The hero of the movie is named Ollie. Ollie Rd is in Tompkins.

The Pittsfield reference is to a man killed by Ollie.

In a scene his name comes up on a police computer: Born, Pittsfield, Mass. Justice Department, WIP. (Witness protection).

Add F and X. $6 + 24 = 30$. Get FXCO. Or C Fox.

The name Fox.

James W. Fox. Add his phone number. Get $28 = 10$. BH.

Add his address. Get $37 = 10$. Get CGJ.

Three names: Schott, Urdike and Fox.

I do not know, or cannot see, any Urdikes or Foxes. The Schotts are absolutely involved in the continuous threats against me and my family.

I have about 20 names or more of people who have been involved with the relentless threat and targeting of me.

7
If the Schatts and others, Those in control, know that I have written this letter to you, it will increase the danger to me and others. They have people in the police and state bureaucracies.

Sharing this information could sign my and others death warrants. They are watching me very, very closely. And I am totally alone, I have no protection from the law, and I cannot escape from them.

It begins with the decision to place the body at Puhanka Road.

From there comes Rabbit Run, John Updike, Helen Hill Updike

Add the initials for Millard Hill Road ($13+8+13$), James W. Fox ($10+23+6$), Updike Rd ($21+13$) and John Hoyer Updike ($10+8+21$).

In each get $39=12=3$.

Translate to ICH, to CHIC, etc.

Add all numbers in Pittsfield and Harvey Hill Rd. Get 120.

When the murder occurred I had been framed by police after trying to give them information about two of the people who had targeted me.

At that time I was not aware of what I had found. I did not know how numerous, extensive and powerful they were. I was in custody at the time of the murder. I was threatened then, and now, as an informant. My mistake was to go to the police.

In Ithaca there is a Blue Fox Books. On the wall for the last 6 years is a literary map of Ithaca. From the Journal, Feb. 17, 1984.

Nabokov, Pynchon, Pearl Buck, E. B. White, et al.

Pynchon wrote The Crying of Lat 49. It is the story of a secret, underground group.

Pynchon disappeared into Mexico. Nobody knows what he looks like.

A lawyer advised me to move to Canada. I could not. They are in Ontario.

Someone at the center put their signature on this crime. It all happened before I moved to Ithaca. The police and others forced me to leave New York State, but I came back.

They found me in California. They found me in Colorado. Find 1990 Colorado license plate TARGET.

I have decided to fight them, knowing as I learned earlier that like everyone I have a breaking point, and knowing that I am alone and cannot beat them. They are possible because we don't believe they are possible.

They work in deep cover. They act out toward me a pretense or lie. They are secret, they have deniability. Some have police protection. Some are near the Maggolino Family in Buffalo.

However remote, I have faith that you can break individuals on the outer rings. You can break them, protect them and move closer to the center.

If you could break a man named David Sawyer, if this is his real name, you would know enough to convene a federal grand jury.

To me this is a fantasy. Based on my experiences over two years, it is hypothetical.

They are in several states and Canada. There is no reason to believe that they would not also be in St. Joseph, Minnesota.

There is a center, the case, the source. In there is the answer. Who has the courage to go there?

Based on my experiences, they have a modus operandi or way of doing things. They do not take chances. When targeting people they always work with backups; several people, they stay in control of others while they protect themselves and their anonymity. A targeted person can eventually be surrounded and not know it.

They plan carefully. They are patient. In numbers they have protection. They maximize their chances of success.

In Pittsfield they would have used two to three vehicles. People in one would not acknowledge people in the others.

They knew who the boy was. They knew his movements. They do not do things impulsively.

I believe the boy was targeted to be used in a film. He was murdered on camera.

If he was found bound and gagged, this was done to mislead. He was already dead when brought to Puhanka Rd.

They would have wanted police to believe he was killed by a psychopath with psychotic ideas, with a belief in symbol, repetition and ritual as meaningful in themselves.

They use number-letter translations and symbol but only as a means to an end.

I was not their first victim. Unless somebody tries to stop them, there will be many more.

I can only try.

Dear Task force,

I've previously written you about having vision related to Jacob Wetterling. Please keep this confidential ^{I've} as always requested.

Last winter I was discerning through prayer for Jacob that the abductor is ~~losing~~ losing interest in Jacob. Jacob is getting old enough where the abductor isn't interested in him. I felt he would release Jacob soon.

Last Friday Oct 23, I felt that the abductor may be coming back to Minnesota. It seems that possibly Jacob was given over to another man.. I don't think this other man knows who Jacob is (maybe he needed Jacob to work for him?). I wanted to do more praying before I wrote this letter. However I've been very busy. I'll write again if I discern more.

Sincerely,

Oct. 20, 1992

Dear Jacobs' Hope:

It's always difficult to know where to begin a letter like this.

I sometimes see things before and even after they happen by way of visions and dreams. I never ask anyone to believe me, but to please just listen with an open heart.

I have sent similar letters to other places, and frankly I do not know if they heard.

I make mistakes. I sometimes misunderstand what I see, or try to figure out what is not my business, but the One who takes me there makes no mistakes. Ever..

I saw what I saw.

I believe the major reason I see the things I do is for some reason because I ask, and for intercessory prayer. Many times all night long.

I first saw Johnny Gosch 6-8 years ago. They are still very vivid in my mind, both dreams.

In the first one I saw a man walking through the woods, I saw only his boots and the ax he was swinging. I said, "Oh no, oh no," because I was afraid the next thing I would see was a dead body, Johnnys. Instead he was sitting on a fallen tree smiling. The man sat down beside him. He seemed fair haired and friendly. He had ridges(not wrinkles) on his face. It was a tan leathery look. I would guess him to be about 40 (then).

The second dream was on an Island or beach. Many times in my dreams I see myself as the victim, as this one. A large black man with an accent led me to a room. As I stepped in, I heard the door close and lock.

I felt trapped and threatened. I think a man came in and I or the person I represented was about to be raped, but I don't remember if it happened.

The next thing I saw was myself talking to a young man on or near a dock about whether or not we could get away.

The black man appeared out of nowhere. He seemed to have overheard our conversation. He seemed threatening.

note: the accent was like you'd hear in calypso music.

The voice was deep and melodic.

About a year ago while praying and with fear in my heart I asked the Lord to "Take me there". I don't know why me, but He does. I find it very humbling.

I was confused by this first dream. I was expecting to see Johnny because it had always been Johnny. This young man didn't look like him and seemed younger. I believe with all my heart it was Jacob.

There's just a couple more things before I get into them.

There is something significant about Saturday nights, that's when I see many of them and I feel it, oh how I feel it.

I don't know if the blonde haired man and the gray haired man are the same, but I think it's possible.

I'm going to try to leave out what I feel and just tell you what I saw. Some of them may not be for you, but I don't know that.

12:30 AM

I had a dream that woke me, which was followed by a vision. This happens a lot and I don't know if they're related.

I dreamed I heard a window crack and raise. I was there but it wasn't my window. I said, "Hey, what are you doing"? I grabbed the hand of the person trying to enter then I woke up. My heart was pounding.

The vision began immediately.

I was on or above a grassy bushy area on a dirt road.
(or over it). It all moved so fast I was afraid I'd lose it.
I said out loud, "Johnny, where are you?"

Then I saw people working in a field below me. It was a
green leafy bushy crop. They were holding long handled
tools like a rake or hoe.

As I spoke they all looked up except one young man, very young.
He kept his back to me. A glance at his profile was all I
could see. He was wearing a parka type hood. He looked away
quickly. He didn't want me to look at him.

At the end of the path, (possible runway down the middle
of this bean looking field)' I saw a man in a long robe
standing near a building with lots of trees and bushes
around it. I was saying once again, "Johnny, where are you?"

I won't get into all the experiences about Johnny, but I
saw him several times this summer behind bars. The last
time I saw him, back in the summer he was laying on his
back screaming.

Nov. 30, 91

6 AM

In a dream I saw a black man, shiny black, with little
or no hair on his head and chest. He was big and mean looking.
The other man was white with a Charles Manson look (description)
not the crazy eyes. He too, was big with long hair and beard
and looked mean. He was wearing a chain with large links
no shirt. *I didn't see motorcycles, But Sensed Them.*

1AM

In a dream I saw a boys red and white baseball uniform
thrown over a white chair, lawn chair maybe, on the
grass I think. A baseball bat was on the ground beside it.
There was no ball. Before I went to sleep, my prayers
were focused on Jacob W.
Ps. 35 (childrens Bible).

10 AM

Had a dream that won't leave me alone. I don't know if it's about the white slavers. It probably is.

This place was on the water. I didn't see sand this time, but rocks. Richard, my husband, and I were together along with a group of other people. We seemed to be touring or sight seeing. It was a pretty place and we were having a good time.

We came to the rocks and had to climb down a bit (steps maybe), which was unrealistic because my husband has back and foot problems,

We stood at the bottom and watched other people being lifted down in an outside looking elevator. You could see them through the glass. It seemed to come down a rocky wall.

There was only one path we could follow and was told to keep together. That part of it ended.

Then we were inside a room (it was round like a lighthouse. There were many tables but they were not set for dining. It looked rather bare, perhaps off season. I don't know if the windows went all the way around, but they were on my side of the room and they were high.)

Things began to happen. My purse disappeared, Rich went to the phone (on the back wall) and found it dead.

We were all together when a group of people came in, not all men, but one large overpowering man made me afraid. I didn't see him hurt anyone but the threat was there. We were all afraid to question him, but it was evident he was not going to let us go.

At one point a middle aged lady said something about "When the boat gets here". I remember thinking someone will miss us and look for us. I remember praying, but it seemed like God didn't hear. Then I woke up.

May 1, 92

On the way home from church a name came to me
ELEANOR.

I can't think of anyone I know by that name.
I sense a broken heart and a secret she cannot tell.
The name comes at random. (twice today).

June 7, 92

Sunday

Last night in a dream I saw the blonde haired man again.
He was outside a building, with a fence around it.

I saw the same wooded area and path leading upwards to the
woods that I saw in the first dream I've ever seen about
Johnny.

I didn't see Johnny this time, but it's the same place, only
this time he was at the bottom of the hill.

He was friendly and showed us a smile until we told him we
wanted to come in, then his smile faded.

When I woke up it was 3 AM.

There's something vaguely familiar about this one.

I may have seen it before.

Who was I with?

June 18, 92

9 AM

About dawn a number came to me "DC 65742

It was followed by a dream in which the number
180 N. Pine came (could be northern pine).

July 16, 92

9 AM

1. While praying this AM, I saw an image of a man. He had white curly hair. He was heavy and in his 50's to 60's. He had a Brian Keith look (features) not a look alike. He seemed to be sitting back in a comfortable chair relaxed.
2. then I saw what looked to be an expensive elegant string of pearls.
3. Then a box (jewel box) full of expensive looking jewels.
4. Next I saw a bald headed man crying with his head in his hands.
5. Last I saw the white haired man again. His hair is in little ringlet curls and maybe some friz. He was wearing sunglasses. There was a flash of light after each picture. Like photographs were being taken.

Sept. 20, 92

8:35 PM

Unlike other visions, this one was far away, but clear. It was like looking through a tube or maybe a telescope. I saw several people maybe 15-20 in a row with their backs to me. They were naked. They appeared to be in a shower or wash area. Then it was gone. Next I saw the back of a mans head. He was sitting at a table or booth, his hair had a reddish tint this time. It may have been the warm glow of a light. He looked over his left shoulder. It was like he was being watched and knew it.

Whether you believe me or not please know that my prayers are with you, and especially with Jacob. I cannot even imagine what it would feel like to lose a child , especially in such a painful way.

I heard you say that maybe, if we all look, Jacob will be found. This is my way. Please don't forget to send me his picture.

If you have read this far, thank you.

Sandra Shinn

PS →

It may mean nothing, but I opened the envelope to add this one.

DATE/TIME OCCURRED: 040691 - 1530 HOURS
DATE/TIME REPORT: 040791 - 2145 HOURS

On 040691 at approximately 1800 hours, I spoke with _____ and _____ at _____ and they stated that at approximately 1530 hours they were at the THREE SEASON RESTAURANT in Mahtomedi and while there a male spoke to them by saying something to the effect of, "Nice day for a walk" and as they left the restaurant and headed home to 860 Stillwater Road this male individual followed them home.

They described the vehicle as going around the block and showing up as they were headed home all the way up to the apartment. The girls then stated that they left the apartment building at approximately 1630 hours to walk downtown to the TOM THUMB STORE and they observed this individual in his car again. They described this individual as:

SHORT & SLIM

GRAY GREASY HAIR WHICH NEEDED TO BE WASHED

WIRE RIM GLASSES

50 - 60 YEARS OLD OR MEDIUM AGE

They described the car as:

1980's WHITE DODGE

LICENSE #RGK058

They said that this individual was alone in the car. The girls also described this man as the individual that looked like the picture of the male that kidnapped JACOB WETTERLING. They said that he spoke with a real quiet voice almost like whispering.

Dispatch had run a registration check on the vehicle, license#RGK058, and it registers to JOSEPH PAUKERT who lives in Maplewood with a phone number of 777-9457. At approximately 2200 hours on 040691, I spoke with MR. PAUKERT by phone and when I told him who I was and why I was calling he immediately knew why I was calling and stated that he had talked to the girls in the restaurant by saying something to the effect of, "Nice weather" or something to that effect. He stated that he could not really remember for sure. MR. PAUKERT stated that he had come to Mahtomedi to go to the WILDWOOD BOWL and then had gone over to the THREE SEASONS RESTAURANT for a sandwich. After finishing that, he was just driving around town and he stated that he did observe the two girls who he spoke with at the restaurant a couple different times as he was driving around town. MR. PAUKERT stated that he was not following the two girls. MR. PAUKERT stated that he understood why the girls called being the WETTERLING kidnapping had occurred and he was apologetic for what had happened.

I asked MR. PAUKERT if he was following the girls around and he stated that he was not, that he comes to the WILDWOOD BOWL quite often and is in the area. I asked MR. PAUKERT how old he was and he stated he was

42 and he did not talk with a raspy voice as the WETTERLING suspect was described as having.

Dear Doug:

Enclosed please find two fairly recent photos of Thomas E. Wilcox. As you can see from the composite I had, the likeness is uncanny. Furthermore, Wilcox has a low raspy voice and is 5'8" and is 48 years old.

I checked out a couple of sources and learned he did have an ex-wife who lived in the midwest (possibly Indiana) who he visited in 1989.

I hope this gives you a fresh lead. Let me know if I can do anything to help.

Yours very truly,

Dear Doug:

I have enclosed the picture of a convicted serial murderer who also fits the description of the composite involving the disappearance of Jacob Wetterling.

Arthur Shawcross was convicted of eleven murders in the Rochester, New York area recently. It is important to note that he had previous homicide convictions involving young children in Watertown, New York years ago. He is a drifter and was on the streets when Jacob was abducted.

Once again, I hope that this information helps.

Yours very truly,

Shawcross Admits Killing 11th Woman

ROCHESTER — Convicted serial killer Arthur J. Shawcross pleaded guilty Friday to the strangling death of an 11th victim, 29-year-old Elizabeth Gibson.

Shawcross was convicted in Monroe County in December after jurors rejected his contention

Shawcross

that he was insane when he killed 10 Rochester area women. He was sentenced last month to 250 years to life in prison.

He is currently imprisoned in Sullivan County.

On Friday, Shawcross pleaded guilty in Wayne County Court in Lyons to second-degree murder for Gibson's death. Gibson's body was found Nov. 27, 1989 in a wooded area, not far from the Monroe County line.

Sentencing was set for May 7.

PLEASE BE ADVISED THAT UNDER ANY CIRCUMSTANCE
WHAT SO EVER, THAT MY IDENTITY IS NOT TO BE REVEALED
TO THIS MAN, WE LIVE IN THE COUNTRY, ON THE LAND I'M
DEVELOPING IS HERE, THE NEAREST PHONE IS APPROX 8 mi's AWAY,
I HAVE

AND ON WELFARE, I MAY BE ABLE TO OBTAIN THIS
ONE ACRE PARCEL ONE DAY FOR US ALL TO LIVE, AND DON'T
WANT HIM TO COME AROUND KNOWING I WAS RESPONSIBLE,
I'M TRYING TO SEEK WORK HERE, THAT IS WHY I HAVE COME
BACK, AND REGARDLESS OF WHETHER, OR NOT HE'S YOUR
MAN, I HAVE A FEELING THAT HE'S NOT QUITE RIGHT, AND
COULD BE DANGEROUS.

AND WOULD PLEASE ME ALSO IF THE SOCCORO
COUNTY SHERIFFS DEPT. ALSO DID NOT KNOW, I THINK
THIS COUNTY FROM ALL I'VE HEARD HAS SOME INTERNAL
PROBLEMS, AND WOULDN'T WANT THE WORD TO GET OUT.

THANK YOU, SINCERELY,
P.S.

IT'S BETTER TO HOLD TOUCHED UP
PICTURE AT AN ARM'S LENGTH AWAY
TO GET A BETTER EFFECT.

P.S.S.

BE ADVISED ALSO THAT SINCE I'VE KNOWN THIS MAN BEGINNING
OF 1990, JACOB HAS NEVER BEEN WITH HIM, SO IF YOU HAVE
PROOF POSITIVE THAT HE STILL IS ALIVE, & HAS BEEN SEEN WITH HIS
ABDUCTOR, WITHOUT A DOUBT, DURING 1990, THAN MAY NOT BE
HIM, BUT WORTH PERSUING ANY LEAD.

TODAY IS APRIL 10TH I BELIEVE, I WAS CONSIDERING NOT
SENDING THIS IN, BUT TODAY.

WHAT VICTOR USED TO WORK FOR, AND HE
SAID IT DOES LOOK LIKE HIM, HE ALSO SAID VICTOR HAS
A Jekyll & Hyde PERSONALITY, HE HAS OBSERVED HIM ACTING
STRANGE AROUND YOUNG BOYS, HE CHECKED HIM OUT WITH
THE POLICE, THE ONLY THINGS THEY CAME UP WITH WERE
3 COUNTS OF INDECENT EXPOSURE.

THE NEW MEXICO BOYS RANCH IS NEARBY
HERE, AND WHERE I OBTAIN THE COPIES, HE MAY BE
WELL WORTH CHECKING OUT, AND ONCE AGAIN PROTECT
MY IDENTITY. THANK YOU.

HE'S 51, BOLD, & AGGRESSIVE AT TIMES, HIS HEIGHT
I ESTIMATE TO BE 5'4" / OR 5'5, COULD IT BE THAT
HIS HEIGHT WAS SLIGHTLY EXAGGERATED DUE TO WHOEVER
GOT DISCRPTION BEING SCARED, & HE LOOKED BIGGER?

ALSO AS AN EXPERIMENT GO WITHOUT FEEDING HIM FOR
6-8 HRS., AND YOU'LL PROBABLY NOTICE PERSONALITY CHANGES
BECAUSE OF HIS DIABETES BE CAREFUL THOUGH NOT TO HURT
HIM, I KNOW I HAVE LOW BLOOD SUGAR, AND WHEN I
DON'T EAT MORE THAN MOST PEOPLE I GO INTO AN AGGRESSIVE
STATE OF MIND, AND THINK AWFUL THOUGHTS, AND KNOW
I WOULD HAVE A POTENTIAL TO KILL SOMEONE, IF I COULDN'T,
RATHER IF I DIDN'T KNOW HOW TO CONTROL MYSELF.

TO WHOM THIS MAY CONCERN,

HERE IS A PICTURE THAT I DID A LITTLE WORK ON, AND HE LOOKS LIKE THE MAN I KNOW, I ADDED SIDEBURNS' LONGER, THICK MUSTACHE, DOCTORED EYEBROWS, AND ADDED A DIMPLE TO HIS CHIN.

HE MAY NOT BE WHO YOU ARE LOOKING FOR, BUT ^{HE} MAY BE, HE SAYS HE GOES TO CHURCH EVERY SUNDAY, HE ARRIVED IN NEW MEXICO AT THE ~~BEGINNING~~ BEGINNING OF 1989 OR 1990, I THINK IT WAS 1990, ~~HE~~ HAS THE BOLD, AND AGGRESSIVE BEHAVIOR YOU'RE LOOKING FOR ALSO.

I DIDN'T MAKE THE COMPARISON UNTIL ONE DAY HE CAME TO MY PLACE, I WAS WORKING HERE, AND WANTED ME TO GO WITH HIM TO THE SOCCORO CO. SHERIFFS OFFICE THAT WAS HOLDING ONE OF HIS SHOTGUNS, IT WAS 35 MILES AWAY, AND I DIDN'T WANT TO GO REALLY, BUT HE KEPT UP UNTIL I SAID WELL O.K., WE HAD TO WAIT FOR AWHILE, AND THE PICTURE WAS HANGING ON THE WALL, AND I STARTED NOTING SIMILARITIES, I'VE BEEN TRYING TO OBTAIN A PHOTO COPY FOR PROBABLY 6-8 MO'S. NOW INCLUDING TALKING TO SOCCORO SHERIFF FRANK TAYOYA TO SEND ME ONE, TO CALLING CRIMESTOPPERS TO SEE IF THEY'D CONTACT SOMEONE TO SEND ME ONE, NEVER DID, CALLED STERN CO. SHERIFFS DEPT. WHEN I WAS IN MINN., AND ALSO WHILE IN MINN. TRIED CALLING 'FRIENDS OF JACOB' SPENDING WHAT LITTLE CHANGE I HAD BUT CALLED TOO EARLY.

THIS CONCERNS ME NOT ONLY FOR JACOB IF IT IS HIM, BUT ALSO HE'S.

I'VE SEEN THIS MAN GO INTO A TRANCE BECAUSE OF POOR DIET, AND HE HAS DIABETES, AND NOTICED A STRANGE CHANGE OF BEHAVIOR, KIND OF SCARY. HE STUTTERS WHEN HE GETS EXCITED, AND I'M TELLING AN OF THIS BECAUSE ANYTHING MAY BE HELPFUL IN DETERMINING
OVER →

WHETHER, OR NOT HE'S THE RIGHT GUY, HE ALSO SAYS HE'S FROM NEBRASKA.

I WOULD THINK, AS A MAN OF GOD, THAT HE WOULDN'T BE TOO UPSET WITH BEING CHECKED OUT, IN VIEW OF THE LOOKS, AND HOW MUCH HE COMPARES TO IT, I ALSO FILLED HIS CHEEKS OUT SOME, HE MAY HAVE GAINED WEIGHT WITH AGE, AS WELL AS LOSS OF HEIGHT, I DON'T KNOW YOUR PROCESS, AND HE CAN BE LIKEABLE, IT IS IMPORTANT I THINK, THAT IF THIS IS NOT THE MAN, AN EXPLANATION OF GRATEFULNESS FOR COOPERATION BE EXTENDED.

THANK YOU,

THE MAN ON THE DRAWING IS:

VICTOR VESLEY
VEGUITA, New Mexico
(Socorro, Co.)

THE SHERIFFS OFFICE SHOULD HAVE NO PROBLEM FINDING HIM, SOME KNOW HIM, AND IT'S A VERY SMALL COMMUNITY, I DON'T KNOW HIS COMPLETE ADDRESS.

P.S.

I BELIEVE THERE WERE EYEWITNESSES, IF I'VE READ IT ALL CORRECTLY, AND MAY TAKE THEM TO SEE HIM, TO VALIDATE IF, OR IF NOT.

HE DOESN'T HAVE MUCH MONEY SO PLEASE DON'T COST HIM ANY HE PICKS UP ALUMINUM CANS TO SUPPLEMENT INCOME.

ES URGENTE ENCONTRAR A ESTAS PERSONAS

IS WITH THIS WAY CONCERN.

I THOUGHT I WENT TO SEND THIS LETTER TO YOU ALSO - CONCERNING JACOB WETTERLING CASE, I'M NOW 99.9% SURE THAT VICTOR VESLEY IS THE MAN YOU ARE LOOKING FOR, WHEN I SENT THE LETTER TO YOU I STILL HAD SOME HEAVIER DOUBTS, IT WAS LATER THAT DAY THAT I TOLD VICTOR IF HE HAD TO GO AWAY, OR SOMETHING IN A HURRY, OR GOT REAL SICK HE COULD SEND THE SHERIFF OUT TO MY PLACE, & I'D COME CARE FOR HIS DOGS, I THINK THAT ALONG WITH ASKING HIM HIS AGE THE OTHER DAY MIGHT'VE TIPPED HIM OFF TO FACT I PROBABLY KNOW SOMETHING.

LATER THAT EVENING HE CAME OVER TO DROP SOME 2x4'S OFF, THAT'S WHEN HE WAS ASKING ME TO GO HERE, OR THERE WITH HIM, AND ALSO MADE SOME REFERENCES TO 11 YEAR OLDS, HE MAY JUST HAVE WANTED TO SEE MY REACTION TO THAT, AND I REMEMBER THAN BEING WITHOUT SHOES ON, THAT HIS HEIGHT WAS CORRECT, SO THE NEXT MORN., I FAKED THE PICTURE I'D WORKED UP TO YOU.

I'M GOING TO GIVE A LITTLE MORE INFO ALSO THAT MAY BE HELPFUL SINCE I'VE KNOWN HIM FOR OVER A YEAR. HE HAS THE KIND OF PERSONALITY THAT IF YOU'RE DOING SOMETHING, AND ALL OF SUDEN HE SHOWS UP, NEXT THING YOU KNOW YOU'RE DOING EVERYTHING HIS WAY.

SHORTLY AFTER WE MET, HE 1ST CAME OUT w/ CENSUS TAKER, RIDING ALONG w/ HER, BEGINNING OF 1990, AND WAS AROUND THAT TIME ALL KINDS OF PLACES IN THE AREA WERE BEING BROKEN INTO, I'M TOLD HE VISITED THE PREACHER IN VEGUITH, AND THE NEXT DAY DURING CHURCH HIS HOUSE WAS

ROBBED, THE SHOE SIZE MATCHED VICTOR'S, BUT HE GOT OUT OF IT BY TELLING THE SHERIFF THE PATTERN ON HIS SNEAKERS WERE DIFFERENT, AND NOTHING MORE WAS SAID, I CAME TO LEARN HE HAS TONS OF SNEAKERS OVER AT HIS PLACE, OR HE USED TO.

AFTER WE MET HE CAME OVER, AND WANTED TO HELP ME SQUARE UP THE PLACE I HAD PLANNED TO BUILD A HOUSE, WE NEEDED SOMETHING HE HAD AT HIS PLACE SO I RODE ALONG W/HIM, ON THE FLOOR OF THE CAR WAS A PUTTY KNIFE IN A SHEATH, I PICKED IT UP TO LOOK AT IT, AND NOTICED HE WAS STARTING TO GO INTO A TRANCE, HE STOPPED AT THE DAIRY, & SAID HE'D BE RIGHT BACK, ~~THE~~ PUTTY KNIFE WENT INTO USE THEIR GRINDER, AND IN LESS THAN 5 MINS. FROM THE TIME WE STOPPED HE HAD TRANSFORMED THAT PUTTY KNIFE TO THE MOST WICKED LOOKING KNIFE I EVER SAW, IT COULD'VE PROBABLY EVEN CUT THROUGH BONE, WE WENT ON TO HIS PLACE, HE ATE SOMETHING THEN WE RETURNED TO MY PLACE, IT WAS AT THAT POINT I KNEW THAT THERE WAS SOMETHING SERIOUSLY WRONG WITH THIS GUY, AND THAT WAS OVER A YR. AGO.

6 MO'S. AGO, OR SO, I MADE THE CONNECTION, AS I MENTIONED ABOUT HIM WANTING ME TO GO TO THE SOCORO SHERIFFS OFFICE W/HIM, A FEW DAYS AFTER THAT I SAW FRANK TITFOY A SOC. CO. SHERIFF, AND ASKED HIM IF HE COULD SEND ME ONE OF THOSE PICTURES, THAT I WANTED TO WORK ON IT AND PUT MUSTACHE, & SIDEBURNS, I TOLD HIM I MAY KNOW THE GUY.

FRANK USED TO LIVE IN A LITTLE TRAILER JUST OFF HWY. 60 EAST FOR AS LONG AS WE'VE BEEN HERE, AND I USED TO SEE HIM QUITE OFTEN, I MAY BE WAY OFF BASE HERE, BUT I WONDER IF FRANK TRIED WORKING THAT PICTURE UP HIMSELF BECAUSE SHORTLY AFTER THAT

PAGE 2 OF 3 TO : STEPHENS CO. SHERIFF'S OFFICE
ST. CLOUD, MIN.

#2.

P.S. AS A LT. FOR THE SECURITY CO. I USED TO WORK UP CLASSES TO TEACH THE OTHER PATROLMEN, ONE OF THOSE SESSIONS WAS "WHAT TO LOOK FOR IN A DESCRIPTION" I DON'T REALLY WANT TO TANGLE WITH HIM, I'M A SIZEABLE FELLOW, AND HIS DARK SIDE SCARES THE HELL OUT OF ME, IT WOULD BE TO MY ADVANTAGE FOR HIM TO BUST IN MY HOUSE AT NIGHT, EXCEPT I GET EXTREMELY TIRED BETWEEN 1-4 A.M., AND I KNOW THAT'S THE IDEAL TIME.

VICTOR CAME UP TO ME ONE DAY ALL CONCERNED ABOUT FRANK ASKING ME IF I'VE SEEN HIM, THAT HE WAS WORRIED ABOUT HIM BECAUSE FRANK WASN'T HOME, AND SAID HE NEVER PARKS HIS CAR THE WAY IT WAS PARKED - SOMETHING YOU MIGHT WANT TO CHECK ON - WHERE'S FRANK TAFOYA SIOUX CO. SHERIFF, I ASKED ANOTHER FRIEND JUST YESTERDAY THAT USED TO SEE FRANK OFTEN, AND SAID HE HADN'T SEEN HIM FOR A LONG LONG TIME.

I THINK HE HAS A STRONG POTENTIAL FOR BEING A SERIAL KILLER, AND I DO HOPE THAT YOU TAKE THIS SERIOUSLY, THE ONLY WAY YOU WILL PROBABLY KNOW IS TO HYPNOTIZE HIM, HE'S A SMART MAN, AND KNOWS HOW TO MANIPULATE HIS WAY AROUND THINGS.

I'VE BEEN SITTING UP AT NIGHT WITH MY 12 GAUGE SINGLE SHOT, BECAUSE KNOWING HIM, IT WOULDN'T SURPRISE ME IF HE THOUGHT I KNEW SOMETHING, THAT HE'D COME FLYING THROUGH THE DOOR IN THE MIDDLE OF THE NIGHT, AND I REALLY DON'T WANT TO KILL HIM, OR HAVE TO GO THROUGH MESSING WITH HIM, HE'S PROBABLY GOT A LOT OF INFO THAT WOULD BE VALUABLE, CONCERNING JACOB, ETC.. IF HE'S DEAD NO ONE WILL KNOW.

JUST TO LET YOU KNOW THAT I NOT AN OFF THE WALL WIERDO, I THOUGHT I'D LET YOU KNOW SOME ABOUT ME, DONE ALL KINDS OF WORK, AND DONE WELL ALSO AT ANYTHING I DO. I HAVE LOTS OF GOOD REFERENCES, YOU MAY REVIEW IF YOU WISH, I'VE DONE SALES WORK IN THE PAST, & WAS ONE OF THE BEST, I ALSO WAS A LT. FOR A SECURITY COMPANY BEING PROMOTED 5 TIMES WITHIN A LITTLE OVER A YEAR.

HERE'S THE # TO A GOOD FRIEND, WHO'S LAND I'M LIVING ON NOW, HIS NAME IS

P.S. - IN CASE YOU'RE WONDERING WHY I DON'T LET THE SCLARK CO. SHERIFFS
OFFICE KNOW ABOUT THIS, IT'S FOR 2 REASONS, 1 - I THINK HE'S THE GUY DIRECTLY
INVOLVED WITH YOUR CASE, & 2 - THEY'RE NOT VERY PROFESSIONAL, THERE'S A LOT OF
NEPOTISM IN N.M. AND FAMILY & FRIENDS GET POSITIONS THEY'RE REAL NOT
QUALIFIED FOR, I THINK HE'D BE ABLE TO SNAKE HIS WAY OUT OF IT, AND DISAPPEAR
THEN.

DIFFERENT KINDS OF SALES WORK, HE'S SUCCESSFUL, & USED.

PRETTY SURE THAT'S HIS #, I HAVEN'T
CALLED IT FOR AWHILE, BUT IF YOU WANT TO VERIFY THAT
I'M AN HONEST PERSON, HE'D GIVE A GOOD REFERENCE.

HERE'S A MAP ALSO TO MY PLACE SINCE
WE'RE LIVING LIKE PIONEERS OUT HERE, NO E.C., OR PHONE,
I HOPE YOU MOVE SWIFTLY, AND PLEASE HAVE SOMEBODY
INFORM ME IF YOU'VE PICKED HIM UP.

NORTH

THOUGHT I'D FOLLOW UP THAT FRANK
TAFOLT MAY BE LIVING IN SOCORRO, COULDN'T GET
AN IDEA FROM THE DOPE HEAD I WAS SPEAKING WITH
AS TO LAST DATE HE SAW HIM.

I HOPE YOU CHECK VICTOR OUT, THE
REFERENCES HE MADE TOWARDS 11 YR'S OLD I CAN'T
REMEMBER WHAT THEY WERE, BUT THEY HAD NO BEARING
ON ANYTHING WE WERE TALKING ABOUT.

GOOD LUCK, I HOPE HE'S YOUR GUY,
AND IT'S ALL OVER SOON.

RE: Our ICR/91001308

Dear Sir or Madam:

Enclosed you will find a police report in regards to our contact with Leroy Lawrence Nelson, DOB/09-16-55. The reason I am forwarding this information to you is because it was called to our attention by one of our citizens that this man resembles your composite in regards to the Wetterling case. I did talk to Leroy Nelson personally and have to admit there are some similarities in regards to your sketch. He is somewhat strange, and when I questioned him and finally did tell him why I was questioning him as far as who he is and where he lives, he was unmoved by it. He didn't seem shocked, he didn't protest, and he just kind of stared at us.

I don't know this individual, but he does live in Esko, Minnesota, which is a community just adjacent to us. We did talk to him in the apartment of a John Dorn, which is in the Solem Hotel, which is a "flop-house" hotel where our street people live.

I am not sure if this goes anyplace, but I thought I probably should pass the information on to you for your screening.

If you have any questions, please feel free to contact me.

Very truly yours,

Dennis J. Randelin, Sgt.

Douglas Pierce
Chief Deputy of Stearns Cty
St. Joseph, Mn

Dear Mr. Pierce:

I have a niece who is teaching in the school that Jacob Wetterling was attending. From all the heartaches of teachers and pupils I have taken a lot of interest in this case. Just as I was looking^{ing} something in my Atlas I ran across a section about the Religions Of The World. Amongst them I found the word braham and if I remember correctly that is the religion that was associated with Mr. Wetterling. I feel a bit guilty about sending this article but it seems that we have to try to find a way for them. Perhaps Mrs. Wetterling has not been informed how this religion is and perhaps it is even cruel of me to even think of this as being any connection to the case. Any way, I will mail it as it is and whatever you will do with it will be the right thing.

Brahmanism is the major religion of India. It is also called Hinduism, and its followers are called Hindus. The absolute, all pervading Power of the Hindus is braham and its three aspects, each of which is regarded as a god: Braham, the Creator, Vishnu, the Preserver, and Siva, the Destroyer. Final union of the soul with braham is believed to be the goal of all life; to achieve this, the soul must be reborn of all sin and have attained purity from sin, and each soul must be reborn many times in many bodies before this state is reached.

On second thought after reading the newspaper article again I think as Mrs. Wetterling is saying that someone should come forward. She cannot keep on living this way for ever; but not to come from me.

Sincerely,

Florance Johnson

#91006293 - Dep. Clemens

Date/Time Occurred: 5/5/91 - 0815 hrs.

Date/Time Report Made: 5/5/91 - 1259 hrs.

Received a call of found property at the HOULE residence and to contact the complainant about a note he had found in a balloon. I went to the residence and spoke with MR. HOULE and his wife.

This morning they looked out the front window that faces the Lake and a pink balloon with a pink ribbon was tied onto it, and there was a note on the bottom of the balloon. The note was folded up three times and all you could see was - help, part of a phone number and call a number - you could read through the transparencies of the three papers.

I took the paper to the Forest Lake P.D., and asked MR. HOULE to hold the balloon. I unfolded the paper and it said, help, please call 464-5060, and it was JACOB WETTERLING, help me.

I checked the Kohl's Directory and this phone number checked out to DONALD L. GRIMES residence, 8440 North Shore Trail. Also listed in the Kohl's was KIM R. GRIMES. Forest Lake P.D. did have KIM RICHARD GRIMES, DOB: 2/7/55 in their computer; this was in regard to a traffic accident.

Dispatch did run QDP'S on KIM RICHARD GRIMES. DONALD LEON GRIMES, DOB: 10/16/23 and found out there was a DOROTHY LOUISE GRIMES, DOB: 2/15/29 also lived there. QDP'S came back clear on all subjects.

I did go to the GRIMES residence and at this time, met JEANNIE MARIE GRIMES, DOB: 11/13/59; there was another old lady there in the living room and I assumed it was DOROTHY GRIMES, the grandmother. I did not check her identification. (There were several children there also)

I asked JEANNIE GRIMES if I could speak with her in another room. I had taken the paper that I had found and I had put it into a manila folder. I showed this to her, and she said, oh, my God and she started shaking. She thought it was a very sick joke; they had no knowledge of anything about it.

Her husband then came into the room and he also read the note. The three children and one was MICHAEL LEON GRIMES, DOB: 4/1/80. When MRS. GRIMES saw the note, she said it was not her son's printing/writing. The father, KIM, asked the boy if he had any knowledge of this note; he denied having any knowledge of the note. I asked him later on, if he knew anything about it, and he stated, no.

I asked if there had been any birthday parties, or any parties where the balloons had been - he states he was a birthday party about a week ago, down on the shore, but there were no balloons at the party. The other children, KIM MARIE GRIMES, DOB: 4/16/86, (does not go to school) and neither does SAMANTHA LEE GRIMES, DOB: 3/22/87.

I had been at this residence on a call of a suspicious person. There was a suspicious vehicle parked down on the access. (I believe on that call, the vehicle was gone).

I made a property receipt for the note, which put in an envelope. (See

Dear

What does one say when inadvertent eye contact or a simple "Hi" offends. It is not you that I wish to change or take issue with; it is the unwanted state of being the cause of your discomfort, offense or unhappiness that I seek to shed. I ask you to consider these thoughts and words of the good Ralph Waldo Emerson before you read on:

Little think, in the field, you red-cloaked clown
Of thee from the hilltop looking down;
The kisher that lows in the upland farm,
Far-heard, lows not thine ear to charm;
The sexton, tolling his bell at noon,
Seems not that great Napoleon
Stops his course, and lists with delight,
While his fides sweep round ~~you~~ Alpine height;
Not knowest thou what argument
The life to thy neighbor's creed has lent.

I pride myself on being a master of debate, a skillful wordsmith, a reasonable and honest man and yet I'm fearful these words will leave my pen with the best of intentions, kindness, consideration and attempted appeasement only to trip and tumble until the smooth edges enter your mind with sharp, cutting misunderstanding. Nevertheless, your reaction to me is causing me pain and of more significance my reaction and actions toward you caused you equal or more pain. I apologize. I beg forgiveness. I ask for mercy. I offer this plea for understanding.

"What can one do to alleviate such tragic sorrow?" or some such thing King Arthur asked of the wizard Merlin in the garden of Camelot. The only treatment for sorrow is knowledge was the unequivocal answer.

This is the knowledge I'm relying upon. Don't be angry if I'm wrong, kindly help me to understand.

When first I sat next to you, you were so quiet I hardly knew you were there. When we finally spoke I was overcome with your guileless innocence and gentility much as one is with the sweetness of the unblemished spirit of a child. It was soon apparent that whenever our eyes met a ready and radiant smile emanated from your face which obliterated all the ugliness of the world and left life a bright and shiny place. It didn't take much observation to learn that that smile is exact & spontaneously to eye contact from any quarter. Such natural beauty and charm is extremely rare in the real world and I park my car in busy traffic and affront perfect strangers if I find them interesting so I couldn't have been expected to ignore you.

The problem with good things in life is the vacuum they leave when they are not present. The radiance of your smile is such that its absence gives you a melancholy look. When your finances or your job get a little depressing the look becomes so mournful it's heart wrenching.

That evaluation led to my resolve to do some little thing each day if possible and each week at the least which would add a bit of cheer to your life at Fingert.

After a time I sensed a change in your attitude and I thought maybe someone had teased you about the old geezer having a crush on you.

My approach to every problem is to first seek the truth and then deal with it. Whenever a man and a beautiful woman interact an honest examination of motives must consider the possibility of sexual attraction. It was the examination of that possibility which gave birth ~~to~~ the poem "The Old & The Fair." I think the poem makes an important statement to the world that men and women of varying ages can have deep, meaningful and rewarding friendships without sexual connotations. They can be platonic, mature, sharing and ^{have} what one might call a decorum of romantic professionalism. I will not deny that you are a most attractive young woman and if my age and status in life was comparable to yours my attitude would be entirely different. As it is any fantasy or speculation on such motives is nothing more than adolescent non-sense.

"If not romantic or sexual what was my attraction to you?" I had to ask myself next. Besides your physical attributes and charming personality I found you have a feisty and stimulating mind. That is when I decided an attempt at a full-fledged friendship was worthwhile. In that vein I gave you my most valuable treasure, some of my writing. Few people realize how personal, private and violating it can be for a writer to commit his innermost thoughts and feelings to another's judgement. It really makes one vulnerable as does an unsolicited offer of love or friendship.

As a recipient of a personally prepared sampling of my literary babblings you have joined the ranks of my children; a few lifelong friends; some local intellectual associates. The late renowned philosopher Sidney Hook who for years was a pen pal of mine as well as a member of the Hoover Institute at Stanford University; Ray Bradbury, one of this century's most distinguished writers and founder, producer of the Bradbury Theater seen on cable T.V.; Margaret Farley, professor of ethics at Yale School of Theology and Sara Chernick, professor of philosophy at St. Mary's college and editor of a national publication.

The above have all been kind enough to comment on my writings as well as carry on personal communications on varying aspects of life over the years. I value their opinions no more than I would yours.

Maybe the terminology of my letter, "a token of my affection" was ill-chosen. I read so much history and classic philosophy and literature that I sometimes forget broad interpretations and connotations may not be contemporary.

I believe this is about the point at which you rejected my offer of serious friendship with the surmise that this was beyond a workplace relationship. I humbly accept your decision.

What then do I want from you?

I would like to return to a position of an acceptable co-worker if that is possible. I would like to be the recipient of that spontaneous smile when eye contact is made and I would like to make eye contact spontaneously, not

intentionally avoid it.) I would like the same privileges others have of greetings and acknowledgements. I would like to be able to tell you how nice you look when the impulse motivates me. I would like not to be afraid of offending you just by talking to you. I would like not to make you uncomfortable.

I don't want to be a pest but I feel self-conscious now when we work together and I sense that you do to. I take full responsibility for causing that and I beg your pardon. Together we can stop it. Please.

Bob Haugl

P.S. Yes, now I think I do need just a little attention from you to be happy.

When I gave you an innocuous note just asking if being polite was an offense you ran to the management and reported me for doing what everyone does. What if I report you every time you pass a note and insinuate that you are being promiscuous to the point of disturbing me?

You cannot imagine the embarrassment of having to sit and let Larry Parsons explain to me the seriousness of harassing young girls in the style of intimidation that only Fingerhut management can employ. "It's good that you've admitted it, Bob, and that will be considered as we review the complaint," he said. Then he sneered as he said, "You're a nice guy."

And what did I do? I worried about you. If you were that upset would my letter, which was already in the mail, cause you more trauma. And when I wish to express my concern I get a flippant, "I'm on break. I don't want to talk about it."

I'll give you this, you sure know how to hurt a guy.

I'm enclosing a draft of an article which expresses some of the thoughts I've had on the social dilemma which causes problems like this. If you really want to understand please read it. Also read "Shards Of Life" in your "Bit 'O Bob" and you'll understand my feelings about your official complaint.

I wish you would call me some morning so we could put this to rest. I don't think work is a good place nor provides the time to iron out all the wrinkles which have accumulated in this situation. That way you can also feel safe and you can hang up the phone if you are unhappy with anything I say.

Bob Danzl

MISSING PERSON: Wetterling, Jacob *UNKNOWN SPELLING*
Missing from St. Joseph, MN

NARRATIVE

On 102892 at approximately 2012 hours, I responded to the Police Department reference a phone call. Upon my arrival I contacted Saari at the Flying J Restaurant by phone. Saari told me he had information on the missing or abducted child, Jacob. I asked him if he meant Jacob Wetterling as this was the only subject I knew by that name. He said that it was. He went on to tell me that he had informants that had told him Jacob had been seen in San Clemente, California approximately a week ago with an older male. Saari said that his informant had told him he had seen Jacob in a school called Roosevelt Middle School. The person had followed Jacob and the suspect to a trailer court nearby and they had stopped at either Space #13 or Space #113. Saari also told me that Wetterling had been observed in Casper, Wyoming and another location in Wyoming.

I asked Saari how to spell Wetterling's last name as he told me he had a poster indicating the child abduction. He told me on the poster it did not have Jacob's last name so he could not spell it out.

He said it only listed a physical description and this was the last poster he had of the juvenile. He then told me about other abducted children that he knew about that he had gone looking for. He told me that he passes out flyers on these missing children. He told me briefly there was as he described a "King" girl from Texas and a Tanya Moore from Edmonton that he had looked into finding. He also told me of abductions in New York, California, Washington and Oregon. Saari said that once abducted, these juveniles were forced into prostitution and child pornography. I asked him his name and date of birth. I was able to get a Wyoming drivers license for this individual, listed above. I also ran a criminal history and he had contacts in Colorado, Texas and South Dakota. A copy of this criminal history was placed with this report.

I am unsure if this is legitimate information or if Saari is just hearing information and then re-stating it as he learns it from articles and other places. He also told me that he had contacted the Sturgis Police Department and the Sundance Sheriff's Office and let them know this information. I was unable to go to the Flying J to contact him. I did leave a message for him to come into the Police Department and talk to someone in the Detective Division as he possibly had more information to give us. I was unable to locate any flyers for Jacob Wetterling upon looking, however, he was abducted

Hello:

Instead of sending the enclosed to the address of the Jacob Wetterling Foundation in your city because some people use the code name for "jew" I thought it maybe better to send the information about the suspected whereabouts of some missing children to you instead. In case of after reading the enclosed material you might brand me anti-semitic. I suggest you read the book "The Thirteenth Tribe" by Arthur Koestler depicting the history (genealogy) of the Khazars who adopted the religion of the Pharisees by order of their King and henceforth were called "jew". A Jew is from the tribe of Judah and is a descendant of them. The Khazars are descendants of Japheth and therefore are phony Jews since a Jew is born to the purple not by adoption which made Sammy Davis Jr. not a Jew. Henry Kissinger is a famous non Jew masquerading as a Jew for he is a Chazar from Russia the home of the ancient Chazar Kingdom. The God of these Jew (non Jew) is not God the one almighty, but Molech and are consequently anti-christ therefore anti-Christian and anti-gentile. These "Jews" intend to eliminate you if you're not tall, blond and beautiful and ready to be a phony Jew and this includes all phony and real Jews.

"Mr. Kol declared that some of the youngsters who did not know they were Jews, until brought to Israel by the child rescue movement (Jewish Utopian movement - mine), suffered psychological shock (especially if stolen from a Catholic family or other religious backgrounds - mine). For those who cannot cope with this shock, the youth Aliyah movement leaders continued, individualized attention (brainwashing - mine), is provided in youth Aliyah (brainwashing, mind control - mine) centers.

Who are these children? An investigation, a discrete investigation because if they get wind of it or close to the truth the Jews wouldn't hesitate to kill all the children involved and everybody connected with it, should be launched to find out who these children are [ref. 2, p. 19, Phoenix Libr. 9/29/92]

The Jews want to control the world i.e. the Israelites phony Israelites or Zionists by having only Zionists in it thus a safe place for Jews. All people not embracing the new plan i.e. not blond and beautiful will be terminated - Zionists Jew and Gentile i.e. non blonds.

Hitler was a Zionist Jew. His grandmother was seduced by a male Frankfurter and this family paid support for the male offspring of this seduction until he was 14. This was Hitler's father. [ref. 3 Hitler World War II: Strange and Fascinating Facts]. It was Hitler's plan to have an all Aryan race (Jewish race) and he started with the drip of the Jewish religion for two reasons (1) ~~to~~ to upgrade the Jew (2) to get a place for the start of the super Jewish race - Israel a home for the poor persecuted race.

This leads to the question of what is a Jew? A Jew is a descendant of them from Abraham who was white

which are also Arabs. Most of the non-Jewish Jews are from the Khazars whose ruler adopted the Jewish religion because he wanted complete control of his people. Of the three major religions which he sent envoys to the Jewish religion had the most control and still does [ref. 4 p. 25, 9/29/92 The Phoenix Liberator].

So one world government is to be a world of Klondike Jews and Israel (home of phony Israelites) with Jerusalem as their capital. So even if you are Jewish but not Klondike you're in deep trouble see [ref. 5 titled p. 19]. You may not expect much help from the U.S. Gov. since it is Jewish controlled as all major western governments and through Communism most of the rest of the world. Communism is a Jewish concept. The Israel state owns most everything. The recent Gulf war was to protect Israel from Iraq because Israel could not knock out Iraq so Israel got the U.S. to do it and to warn all Arabs that if they take on Israel they will also take on Big Brother - the U.S. of Israel. What is the most powerful and the only lobby really in Congress - the Jewish lobby. The Jews control through Rothschild backed organizations - C.I.R., Trilateralists, Bilderbergers and Rhodes scholars (parliament appoints Rhodes scholars and Clinton is one thus the U.S. will have a president who is a British agent) all the world except me.

So if you really want to find those missing children start to look in Israel in the Alt Aliyah train washing centers and in the Aliyah movement itself.

Shalom,
Robert O'Connor

and Gentile alike that the "Jews" in Israel are phony and it 'Israel' is the home of the new world order or the Ultimate World Order and the U.S. Gov. is protecting and promoting this New World Order (Bush's new world order). The "Jews" created communism to control the world then the P.P.P. U.N. which they first got to recognize Israel, they have now abandoned Communism for the new world order. The Gulf War was to protect this New World order by warning the Arab World of what would happen to them if they decided on an all out attack on Israel because the Arabs (descendants of them also) don't want to be Jews and since most of them are not hard resist Israel.

① Sincerely,
Robert O'Connor

Hello;

I understand you are looking for some missing children. I have an idea where you might find a lot of them - at least a strong suspicion as to the whereabouts of those who are blonde (both male and female) and of the Nordic race. I believe those who fall into that category have been abducted by Israeli agents to Israel to upgrade the Jewish race and religion in order to form a Jewish Utopia. The Jewish Leadership plan "To Breed Tall, Handsome Race". They plan to up-breed and out-breed their race or tribe into one quite different from the present Jewish strain. Which means even the Jewish Leadership will be out-breeded because they are not blonde, tall and beautiful which means they are anti-sef, unconscious and unaware of what they are doing - which is suicidal. [ref. 1 - The Phoenix Liberator p. 17-18 9/29/92]

"Whence comes the 'Blonde Hood' in Israel of this generation? A brief item in the California Jewish Voice of June 28, 1957, may be related to this question."

TEL AVIV (JTA) (for Jewish Telegraph Agency)... Many children and teen-agers brought to Israel recently have developed deep personal problems as a result of the sudden awareness that they are Jews, Moshe Kold, head of the Youth Aliyah movement reported here.

a Mercedes was called up and we were driven back to our hotel to prepare the written proposal. We worked on it for several hours, the text being entirely my friend's work with only a few minor suggestions from me. Then our hotel owner's son, who was still having trouble with his English, worked far into the night typing it out on his IBM computer. By 9AM on Monday the 14th, the written Proposal, signed by my companion and me, was put into Mr. Siraj's hands. He complimented us on the Proposal and told us he was behind us all the way. We then knew that both **Desert Shield and the New World Order** and our **Project Sheba Proposal** would be passed up to the King for his immediate attention. We were instructed to return to our hotel, again in a fine Mercedes, and wait to be notified of the time slot that was being arranged for us that afternoon. When we arrived back at our hotel, after lunch downtown, the message was that the King had to leave suddenly to talk to the President of Egypt. This was a first for a long time, as these men had not spoken since Egypt had sided with the Zionists and the so-called Allies against Iraq. Well, so much for the 14th. One more day, and if Saddam is still in Kuwait, war was to begin.

As it happens, the fragmentary remains of the ancient City of Babylon, are just a few miles south of Baghdad, the present capital of Iraq. This has led our Christian brethren to associate the policies of ancient Babylon with the policies of Saddam Hussein. So-called Christian bookstores, most of which are now the major Zionist propaganda outlets, sell a host of books suggesting this connection, and their scholarship is sadly lacking. As any good cultural anthropologist will quickly tell you, when ancient Babylon "fell" as a major power in the area, the majority of the people were not killed, but were driven out of what is now Iraq through the very mountain passes through which the Kurds are fleeing today. These people took with them their book of philosophy and religion known as the Babylonian Talmud. At the time they were

not "Jews" but later, as pointed out clearly by Arthur Koestler in his classic Jewish work on this Khazar Empire, **THE THIRTEENTH TRIBE**, adopted the religion of the Pharisees by Order of their King, and were henceforth called "Jews".

Driven further north by wars with the Turks and the Huns, they found sanctuary in central Russia and eastern Europe. Calling themselves "Ashkenazi", they properly identified with their forefather Japheth, not Shem. You may want to reread, *as if for the first time*, the first part of Genesis 10. Today, these descendants of Babylon have almost come full circle, and now occupy Palestine, calling it, for deceptive purposes, "Israel". So now we have Babylon calling itself Israel, and claiming the land and actually trying to identify with Father Abraham! America's whole foreign policy, not to mention most of its religious doctrine, is based on that one gigantic lie. Is it any wonder that whole Middle East is in constant conflict?

Once Babylon's wicked Edomite people were driven north from the area now known as Iraq, who was left? Remember, Babylon had taken Israel captive, and with the captors gone, mostly Israel was left. Christian Americans never suspect what is obvious to anyone who speaks the Aramaic or Arabic languages, for Iraq, pronounced **AAREQ**, means the people "most deeply rooted in his father Shem." There, in the northern area of "the people most deeply rooted in his father Shem" [Iraq], is the ancient city of Nineveh where Jonah was sent to preach his eight word sermon! Bordering these Iraqi people to the south in Arabia were found then, and still found today, the sons of Joktan, the other sons of Shem from whence came the Shemitic Queen of the South. To the west of these "people deeply rooted in their father Shem" [Iraq] is Syria, where Antioch is located. Antioch is not a desert, but looks very much like the mountains of Switzerland or Scotland. Most of the world's Christians can trace their roots to either Antioch or from the "people most

American lawyer and foreign affairs expert in the U.S. State Department. "Hit 'em where they ain't"

Phrase epitomizing General Douglas MacArthur's strategy of attacking only lightly defended or nondefended territories behind Japanese lines, leaving the well-fortified posts to wither away due to lack of supplies. The U.S. suffered more casualties in the Battle of the Bulge in Europe than MacArthur suffered in the entire Pacific campaign.

"Hit hard, hit fast, hit often"

Admiral William F. "Bull" Halsey's battle cry during World War II.

Hitler, Adolf (1889-1945)

German dictator. He was actually not a German but was born and raised in Austria. Hitler's father was illegitimate and probably half-Jewish, having been conceived while Hitler's grandmother worked as a maid for a Jewish family, the Frankenbergers, who paid support for the son until he was fourteen years old. When the

World War II: Strange and Fascinating Facts

Germans annexed Austria, Hitler had the area of his father's birthplace, Dollersheim, and the grave of his grandmother, designated a tank-training ground, thus destroying all evidence forever. Although Hitler's later career revolved around his hatred of Jews, his earlier life was full of acquaintances who were Jews. His father's parentage probably made Hitler one-quarter Jewish. His mother's doctor, who treated her until she died on December 21, 1907, was Jewish. Hitler received his First Class Iron Cross in World War I from a Jew, First Lieutenant Hugo Gutmann. He borrowed his psychology of the masses from Sigmund Freud, a Jew. Eva Braun, his mistress, was saved after her second suicide attempt by a Jewish doctor, Martin Marx; his vegetarian cook, Marlene von Exner, was part Jewish. And finally, one of Hitler's Allies in the war, Francisco Franco, was half-Jewish, a fact carefully hidden from him by Hitler's advisers.

Although Hitler's name is synonymous with Nazism, if you consider the name of the party, Hitler was not a Nazi in the true sense of the word. The term stood for NSDAP, National Socialist German Workers' Party. Hitler was not a nationalist; his willful destruction of Germany toward the end of war proves this. He was not a Socialist, as he killed off the Socialists of the Party during the Roehm purge in 1934. He was born in Austria therefore he was not German, and he never was a member of the working class.

Hitler was selected by *Time* Magazine as the Man of the Year for 1938 (the criteria was "news impact not moral worth"). The 1941 *Who's Who* listed his phone number as #11 6191 and his mailing address as Wilhelmstrasse 77, Berlin W. 8 or at Ober Salzburg, Berchtesgaden, Bavaria. Hitler committed suicide on April 30, 1945, and was officially declared dead by a German court in Bonn, October 25, 1956.

Info on Cop: The last information she had on how to contact David Cox was that he was driving for Bekins Van Lines out of Providence in South Chicago. He leaves his truck out of Tulsa, Ok. He drives a gray and white Peterbilt conventional. He is 45-50 yoa. He is an ex-con and he is trusted to be reliable by the informant. She would like David Cox to contact her by driving the old outlaw route down bottom from the Big Apple to bikini to Shaky, don't be a slow-poke. Her husband is dead and out in the desert. She said he would know what this means.

She also stated that 5 - 20,000 ton shipments (100,000 tons total) of cocaine would be coming in soon to the port of San Francisco. Hostage children would be put on the ships in exchange for the drugs.

She also wanted a message put in America's Most Wanted on Dec. 4 as follows "Rhonda, we are really sorry to hear about the loss of your child and help is on the way from your Uncle Charlie. Please be on the lookout for Uncle Charlie. He will be looking to meet you soon. "

Wetterling Family Hi

It's me Mike child's again

Just thought I would drop you a line
I got my two shirts and hat with Jacob's Hope
on it I really like them, every where I go
I wear them and people ask about Jacob's Hope
and I tell them what it is and mean's and what they
can do to help I show them Jacob's picture on
the Reward poster which I carry ^{on} with me and most
people are allways nice about offering to help
I've given a few of Jacob's poster to a ^{coop} friend of
mine I told him about Jacob and that Jacob
is my very best friend in the whole world ^{which I tell everyone}
And he said yes I'll help, Jim owns a big business
and has a lot of people come in all the time ^{from all over the place}
I've all so have taken Jacob's Hope posters to Roller skating
in ~~the~~ Mall's I'm all so sending some two a hand full
of Magazine's and I hope to hear back from them soon.
I'm going on a 4 day vacation starting this Friday and I plan on
going out a some more poster's,
- seems every time I go some place I see some one
who looks something like Jacob and I allways
arch till I find out if it is or not so far no
I'll never give up.
He people ask me why I spend so much time
King for Jacob and I ^{and brother's} tell them because I have spent
much time looking for Jacob it's ^{as if} we really
each other's very best friend that and that
was kidnapped when I was younger so I have →

I have a Cousin

an idea what JACOB is going thru
But of course I wanna try and find any missing person
if possible.

I know a little boy who just turned 8 that lives
down where my one friend Steve lives about a hundred
and 40 miles from here. ^{the boy} he comes from a poor family
what money they do get they spend on themselves the boys
dad and mom spend most their money at bars
anyway I felt real bad for him and went out
and got some food he says they only eat once a day
so I got some food and left it at Steve's who's
the top guy at the army place there so when the boy
Alan goes there he could eat I all so saw he
did not have any shoes ~~so~~ so I bought him
a pair and got him a coat for the winter as he
did not have one.

I can't see how any one can be so mean to a child

11/13/92

Dear Wetterlings,

I called Information to get either your phone number or address, but found you are unlisted - which I can fully understand. Therefore, I am writing you concerning Jacob.

My daughter (who lives in Burnsville) and I have always felt a deep sadness for all of you, and reading recently that this was your 3rd anniversary without Jacob is what prompted this letter.

In the last year or so, both of us have reported leads to the authorities. My daughter did when she was on her way here for a visit and encountered a van driven by a man who resembled the abductor's description & acted suspiciously on the highway.

Then, last Christmastime, I reported a person who resembled the description - who was in my daughter's church choir (which she directed) and resigned from the

choir right about the time of the abduction.
Nothing came of either reporting.

Now, as to the main purpose of this letter. But, first, I want to assure you that I am a reputable, well-respected person.

I am 65 years old, semi-retired from my own real estate business & teaching at the technical college in Eau Claire. I was a president of the Eau Claire - Chippewa Board of Realtors & a former church organist.

I would hope that you would have tried the route of hiring a psychic in your search for Jacob. I am not a psychic, but have had some personal experiences that lead up to my writing you.

Beginning in my teens, I have had dreams about my family that have come true - all about males in the family, not females. I now forewarn them after having a dream.

Almost a month ^(10/13/92) ago, I had a very strong dream about Jacob, which woke me up so I wrote it all down so as not to forget. You may feel this is all foolishness, but after being undecided about writing you, I finally decided that I must.

The very clear details are on the next page.

1. Jacob is near Ely, Minnesota,
2. The road, Coon Lake Rd., is north of Ely - winding road.
3. The location is deserted and wooded.
4. The house has the appearance of a cottage.
5. There is no mailbox at the property.
6. The abductor has no phone ⁱⁿhole.
7. The abductor is a stocky ~~man~~ ^{male} in his 50's, short, hair turning gray.
8. He may work at one of the nearby iron mines, or woodcutting. Outdoor work.
9. His name is Charles Woodseiger (or something similar).
10. Jacob is kept locked in a ^{soundproof} basement room. He is listless, ^{solely} ~~alone~~, has given up.
11. Abductor drives truck to work.
Color - gray.
12. Jacob has tried escaping many times. He is not ill, but not healthy from being inside. Has begged to be taken outdoors at nite, but Charles will not.

(over)

I have called Information for the Ely area, and no one by that name is listed.

I got out a map, to figure the shortest, timeliest way to go to Ely from my home. Then, after thinking it over, I have decided that I personally could not do any investigating and that it would be best if I reported to the authorities or you.

This may be a wild goose chase, but I would never forgive myself if I did nothing about this dream. I feel strongly that time is of the essence right now, or Jacob will be gone.

Sincerely and with love to all
of you,

Carlene (Lee) Horne

Incident Nature Assault / Disorderly Conduct	Date 06-15-92	Time 2213 hrs.

At approx. 2213 hrs, while on patrol, I was approached by juvenile, Jason Senogles, at the intersection of 4th Street and Pearson Avenue. Senogles stated that Rudolph Mayerle came out of the Dearing Manor and was attacking kids.

I proceeded to the area and located Mr. Mayerle in front of 220 Third Street, the residence. Rudolph Mayerle was taking issue with about the kids being out and had reportedly chased several of them.

It seems that he caught juvenile female, , who was standing on the sidewalk in front of the John Pecchia residence, 206 Third Street.

stated that she didn't say or do anything to Mr. Mayerle so she didn't run away. stated that Mr. Mayerle grabbed her and pushed her over a picket fence in front of the John Pecchia residence, and then pulled her back over and hit her head against the cement on the sidewalk. (See photos of bruises taken 06-16-92 at 1855 hrs.)

At this time, tried to pull Mayerle off of and Mayerle then grabbed and threw her on the ground.

At this time, ran home to her residence.

Mr. Mayerle was quite irate at this time and I instructed him to go home and I would discuss the matter with him tomorrow. Mr. Mayerle showed me what appeared to be a broken golf club (end missing) and a short piece of conduit approx. two feet long and stated that one of the kids threw it at him. I recovered those items from him as evidence.

At this time, I proceeded to the P.D. Office with approx. twelve of the juveniles involved to gather information. Minutes later, Keewatin P.D. officer John Serago arrived at the Nashwauk P.D. office and assisted me with gathering information.

At approx. 2230 hrs, Jason Senogles and Darin Genol came into the P.D. office to report that Rudolph Mayerle had punched juvenile, , in the face on the 100 block of Third Street.

(Sitting in the squad car parked in front of the Nashwauk City Hall. Persons in the squad car were Chief Irish and Officer Paul Vraa. Had tape recorder in the squad and began recording when Rudolph Mayerle approached.)

...And then I'm gonna say about Paul ah, recommending that I be psychoanalyzed and I'm gonna see if I can get rid of you two. Cause you're threats to me while you're here. I was born here, not you two bums. Now I'm staying here and you're getting out. And I'm gonna see the City Council too. Cause you're here, all we see you as a threat. You have to go. You have to go. At approx. 12:10pm Rudolph Mayerle called again and said that he was going to get me and that I have no proof and once again that I am a dumb asshole. I recorded this call, will also accompany report.

Rudolph Mayerle told me in person while he was at the Police Station, that he is going to do physical harm to because of what he did to him and also to a lot of other kids because the cops won't.

I tried talking to Mr. Mayerle about why he can not take the law into his own hands, he would not listen to any reasoning from me and it is my opinion that Rudolph Mayerle can become very violent and do harm to others.

Again at approx. 1:13pm while Officer Vras and myself were sitting in the squad car in front of the city hall, Rudolph Mayerle came up to the car and started saying that he has to get rid of the two of us that we are a threat to him. This was also recorded.

The degeneration of justice — ain't that American?

To the Editor:

I've been reading in *Albion, Maine*, since Sept. 2. There are teenage punkers here a plenty, but they haven't bothered me because they don't know me. I didn't have any problems with punkers in Exeter either when I lived there from December to March of '91. Newsmark probably has the most teenage punkers per capita of any burg in the USA!

Incidentally, two of Newsmark's policemen tried the old Soviet Union's ruse of trying to get an alleged international trouble-maker incarcerated in a mental hospital for life. It must have been very shocking to them when I was released from below Laker in only 14 days! To me it's very amusing that those cops tried communist tactics on me! I've also being tried for crimes selectively, while punkers who committed rape, vandalism and assault with a deadly weapon are free as birds. This is what American "justice" has degenerated into. I'll bet the charges because those punkers made self-discriminating statements against them. They cannot stand my fine intellect. That's a given. I, the victim of 14 years of searching by these hypocrits, will emerge triumphant. You can make books on that!

Action Committee opposes hospital property sale

To the Editor:

The Inara Action Committee continues to be concerned with regard to the sale of the property on the hospital campus. With other issues, if they are not decided the way we had hoped, we can make the best of the situation and go forward.

Not so with this issue. Certain events concern us. Our research reveals:

"The week before the vote to sell the property a false rumor was circulated that the Inara Clinic would be joining the Grand Rapids Medical Association.

"The Inara Clinic had delivered a letter to each Inara County Commissioner which 'set the record straight.' The letter stated very clearly, 'We are opposed to the sale of hospital land for the purpose of placing a private clinic

had told me that he had planned to vote the physician from the two major candidates.

"The concerned Commissioner Bob

Commissioner Jay Bradford for their "no" vote. The morning of the county Commissioner Trust had told Action Committee he had been convinced that some physician, Clinic would be joining the Grand Rapids Association. This had been proved false.

"Why did Commissioner Trust complete letter from the Inara Clinic?

"The wonder who convinced the county very last minute, that this false information

"Commissioner Trust has told me he is his source confidential.

"Should a promise of confidentiality be the information is proved false?

"Since Commissioner Trust was, to put it best, the Inara Action Committee most serious action to reconsider this most important matter!

The Inara Action Committee has said in to the editors and we still believe the sale on the hospital campus has never been in the of Inara Medical Center.

To replace the lost hospital property, block, the hospital and county boards have put out to the east of the hospital for a \$144,250.78. Future expenditures for developing and building a parking lot (estimated parking lot is \$600 per space) will be needed in conjunction, the property on the lot which includes two parking lots, was sold.

Grand Rapids Medical Association for only \$114,000. We continue to believe this private clinic on the hospital campus, will increase the cost. Who will pick up the tab? Human Services insurance premiums? Hospital patients?

Yes, these concerns and many other not to worry us. This issue should be reconsidered.

—Sincerely, Shirley Jackson, Inara Action Committee, Chairwoman.

Mayerle requests change of venue

To the Editor:

I'm being sent back to Itasca County at 2 or 3 p.m., Monday, July 6, most likely to face trial on several criminal charges.

Given the long-standing animosity between me and the deputy sheriffs, I believe some of them will hang me and make it appear suicide. They have a well deserved reputation for cruelty. When I was there on June 22, they dragged me to and from court shackled at the ankles by handcuffs attached by about a 15-foot steel chain. I was screaming all the way past many witnesses in the hallways. The cuffs were incredibly tight.

I want a change of venue away from them devotees of the Marquis De Sade and Judge Spellacy who condones torture.

Dear Jacob,

First off I will start writing you a letter but I must find time tonight to write my Jeremy,

I enjoyed the visit I had in St. Joseph, today. I am thank full the time came to do it but not so thank full for the reason, I should know to travel to St. Joseph. I would rather have traveled to your home town, just because I know you, not I know of you.

The visit would have been a lot more worth while if you were there. The town goes on but you are not out of their minds, or prayers.

A side note. I may misspell some words or think faster than I write. Please excuse me for the errors.

I spent from about 09:30 this morn, until 03:30pm driving around the town and out a few roads, taking photos and video tape. Most interesting town.

FIRST OFF, I SHOT APPROXIMATELY 228 PHOTOS
OF THE TOWN AND FIELDS. VIDEO TAPE WISE I
SHOT TWO HOURS WORTH. SOME I SHOT MORE
THAN ONCE JUST TO GET ONE THAT MIGHT BE THE
BEST. YOU PROBABLY ASK YOURSELF WHY? WELL
THERE ARE TWO ANSWERS. THIS PAST SPRING I WAS
WORKING FOR MY COMPANY IN NEW YORK. I DECIDED
TO DRIVE BACK TO MY HOME TOWN, BOONTON, NEW
JERSEY, WITH BOTH CAMERAS IN HAND. I SHOT UP
MY ~~HOM~~ HOME TOWN WHICH I HADN'T SEEN IN
ELEVEN TO THIRTEEN YEARS. SEEING IT BROUGHT CONFUSION
TO ME. THE ~~WARM~~ PARTS OF MY VISIT TO BOONTON
I WILL REMEMBER AND NOW THE MEMORIES ARE MADE
VIVID BY PHOTO. THE SECOND REASON FOR SHOOTING
UP ST. JOSEPH IS FOR YOU AND ME TO EACH HAVE
MEMORIES BY PHOTO OF ST. JOSEPH. MAYBE TODAY
I OVER LOADED MY BRAIN, BUT THE PHOTOS WILL
PROVIDE RECALL.

AS SOON AS I CAN GET THE TAPE DUPLICATED
AND PHOTOS REPRODUCED AND LOGGED. BEFORE
CHRISTMAS I WILL GET THEM OFF TO YOU JACOB.

THERE IS A HOUSE IN THE SOUTHEAST CORNER
OF TOWN, WITH A BANNER AND "JACOB HOPE"

sign on it. I HAVE NO IDEA IF THAT'S YOUR HOME
OR NOT. THERE ARE TWO FRIENDLY DOGS WHO
CAME OUT TO MEET ME. WONDERFUL DOGS, VERY
GLAD TO GET A CHANCE TO PET THEM AND TALK
WITH THEM. ANYWAY I BOUGHT YOU A BLUE
BALLOON TODAY, SO WHEN I GOT TO ST. JOSEPH
I COULD TIGHT TIE IT AT YOUR DOOR AS A HUG.
SO THIS HOUSE WITH THE TWO DOGS AND SIGNS I
ASSUMED WAS YOURS SO I TIED YOUR (BLUE
BALLOON) HUG TO THE CAN. GOD BLESS YOU
JACOB.

I SORT OF SURPRISE MYSELF AT TIMES TOO. I
WALKED THE ROAD FROM KENNEDY ELEM. ALONG THE
FIELD EAST OF THE SCHOOL. I WALKED THE FIELD
WHERE SOCCER IS PLAYED, HOCKEY RINK AND THE
PLAY GROUND. TALKING TO THE WIND AND GOD ABOUT
YOU. FIGURING AT SOME TIME THIS AREA WAS ONE
OF YOURS HANG OUT FOR SPORTS OR PLAY. I DON'T
REMEMBER ALL THAT I SAID. I DID ASK FOR
YOU TO COME BACK TO US OR MAKE IT POSSIBLE.

For our eyes to be opened so we can see
you, get you and return you to your loved ones.

I don't know Jacob. The Holidays must
be real tough on your parents. Here it's
Thanksgiving and soon Christmas. I can't
imagine the pain in ~~the~~ yours and their lives.

When I talked to one of the volunteers
last week or so, to let them know I was
coming.

When I settled down into St. Joseph and
got over the initial input. The town is
pretty interesting. The "JACOB FRIENDS" OFFICE
is as it turns out, is the way it should be.
The trailer in the parking lot too.

The town was a bit busy this morning but
afternoon, it settled down to nothing more.
The city hall and police department
both fit the bill. They are just
as they should be.

You can tell, especially being an out-
sider that the town is sort of tight.
People know each other. Most interesting.
I'm Orlando, FL; San Francisco, FL where I

Live now, it's not that way. People in my Homeowner's Association know some about each other, In Oakland, I think even less. ST. Joseph it feels tighter. ST Joseph is a good place to grow up in.

I would so much rather travel to St. Joseph to see you there. I will have to do that soon. Then we can meet and I will listen to all you have to say. Sorta like with Jeremy and me. Jeremy is 23 this last August 15th. He use to be a neighbor kid, now we are good friends, brothers when we have to be. We get on the phone when the house is quiet and talk. It gets pretty deep too. It's great, some times the brother, the friends or the parent, we both enjoy the bond we have. Some day Jeremy and I will be able to share that with you too.

You know I want to sit down and write

my memories of today out for ya. That would
be a false understanding. I'm afraid.

I said in the beginning, I said I enjoyed
my visit today. Do to time constraints.
And I am flying tonight to Spokane, ~~WA~~
Washington to meet up with a friend I met
through Jeremy. Chris Haylett got married
end of February in Marysville, CA. Well
I have been invited to his sisters wedding
this Saturday. Since tomorrow night is the
dress rehearsal, ⁽³⁰⁾ I wanted to shoot that
too. Jacqueline Haylett is the third
child, Chris is the second, Sandy
the first got married last Christmas.
Hope for the fourth, Carrie will wait, she's
just sixteen. You would fall head over
heels for her. Hay, I do. And she is
toooo young for me. Well like I said,
I'm going to shoot that wedding up.

Chris' I took 320 photos, I hope to
do just as well or better at Jackie's.

AFTER THAT I'M HEADED SUNDAY TO CHICAGO
TO MY AUNT'S FOR THANKSGIVING. A LITTLE OUT
OF TIME, HAY? THIS IS MY MOM'S SISTER.
MY MOM PASSED AWAY IN JUNE OF 1979. I
MISS HER AT TIMES. SEEING GRANDPARENTS
WITH THE KIDS AND GRANDKIDS SOMETIMES HURTS.....

WELL LOOK, I'VE GOT TO CLOSE THIS LETTER OR
IT WON'T FIT INTO THE ~~ENV~~ ENVELOPE ^{SO} (THAT'S BAD).
SO JACOB, EAT YOUR VEGETABLES. BE GOOD. TAKE
CARE OF YOURSELF. "SOMEWHERE OUT THERE, THERE
IS SOME ONE WHO'S WATCHING ON THE SAME BRIGHT STARS
FOR YOU AND SAYING A PRAYER FOR YOU."

GOD BLESS YOU JACOB. WE YOUR FRIENDS
MISS YOU AND SEND OUR HUGS AND LOVE TO YA.

Sincerely
John L. Lingo

P.S. IT 2 DECEMBER, WEDNESDAY. GOT HOME, THINGS
HAVE SETTLED DOWN. I WITH PHOTO COPY AND MAIL THINGS

GA: UM, EXACTLY I CAN'T REMEMBER WITHOUT LOOKING, BUT I AM THINKING LIKE THE 19TH OF AUGUST.

AW: OF LAST AUGUST, THIS SUMMER, LAST SUMMER?

GA: YES

AW: OK TELL ME ABOUT THE BLAZER, WHERE DID YOU SEE IT?

GA: IT WAS COMING OUT OF A DRIVE, I BELIEVE IT WAS THE SECOND STREET UP FROM THE MAIN STREET, FROM THE LIGHTS, FROM THE DEALERSHIP THERE, CAUSE I WAS HEADED BACK INTO MANDAN, AND WHEN I SEEN IT I GOT A FEELING TO I DON'T KNOW, TO TURN AROUND AND LOOK AT IT, AND I COULDN'T SEE THE PEOPLE IN THE CAR, CAUSE THE WINDOWS WERE TINTED, EXCEPT FOR THE DRIVERS SIDE, WELL THE FRONT AND THE BACK WERE TINTED BUT THE WINDOW IN FRONT, UM I COULDN'T SEE THE PEOPLE BUT I DROVE AROUND AND CAME BACK AND WHEN I WAS DOING THAT I GOT A VISION, OR A FLASHBACK OF A DREAM THAT I HAD OF A BLAZER, SITTING IN A GAS STATION FILLING GAS.

AW: DID YOU GET THE LICENSE NUMBER OF THE VEHICLE WHEN YOU SAW IT IN MANDAN?

GA: YES, I DID.

AW: AND WHAT WAS THE LICENSE NUMBER?

GA: UM, FROM WHAT I REMEMBER GIT892, MINNESOTA LICENSE.

AW: MINNESOTA LICENSE, AND WHAT DID YOU DO AFTER YOU GOT THE NUMBER, WHAT DID YOU EVER DO WITH THIS NUMBER?

GA: WELL I WAS AT THAT TIME, WELL FIRST, AFTER I CAME AROUND, THERE WAS A GAS STATION RIGHT THERE AND I REMEMBER THINKING FROM MY DREAMS THAT THAT WAS THE GAS STATION, CAUSE RIGHT BEHIND IT IS THE GOVERNMENT SURPLUS STATION WHERE I HAD SEEN THEM GET OUT AND GO IN THE PLACE AND COME OUT AGAIN, THERE WAS THREE GUYS. AT THAT TIME FROM THE FEELING I HAD IT WAS, UM I DON'T KNOW HOW TO EXPLAIN IT.

AW: DO YOU REMEMBER THAT NUMBER, WHAT WAS IT, GIT892, DO YOU WANT TO RUN THAT, OK, WE WILL RUN THAT NUMBER AND SEE WHAT IT COMES BACK AS, AND THEN WHAT HAPPENED?

GA: I HAD WENT TO THE POLICE STATION THERE IN BISMARCK, WHERE THE DOOR, THEY GOT A CALL IN AND WHEN I WAS THINKING I DIDN'T KNOW WHAT I WAS GOING TO TELL THEM OR TO SAY BECAUSE YOU CAN'T PROVE

ANYTHING UNLESS YOU SEE IT SO, AND I DIDN'T KNOW WHAT THEY WERE GOING TO SAY OR WHAT THEY WERE GOING TO DO SO I JUST LEFT IT.

AW: DID ANYBODY ANSWER THE DOOR OR DID YOU MAKE ANY ATTEMPT TO TALK TO SOMEBODY? AND WERE YOU ALONE AT THAT TIME?

GA: YES,

AW: AND DID YOU GO BACK TO MEDINA AT THAT TIME THEM?

GA: I BELIEVE THAT NIGHT WHEN I GOT BACK I TRIED TO GET AHOLD OF PASTOR EICHHORST, BUT I COULDN'T REACH HIM.

AW: HOW DO YOU KNOW PASTOR EICHHORST?

GA: I DON'T KNOW FOR SOME REASON FOR AWHILE I WAS THINKING OF TALKING TO HIM, I DON'T KNOW WHY, AND THEN I FINALLY TALKED AND MADE AN APPOINTMENT WITH HIM, ONE TIME BEFORE I HAD SEEN THE BLAZER.

AW: THESE DREAMS AND VISIONS PRIOR TO JACOB WETTERLING INCIDENT, DID YOU HAVE THEM BEFORE THIS TOO?

GA: NO

AW: AND THIS IS THE FIRST TIME IT STARTED AT THE TIME JACOB DISAPPEARED.

GA: FROM WHAT I CAN REMEMBER IT WAS A FACE OF SOMEBODY THAT WAS CRYING AND THEIR EYES WERE HALF CLOSED AND THAT IS ALL I CAN REMEMBER OF THAT.

AW: DID YOU TELL ANY ONE ELSE OF THIS LICENSE NUMBER?

GA: NO, I HAVEN'T TOLD

AW: DID SOMEBODY DETERMINE, LOOK THE PLATE UP FOR YOU AND DETERMINE WHO IT WAS REGISTERED TO?

GA: NO, NOBODY HAS TOLD ME YET, EXCEPT TOM HERE EARLIER HAD SAID SOMETHING

AW: DID OFFICER SCHERBENSKE RUN THE PLATE BEFORE?

GA: IT SOUNDS LIKE SOMEBODY DID, CAUSE PASTOR EICHHORST HAD CALLED IT IN TO ST JOSEPH TO THE SHERIFF THERE THAT HE KNOWS, AND HE DIDN'T TELL ME ANYTHING, BUT IT SOUNDS LIKE IT WAS LIKE WITHIN THREE MILES OF ST JOSEPH THERE.

AW: DID YOU EVER REPORT ANY OF THIS TO THE AUTHORITIES AT ST. JOSEPH OR STERNS COUNTY OR THE FBI?

GA: NO, I HAVEN'T DONE NOTHING OTHER THAN NOW.

AW: WE ARE THE FIRST LAW ENFORCEMENT PEOPLE YOU HAVE TALKED TO?

GA: WHEN I HAD SEEN THAT AT THAT TIME I WAS PRETTY SHAKEN UP WHEN I HAD SEEN THE BLAZER.

AW: HAVE YOU SEEN IT SINCE?

GA: NO, THE ONE GUY THAT CAME OUT OF THERE, I AM GETTING A VISION OF HIM, IT WAS A GUY WITH LONG HAIR, AND HE HAD A BEARD, YOU KNOW WHEN YOU LOOK AT PEOPLE THERE IS A LOT OF PEOPLE LIKE THAT, SO I WASN'T THINKING TOO MUCH WHEN I SEEN THIS GUY, IT WAS A DIFFERENT FEELING THAN LOOKING AT ANYBODY ELSE, IT WAS LIKE AS THOUGH, THAT IS THE GUY THAT I WAS SEEING, HE HAD HIS BOOTS, HE HAD HIS PANTS, HE HAD HIS ARMY BOOTS OR SOMETHING ON AND HE HAD THEM STRAPPED.

AW: YOU HAVE NEVER SPOKEN TO YOUR MOTHER OR YOUR DAD ABOUT THESE VISIONS OF THE JACOB WETTERLING CASE, OR THE DREAMS?

GA: NO

AW: WHEN IS THE LAST TIME YOU EVER HAD A DREAM ABOUT JACOB WETTERLING? IS THIS ON YOUR MIND EVERY DAY?

GA: I GUESS YOU COULD SAY SO YES, MOST OF THE TIME WHEN I GET THE VISIONS, I JUST PRAY FOR HIM, I DON'T KNOW, I HAVE BEEN TRYING TO UNDERSTAND IT YET.

AW: YOU ARE CONFUSED AS TO WHY THIS IS HAPPENING? DID PASTOR EICHHORST SUGGEST THAT YOU SEE A COUNSELOR?

GA: YES HE HAS. WELL THE FIRST THING HE SAID WAS TO TALK TO THE POLICE ABOUT IT, CAUSE HE COULDN'T GIVE ME ANY INFORMATION, OTHER THAN THAT HE HASN'T SAID TOO MUCH.

AW: WELL AFTER YOU HAVE TALKED TO US HERE, I THINK YOU SHOULD SEE PASTOR EICHHORST AGAIN, AND AH, YOU KNOW IF NOTHING CHECKS OUT PERHAPS YOU NEED SOME HELP, PERHAPS YOU ARE GETTING TOO OBSESSED WITH THIS. COULD BE DAMAGING TO YOUR WELL BEING. BUT WE ARE GOING TO CHECK THIS OUT AND..

GA: BUT THERE HAS BEEN OTHER THINGS THAT I HAVE KNOWN BEFORE THEY HAVE HAPPENED, OTHER DREAMS IN MY LIFE, DREAMS THAT HAVE HAD AND THINGS HAVE HAPPENED AFTERWARDS, SO THIS IS NOT JUST SOMETHING THAT HAS HAPPENED OUT OF THE BLUE THAT HAS BEEN HAPPENING, I HAVE NOTICED IT HAS BEEN HAPPENING MORE AS I GET OLDER. BUT WHY IT IS.

AW: WELL SEE THAT IS WHAT I ASKED YOU BEFORE, IF YOU HAD HAD ANY KIND OF VISIONS OR DREAMS.

GA: OH, ABOUT ANYTHING ELSE.

AW: YES.

GA: YES I HAVE, THERE WAS A HOUSE OUT HERE ON 281 THAT HAD BURNT DOWN, AND I HAD A DREAM BEFORE THAT HOUSE WAS BURNT DOWN, I WAS STANDING ..

AW: HOW LONG AGO WAS THAT?

GA: THAT WAS WHEN I WORKING, THAT WAS IN 91 I BELIEVE, NO IT WAS IN 90.

AW: THE HOUSE BURNED COMPLETELY?

GA: NO IT WAS JUST A HALF, THEN THEY TORE THE REST OF IT DOWN.

AW: THAT WAS 281 SOUTH?

GA: YES

AW: YES, YEAH YOU ARE RIGHT, THERE WAS A HOUSE, PART OF THE HOUSE STOOD FOR AWHILE, WHAT DID YOU SEE ABOUT THAT FIRE?

GA: I DON'T THINK IT WAS YELLOW, JUST THAT IT WAS BURNING, WASN'T IT A GOLD OR SOMETHING?

AW: YEAH. ANYWAY ONE END STOOD FOR QUITE AWHILE BEFORE THEY PUSHED IT DOWN.

GA: YEAH.

AW: I BELIEVE ONE OF THE POLICE OFFICERS HERE OWNS THAT HOUSE, WHAT DID YOU SEE ABOUT THAT?

GA: THAT WAS JUST IT, THAT IT WAS BURNING.

AW: ANYTHING ELSE THAT, AFTER YOU HAVE HAD THE VISIONS YOU HAVE FOUND AFTERWARDS THAT IT HAPPENED AFTER YOU HAD A DREAM?

GA: WHAT DO YOU MEAN?

AW: ANYTHING ELSE THAT YOU HAD A VISION OF, OR DREAM OF THAT LATER MATERIALIZED?

GA: SEEING PEOPLE AFTER I HAVE HAD THE DREAMS, THAT I HAVEN'T SEEN BEFORE, A PLACE.

AW: DID YOU TALK TO THEM ABOUT IT, HAVE YOU TALKED TO ANYONE ABOUT ANY OF THESE?

GA: NO

AW: DREAMS OR VISIONS?

GA: NO, THERE IS TIMES TO THAT I CAN THINK SOMETHING AND BEING AROUND SOMEBODY, WITHOUT SAYING A WORD, WITHOUT SEEING MY FACE THEY THOUGHT THAT I SPOKE TO THEM.

AW: THAT BLAZER, THE LICENSE NUMBER, DID YOU WRITE THAT DOWN.

GA: YES I DID.

AW: HAVE YOU STILL GOT IT WRITTEN DOWN SOMEWHERE?

GA: YES I DO.

AW: AND WHERE IS THAT THEN?

GA: IT IS IN MY CAR.

AW: WE WILL GO OFF THE TAPE NOW, WHILE MR. ANDRES GOES OUT TO HIS CAR AND ATTEMPTS TO FIND THAT LICENSE NUMBER THAT HE HAD WRITTEN DOWN. OK, WE ARE BACK ON TAPE, GEORGE BROUGHT IN THE LICENSE NUMBER AND THE OFFICER IS GOING TO RUN IT AGAIN. WHAT WAS THE NUMBER, I THINK YOU HAD IT WRONG BEFORE.

GA: I JUST HAD IT REVERSED, IT WAS 892GIT.

AW: GIT892, OK, THE OFFICER WILL RUN THAT NUMBER AND SEE WHAT WE COME UP WITH. WE ARE BACK ON THE TAPE AGAIN AND THE VEHICLE THAT WAS REFERRED TO BY GEORGE ANDRES IS LICENSE NUMBER 892GIT, MINNESOTA PLATE REGISTERED TO RAYMOND DANIEL BERGER OF 22510 MEADOWBROOK AVE. SCANDIA, MINNESOTA. REGISTERED ON A 1984 CHEVROLET AND YOU SAID IT WAS A BLAZER.

GA: A SUBURBAN.

AW: A SUBURBAN, WELL I THINK WE WILL GO OFF THE TAPE NOW AND THIS CONCLUDES OUR INTERVIEW WITH GEORGE ANDRES, REFERENCE JACOB WETTERLING CASE.

Sirs/Ms.

I realize the Jacob Wetterling case is pretty cold at this point but I have heard recently that the FBI is sitting on a suspect in the case but perhaps haven't collected the physical evidence necessary at this time.

I've been following the Wetterling case for a long time now and so this tip is, in my opinion right on the money. Their suspect is a James Kanis, 530 11th ave., New Brighton. (11th ave. NW) He drives a stolen Corvette, is sort of the Kingpin in a pretty swarthy local gang, and had Jacob Wetterling kidnapped by a local stiff in exchange for a bounty. Kanis procures specialty orders like runaways for the homosexual crowd. His brother Rick Kanis is a part of this enterprise.

The homosexuals have been passing JW around for three years here in the twin cities. Until the sixteenth of December he was being held at the home of one Lance White, 2319 Monroe St., Minneapolis. Four homosexuals live at that address. Until White moved him there, he was held in a basement apartment on the SE side near Riverside. One of the people White lives with, Dan (last unknown) has a criminal background..

It remains to be seen whether or not Jacob Wetterling is still alive. They have moved him several times and may have decided to kill him when they were tipped that the FBI is looking into it. In my opinion, any skilled investigator could put the rest of this case together. There is such a jaded view out there that the abductors were somehow beyond the law or couldn't be found. They are just locals who apparently purchased a young boy from a middle man. The actual abductor, while much more professional than your run of the mill gangster in this town, is also quite catchable. I think we all assumed that someone else would take care of this but they get so many leads they virtually stop following up. Someone should do their own PI work in adjunct to other efforts or bring pressure to bear on the investigators to reveal their hand. There is always a chance that Kanis or whichever of them has Jacob could be compelled to give him back to his family in exchange for details in the case.

Hello. Just wrote to pass along AN angle. Jim Kanis drives A Stolen Chevrolet Corvette. Hes about to dump it. Nevertheless the FBI could easily follow up on this, whether he does or not. Sooner or later they have to question these guys. Over

Kanis is Also, I am told contemplating
leaving town. The problem with that
is whenever he goes, he'll set up his
Act and destroy someone else's family
or life in order to make a living. -

Sincerely,

1 Hello Doug PEARSE

1-13

How would you like some good news.

Your Wetzeling investigation has shifted
To the Twin cities, Right within Five houses
From my place I live at. Two strange
coincidents Have happen JAN 2 SATURDAY &
JAN 6 WEDNESDAY. Before, I wanted to say
Anything to you, I WAS going to wait til A 3rd
incident, I'm waiting to happen. Guess who
is out to get me? Who ELSE, KRUEGER,
JACOBS ABDUCTOR.

KRUEGER WAS seen AT the ALLEY
ON DAVERN street Between FORD PKwy + Pinehurst
JAN 2 SATURDAY AT 1 PM. I WAS in my car stopped
in the ALLEY + KRUEGER turned Right ON DAVERN
From Pinehurst + showed down when He SAW
me in ALLEY. KRUEGER WAS (BALD TOP Head, NO

2

CAR this time) AND WAS WAVING BOTH HANDS AT ME PLUS HE POINTED HIS LOWER FRONTAL BODY AT ME. I COULD SEE HIS BLACK PANTS BUT WITH EVERYTHING HAPPENING SO QUICK I DON'T KNOW IF HE WAS SHOWING ME HIS PRIVATES. STUPID, STUPID ME I DIDN'T GET A PLATE NUMBER. I WAS AT THE TIME TRYING TO FLICK MY CIGARETTE & TURNED LEFT THE OTHER WAY, WHEN KRUEGER'S CAR CRAWLED SLOWLY IN FRONT OF MINE. THE CAR WAS A LIKE SHADE OF SOLID BLUE 4 DOOR CHEVROLET CAPRICE OR IMPALA, OLDER MODEL, NO RUST, LARGE SIZE CAR.

JAN 6 WEDNESDAY BETWEEN 6-7 PM OR SO
A REAL DEEP VOICE MAN CALLED MY
SEPARATED WIFE'S PHONE NUMBER 486-9197

3

AND ASKED FOR MIKE. MY WIFE SAID "MIKE
DOESN'T LIVE HERE ANY MORE." CALLER SAID
THANK YOU + HUNG UP.

MY BIRTHDAY WAS FRIDAY + I THOUGHT
AT THIS POINT, KRUEGER MIGHT TRY SOMETHING
ON THE WEEKEND BUT I HAVEN'T SEEN OR HEARD
FROM HIM. I TOLD MY WIFE TO GIVE MY
NEW PHONE NUMBER OUT IF THE MAN CALLED BACK
SO I CAN SEE WHAT HE WANTS. I DON'T
HAVE ANY MEN FRIENDS ESPECIALLY DEEP
VOICE BALD HEADED MEN. I HAVE ONE
NON RELATIVE FRIEND + ITS A 68 YR OLD WOMAN.

"NOW! IT IS TIME TO SHOW YOU WHERE KRUEGER
LIVES, BEFORE HE STRIKES AGAIN."

MAYBE NEXT TIME HE'LL GET A HOLD ^{OF} ME WITH
HIS BARE HANDS WITHOUT ME LOOKING.
over →

4

I Don't want to Be Kidnapped cause
I take 5 Different Medications A DAY
AND CAN'T LIVE WITH OUT THEM

NOW ^{WHAT} Do you think — TRUTH OF
WHERE JACOB IS OR AS YOU SAID LAST
SUMMER (my investigation is DUMB FOUND)
I don't know any thing) + Here say -

Sounds Like A LEAK in the BRAINERD
LAKE/CROSS LAKE/PELICAN LAKE people of
GETTING INFO OF ME.

I only gave info of my name, address, phone
to CROSS LAKE Police, FBI, BCA, + You.

Krueger must have MANY SATURDAY nite Friends

WHAT DO YOU WANT TO DO?
You want to wait til A 3rd incident?
OR Set something up NOW?
WHAT EVER YOUR DECISION IS — I UNDERSTAND.

Caller said that when suspect first arrived, he had with him a blonde-haired, fair complected white male child, age 14, who he claimed was his son. Some time thereafter, this boy was gone and another white male child, age 14, moved in. The suspect claimed that this child was also his son; this child had brown hair and a dark complexion. This second child was similarly replaced some time during the 1991-92 school year by a child known as Jake. Caller said Jake strongly resembles the pictures shown of Jacob Wetterling. The suspect claimed that Jake also was his son. Caller said the suspect could not have been the father of all three boys, as they all looked different, but were about the same age. Caller described the suspect as being very irresponsible, leaving the house's front door open often, neglecting whichever child was living there at the time, staying out overnight. Caller said the child had attended Erwine Junior High School for some portion of the 1991-92 school year.

Caller has never seen child's companions but said they were American Indians. In September, 1989, a man by the name of Donald Kraus moved to Peever, SD. In late October, 1989, he was joined by a woman and a child who fit the description of Jacob. They all moved to a trailer house outside of the Indian reservation in Big Cooley, SC. Caller doesn't know the address of the trailer home but said child is attending school on the reservation. Child looks about 13 years old but Mr. Kraus said child was 16 years old. Child supposedly has a memory problem.

FEBRUARY 26 , 1993

Mr & Mrs Wetterling,

My name is Bruce Condon and I may know where your son is living and has been living since 4 months after his kidnapping at gunpoint. There lives at 1920 Rachel Drive, Lancaster, PA 17601 with Dr & Mrs Richard Burley, as well as their adult daughter, an admitted pedarast, a boy your son's current age, height & weight. He calls himself Ryan Harris. But he is not. I know this because five (5) summers ago another boy calling himself the same name was an 11 year old blue eyed blonde boy. Bright blue eyed and very light blonde. This second Ryan Harris has your son's eye & hair color and yes, face & smile. When he smiles, that is.

I know for a fact that the Burley's never did have a son of their own. I also know for a fact that the Burley's adult daughter has had and continually has sex with Ryan Harris (your son, Jacob?) and other boys in the neighborhood. And I know for a fact they have the sessions videotaped. Oh, I delivered papers to the above address mornings & Sundays. But I delivered afternoon papers in the area, too! I have not gone to the local or state police with this, as they would've told me to mind my own business. I know they would've told me that because this county is homophobic. To them it's alright for a woman to have sex with a boy but not a man! No, I'm not gay or straight. Nor am I a pedarast. I am as-sexual. I can not relate sexually to either sex.

Be that as it may. I suggest you call Manheim Township Police and ask them to connect you with Youth Liason Officer Larry Mathias. The number there is: 1-717-569-6401. I do not know his hours. Do not mention my name or address, as he will want to talk with me (interrogate me, treat me as a prime suspect in the kidnapping of your son when I don't even drive)! I like him as a person, but trust him & the other Nazi like police officials there as far as I can spit. Ask, no, demand he get a whole garage/house search warrant for 1920 Rachel Drive, Lancaster, PA to search for any illegal drugs and pornographic materials such as videotapes depicting the adult daughter of the Burley's and/or other women engaged in sexual relations with Ryan Harris (your son, Jacob?) and/or other neighborhood boys!

* Thank you very, very much! I'll be reading the papers & watching the news to see what happens. If this Ryan Harris is your son I would want the reward money offered. But would want my name & address kept a secret. If my name & address were revealed I would be kidnapped & killed. I'll pay one half the reward money towards your son's deprogramming. That's a fact, Mr & Mrs Wetterling! Again, thank you. I am,

Sincerely,

BRUCE CONDON

Caller initially called to request an age enhanced photo of missing child. Caller stated that he receives many letters from boys and men throughout the world who write to caller. Caller received a letter and photograph of a child that closely resembles missing child. The child said his name was James Wilson and the letter came from Victoria, Australia. In the letter the child stated that he was 15 yrs old, 5'5 tall, 125lbs, and the child added he was gay and interested in having sexual relations with the caller. The caller claimed that he was not a man and not gay (although his voice appeared to be that of a male). Caller also added that he had friends who may have seen the child about 3 weeks after the child was abducted and the child may have been taken to Amsterdam, Holland, by sea. Caller was apprehensive in providing the information and noted that he did not want police involvement, nor does he trust the police.

If provided by caller, law enforcement may obtain caller identity from NCMEC Case Manager RJ at above number or via NLETS/NCIC ORI# VA007019W.

4-8-93 DET NOHNER:

On this date, I received a lead from Chief Deputy Pearce. This lead had apparently been misplaced for quite a period of time, and had originally been sent from the Jacob Wetterling Foundation to the FBI in St. Paul. The lead identifies a possible suspect as a party by the name of Tom. It further indicates that a person by the name of James Benson, may know where Jacob's body is and what day he was murdered. James Benson is said to live in or near Newport, MN. The information called in is anonymous. James Benson would be the son of Sharon Benson. Sharon Benson's boyfriend is Tom, is supposedly the one who abducted and murdered Jacob.

In doing some checking with Newport Police and Washington County Sheriff's Department, I did locate a James Benson, who used to live at 616 East 3rd Street, Hastings, Dakota County. I received a copy of an application for a permit to purchase a handgun in the name of James William Benson Junior, DOB 8-8-70. His prior address is 1340 8th Avenue, Apt. 11, Newport. In running a DL Check, I found that his MN DL had been returned by the state of Georgia on 3-1-93. On Georgia's DL check shows him to be living at 711 Claridge Park Drive, in Morroow, Georgia, 30260. Height is 5'10", weight 160 lbs. With the assistance of Chris Smith of the Clayton County Sheriff's Office in Atlanta, the address was verified to be correct. This would be an apartment complex and Mr. Benson goes by the name of Joe Benson. The managers at this apt. complex are a Patty or Melissa, phone: 961-2550. Information received from Det. Chris Smith, also indicates that one of their

It should be noted for purposes of reporting, that this Sharon Benson was fully identified as Sharon Luella Benson, DOB 9-7-49. She also goes by the last name of Thomas and still has a MN DL which lists to the Newport address, previously mentioned in this report. That DL had expired in 8-14-90. April 12, 1993

Mr. and Mrs. Wetterling
St. Joseph, Minnesota

Dear Mr. and Mrs. Wetterling:

This letter has a very, very small chance of helping you find your son; otherwise, I wouldn't write it. I am sending it through the FBI and a county assistant prosecutor.

When I was arrested as the suspected serial rapist who attacked children on bikes throughout Michigan and Ohio, the FBI visited my wife at home, then me in jail about your son. We were told not to talk to them by our attorney. Nonetheless, we told them I have never been in Minnesota. We have a son Jacob's age, and we can imagine ourselves in your shoes.

My wife again went to the FBI when children were being murdered to cover up for their arresting me for someone else's attacks. She was exactly right in all her statements. She told them for six months, and they ignored her. The FBI told her the kids were runaways. Diane told them the most recent case involving Amanda Davies couldn't have been a runaway. She said 19-year-olds don't "run away", and she wouldn't leave her purse behind in her car. They sneered at her. Davies was found murdered the next day.

If the authorities had not been so set on convicting me, they would have gone back and examined an anonymous tip by serial killer Leslie Williams' girlfriend on a case just like Jacob's involving a child in Wixom, Michigan on August 11, 1991.

Unfortunately, the Michigan State Police targeted ME for that crime, because it was the same as all the rest - EXACTLY THE SAME - and they were poised to arrest me for them. Wixom was one mile from my restaurant.

The Michigan State Police ignored a tip on an incredibly obvious suspect - who was known to have attempted a kidnapping 7 months earlier in front of my restaurant - because I was their target. He had a lifetime of imprisonment for rape. They wanted me. Wixom was obviously the same guy and close to my job, so warrants were issued.

THE AWFUL TRUTH IS THAT THE MSP WAS FOLLOWING ME ON AUGUST 11, AND THEY KNEW I AND MY FAMILY WERE IN CANADA. IT'S IN THEIR REPORTS WHICH THEY FURNISHED US. THEY LIED TO GET WARRANTS AGAINST ME. WILLIAMS, WHO WORKED ONE MILE FROM ME, HEARD ABOUT A DRAMATIC AND POINTLESSLY SHOWY ROADBLOCK AGAINST ME. HE FIGURED SOMEONE WAS HIT FOR HIS CRIMES. HE COULDN'T STOP OR MOVE (PAROLE). AFTER RELEASING HIS 7 TO 11 PREVIOUS VICTIMS, HE KILLED ALL THE REST TO COVER HIS MD AND THE POLICES' MISTAKE DETAINING ME. HE BEGAN THREE DAYS AFTER MY ARREST AND KILLED TWO MORE TWO WEEKS LATER. HE KILLED HIS LAST THREE DAYS AFTER MY CONVICTION IN HILLSDALE.

Williams has told people he did the Hillsdale crime and police told him not to confess. The Wixom victim ID'd him and he pleaded guilty to the August 11 crime.

Because the taskforce of nearly 100 people, including the FBI, ignored my wife, the tips and obvious, elementary clues, five young girls died and I am still in prison.

They wouldn't investigate the obvious Williams/Davies connection because she was abducted from the same tiny-village school parking lot from which the victim just left in the attack I was convicted of in Dansville, 60 miles from my Detroit-area home. They also targeted another innocent man for Davies death; her boyfriend. No proof. None whatever, except the publicity in the media (which is how they convicted me in distant, rural counties). The boy they targeted for Davies was a local boy, or he would be in prison with me today. *He was acquitted.*

There is so much more. I have previously outlined the facts for the FBI and they refused to get involved. They may be denying you some information about your son by doing so.

The MSP targeted me, perjured and obstructed justice to get warrants, continued to prosecute where no victims ID'd me or any of my things (car, gun, blankets, etc.), because they made fatal mistakes and won't answer for them. A pursuing policeman flatly cleared me and my car in one case; semen samples and hairs from a recovered hat were obtained in two cases, but the police refuse to test them (DNA tests are 100% accurate, and those samples are not mine). They withheld the exculpatory information from our defense until it was too late.

They did that to cover for a man who was previously prosecuted for THE EXACT SAME MO CRIMES.

The man travelled the state in his work. He was caught in his company car 250 miles from his home, with stolen Ohio plates on his company car, a toy gun (avoiding our felony-firearms law), brass knuckles, MO blue blanket, copies of composite drawings of the perpetrator in two EXACT SAME MO crimes in a distant county. When later picked out of photo and live lineups by ALL FIVE young victims, he confessed to several incidents of felonies and misdemeanors (for which he was never prosecuted). He admitted sexual deviance, blaming it on the proverbial abuse as a child. He admitted destroying his company car.

His company was the Michigan State Police. He was a MSP Detective Lieutenant. With a previously known history of sexual deviance with kids, he, Robert Beadle, designed a job for himself and was allowed to implement it. He travelled the state lecturing at schools on abuse. Interesting job for a known pedophile. Obviously, he traveled Ohio as well.

Because the crimes continued after he was acquitted on one charge, and nobody noticed it was exactly the same MO, they panicked when some county sheriff's detective noticed the continued pattern after FIVE YEARS.

They gave Beadle the word to leave Michigan as they targeted me.

The Hillsdale prosecutor states, in a required rebuttal to my grievance to the Attorney Grievance Commission, that they cleared Beadle. He says the police were watching Beadle on May 10, 1991, when the Hillsdale crime occurred at 530.

The truth is this and it's written in their reports or we wouldn't know a thing about Beadle (none of the previous information was in their reports. Diane had to obtain it under the Freedom of Information Act):

Beadle was under surveillance in Traverse City, very likely first thing in the morning, by MSP and New York State Police detectives. They wrote that they were only "50% sure" the man they observed was Beadle (on a lawnmower). They were watching Beadle as the prime suspect in the March 12, 1991 Dansville abduction of a 14-year-old boy. The NYSP were investigating the murder of a younger boy abducted from his bike. THE EXACT SAME MO IN EVERY DETAIL, EXCEPT HE KILLED. THAT LEADS ONE TO CONSIDER THE POSSIBILITY THAT THE CULPRIT MIGHT NOT KILL IN HIS HOME STATE, WHERE MORE HEAT COULD BE BROUGHT ON HIM.

So, after coming 700 miles at taxpayers' expense to investigate Beadle, they were only "50% sure" it was Beadle! Obviously, they went off golfing; goofing off. Then, the same crime happened 8 or so hours later, right under their noses. The drive to Hillsdale would be nothing to a guy so well traveled as Beadle. Nor would a trip to New York or Minnesota.

He was THEIR suspect, not MY suspect. So, if he was being watched at 530, he SHOULD have been cleared. The prosecutor made up the alibi when I wrote my grievance.

After May 10, the same MSP and the same NYSP detectives went to Hillsdale and showed the victim photos of Beadle in a photo lineup. She said "That's him". (He matches the description in almost all these cases: 5'10", 175-180 pounds, brown hair, 35-40. I am 5'7", 140 pounds, very grey hair, 50.

The victim was induced to change her ID of Beadle some time later.

Then, they assigned a MSP Detective Sergeant named Robertson to investigate their prime suspect Beadle. After a month, the sergeant reported he couldn't contact Beadle and "Beadle's status is open."

All this after they allegedly were watching Beadle when the crime occurred! After they "cleared" him? Why the lineup and investigation then? He was never cleared. Couldn't find him, although they clearly knew where he lived? He drew a state pension. You get the point.

Since they don't ever intend to investigate him, we will never know if he has been to New York or back to Minnesota where his wife was born near you. No one will wonder about his prosecution for an abduction on Sweetest Day Weekend in 1986, like it was when Jacob was taken. A

number of these attacks occurred on holiday weekends, when senior civil servants don't work, and when restaurant managers must or be fired.

Here is another investigatable connection to Beadle: I learned that a boy was kidnapped out west. In Florida, someone found a photo of the boy in the company of ANOTHER kidnapped child. Each abduction was time and place apart, so obviously, the kids were being held. I know the FBI is aware of this and that the picture gives hope that other abducted kids may still be alive. Why in God's name won't they investigate a Beadle connection? HE LIVES IN FLORIDA. I know that, even if the police play dumb. He has lived there off and on for five years.

When my wife and I found out Beadle was born and raised in Milford, Michigan, which was the village where a teen was kidnapped while I was jailed, we couldn't believe the FBI didn't suspect a POSSIBLE connection. We were wrong, but so what? They must follow this slim lead on Beadle for Jacob; especially if they came to me for an answer. The only excuse for investigating me and not Beadle is obvious: he was one of them. (There have been six ranking MSP officer scandals involving the highest crimes in the past three years, including the director. They will do anything to prevent the biggest scandal yet.

I am submitting this to the FBI, at the office my wife took her theories and evidence to. Diane had a heart attack, so I press on without her help. We are not trash. I had no record. We had standing in our community. I had no unhappy, abused childhood like Beadle and Williams. They got some kind of anonymous tip, and plugged me in at a time when they needed to get rid of Beadle.

They may wish to tell you I'm a con man. That's what they do when they screw up. Get a lawyer. There is only one certainty and truth: You have an absolute right to insist the authorities do everything possible to return your son to you. Nothing else has any merit whatever.

No one here any longer thinks I did any of these crimes. The prosecutors don't. The media has shown serious interest, and a national network is investigating. There may be hope that their helping me might help you, if the authorities won't do the right thing.

This is intended to pressure the FBI and the county prosecutor in Ingham County. She is from an honorable family previously renown for their intense sense of fairness and justice before the law. If, however, none of these forwards my letter - frankly, with an explanation and a plan of action - I have a reporter who will be calling you for an interview this summer. We won't let this slide any longer.

My wife and son have clear memories that I was with them in the two cases where I was prosecuted. So do two employees. There is no proof of any connection, because I am not the man. They have had better suspects and tons of clues. They have ignored all of that to protect their cop and/or their screwups.

It is time for the law to do its duty.

Sincerely yours,

CHOOSING YOUR CHILD'S SUMMER CAMP

BY ROLF ZETTERSTEN

Many years ago, I attended a church that had an active outreach to the inner-city neighborhoods of Los Angeles. Scores of children from the downtown area attended our Sunday school and midweek youth programs. It was a challenging ministry but a rewarding one just the same.

One afternoon, I was visiting the homes of kids who were scheduled to attend our church's summer mountain camp. I wanted to personally confirm arrangements with the parents in advance of the event.

I came to one boy's apartment that was located right next to a freeway. His mother greeted me warmly, and in halting English she explained that her 10-year-old son had never been to the mountains. He was so excited about summer camp that he had packed his bags two weeks in advance of the trip. She pointed to his suitcase and a borrowed sleeping bag lying in the corner.

He couldn't wait to go, and I couldn't wait to take him. I wanted to whisk him away from his depressing environment and allow him to experience the same camp that I had enjoyed every summer of my childhood.

Our church camp was simple, but it was well-run. We had great activities like horseback riding, swimming, boating, archery and table tennis. Meal times were a riot—flavoring your neighbor's meal with too much salt when he wasn't looking, and trying to guess who had poked that tiny hole in your drinking cup. We met kids from other cities and established friendships that lasted for years.

In the evening chapel services, we learned fun choruses and listened to preachers who challenged us to devote our lives to Christian service. Hundreds of kids were saved at those altars and some made commitments to become missionaries. For most children, camp was more than a "mountain-top" experience. It was a life-changing event.

Recently, I picked up a copy of the *New York Times Magazine* and saw several pages with the headline: "Choose a Summer Camp Now." Underneath were dozens of advertisements for specialty camps that teach advanced courses in foreign languages,

Best "buds": Within hours of arriving at Kamp Kanakuk last summer, these three teens struck up friendships. From the left: Peter Zettersten (Rolf's son), John "Twig" McKinley of St. Louis, and Jacob McElwee of Pittsburg, Kan. The red drawing on Peter's chest shows that he had been assigned to the "Cherokee" tribe at Kamp Kanakuk.

computer programming, chemistry, oceanography and SAT preparation. There were even a couple camps for kids who need to lose weight.

I know this is the age of specialization, and these camps are probably very beneficial for mental or social development. But I still prefer the age of simplicity when you went to camp to have organized fun.

Today's kids already have too much stress. They are expected to cope with gang violence, sexual promiscuity or unreasonable academic achievement. Summer camp should offer them an opportunity to unplug from those pressures and learn how to dribble a basketball, to make a beaded necklace, or to throw a horseshoe. Summer camp should teach your child how to love life and love the God who created it all.

How do you find a camp that's right for your kids? Allow me, as a summer camp fanatic, to suggest the following list of criteria for your consideration:

1. Program: Does the camp offer a variety of activities appropriate to the children's age levels? Many facilities today are able to offer water skiing, gymnastics, biking, arts, crafts, backpacking explorations, in addition to the traditional sports programs. Make sure the emphasis is on fun, but check to see how the daily activities are structured. Also ask how discipline problems are handled.

2. Location: Camp isn't camp unless it's outdoors. Children should escape the confines of the city and have an opportunity to explore the beautiful environment God has created for us.

3. Staff: This is probably the most important factor, because they will become role models for your children. Are the counselors trained? Are they enthusiastic? How many children are assigned to each counselor? Do they care about the kids? We have sent our kids to Kamp Kanakuk in Branson, Mo., where the 1,100 staff members are absolutely top-notch. In fact, the counselors actually corresponded with our kids throughout the year to let them know they have not been forgotten. "We put our counselors through grueling interviews before we hire them," Director Joe White says.

4. Facilities: Are the dormitories, cabins, kitchens, restrooms, swimming pools and other recreational facilities well-designed? Rustic surroundings are good—camp isn't supposed to be the Ritz. Just make sure the buildings and equipment are adequate.

5. Medical Care: Does the camp have a qualified nurse and clinic on site? You may want to check your medical insurance requirements before sending your kids to camp.

6. Financial Value: A private camp typically costs \$70 per day, but you can find terrific programs in the \$50 range. Many camps, like Kamp Kanakuk, have sponsorship programs for inner-city youth or scholarships for the needy.

7. Spiritual Value: "Kids who come to camp are soft soil to plant the seeds of the Christian faith," Joe White says. Camp offers the unique opportunity to reach youngsters with the gospel because they are usually more receptive to the Holy Spirit in a camping environment. Make sure the program includes some type of chapel service where the kids will be presented with spiritual challenges.

For more information, I encourage you to contact Christian Camping International (708) 462-0300. They can help you find the camp that is right for you. It will be one of the best investments you make for your children this year! □

MR. JONATHAN LAZEAR
LAZEAR Agency

Dear Mr. LAZEAR

My NAME is GARY R. ANDERSON (Shadow)
I'm the Author of the Fiction
Novel "ABDUCTION" which is a
story about the abduction of a
young boy from his family, relatives
and friends, from a small country
town in Minnesota.

I HAVE written articles that HAVE
been published in both City Pages
and the Saint Paul Pioneer Press.
Plus many more articles, which
have involved my former employer
and union.

My novel "ABDUCTION" is a
new novel. Every year between
5,000 to 8,000 children ARE
abducted by people, some who
ARE strangers and by some who
ARE not.

Mr. LAZAR IN preparing to write my novel, I have investigated one of the biggest abductions and search in the State of Minnesota history, that is the abduction of Jacob Wetterling from St. Joseph, Mn. on 10-22-89.

SINCE Oct of 89, when Jacob was abducted, I have watched and listened to everyone else's stories.

IN Jan of 92 thru May of 93, I started my own research of this abduction. IN April of 93 is when I started getting my big breaks.

ONE ON ONE interviews with some of the most important and knowledgeable people, who were involved in this abduction from day one.

Please note:

- ① The F.B.I. Agent who was there to investigate the abduction and to handle the news media.

- ④ The now retired Sheriff of Stevens County, who was there within 10 minutes of the abduction. I was the 1st and probably will be the last writer, that spend over 5 hours, talking and driving around with this man, who is deeply troubled in many ways by this abduction.
- ⑤ The mother who is very strong willed, determined and very focused with a subtle mind which is hard to influence, she is also impulsive and becomes angry when provoked or when asked questions where by she loses control.
- ⑥ The father, the professional with tact and diplomatic, people at first, really don't understand him, But he is a very loving person. The family is the center of his universe. He is really the one who has held the family together through all of this.
- ⑦ The Abductor, I did not interview him, but maybe I have seen him? This man has been interviewed by the Authorities, my gut feelings tell me this, plus information from other sources. This is not the 1st

In his Psychic Realm,
Anderson thinks this is
significant.

At 11:50 AM, 5/19/93, Gary Anderson
telephonically contacted FBI, St. Cloud.
Anderson described himself as a
"writer" and he was asking to meet

Dear Jerry and Patty 2/2

The following is a transcript of a phone call Ralph Knoll received at 11:00 am last Thursday, the 28th.

Ralph Hello

Caller We know you're still working on the case.

Ralph Oh, It's you again. I wish you wouldn't keep calling me up all the time.

Caller We've been calling the barber lately, but silent calls. We haven't been talking to him, just provoking him. We know now that he is "well healed". We know now that he's got a gun now. That ain't gonna help him or you!

Ralph Could you answer one question for me? Is this whole thing (the harassment) because of Jacob Wetterling?

Caller Yes, and he's alive, and we've been training him, and he will never see his folks again, because he don't remember anymore the family that he had, only the family that he has now. I've been working with the people in St. Joe's, and I know the routine.

Ralph I'm not working on that case anymore because the police aren't doing anything about it. I just gave up and you won't have to call me up any more. I don't threaten easily.

Caller hangs up.

Somewhere in the above the caller also mentioned knowing that Ralph was a diviner (dowser). The caller used a lot of profanity and had a gravelly voice, with a German accent. The above is what Ralph remembers from the call. He estimates it took about five minutes. Yes, I have been getting the "Silent calls" the caller mentioned, but the caller never says anything so far.

Because he was afraid of upsetting me, he delayed till Monday in telling me about this. I have to send you such a disturbing letter. We are either dealing with a nut, who gets off by trying to scare people, or possibly someone actually involved in the abduction.

Our readings yesterday showed Jacob to be in Clinton, MN. I have been trying to keep track of him by our techniques, but had to set it aside till recently because of illness. I had a bad urinary tract infection, and it took three tries at different antibiotics before they found something that would knock it out. I'm Fine now though.

I saw Patty on Geraldo several weeks ago, and my parents taped the program for me. Patty, you're very courageous. I know that isn't easy for you to do. As always you folks are in my prayers.

Vern
Vern Seitz

We'll never give up either.

Case Title JACOB WETTERLING ABDUCTION		Section R
		Date and Time of Activity 2/11/93

VICTIM:

WETTERLING, Jacob Erwin, DOB 2-17-78, WM, age 11 at time of disappearance

SUBJECT:

BRODING, Rodney Charles, DOB 10-5-40, WM, former pastor First Lutheran Church, Pine River, MN, current address 404 113th Avenue N.W., Coon Rapids, MN

SYNOPSIS:

BCA investigative assistance provided to Stearns County authorities in the form of interviews and record checks in reference to listed subject's possible involvement in the abduction of listed victim. Lead and investigation pending.

PERSONNEL ASSIGNED:

MN Bureau of Criminal Apprehension Special Agent Terry Duma

DETAILS:

1. During the month of October 1992, S/A Duma was advised by local authorities that listed subject was currently under investigation for sexual misconduct involving teenage boys. Authorities also revealed that subject was originally from the St. Cloud and Battle Lake, Minnesota, areas, and that a similar history of sexual misconduct existed. During the period of October 1992 and this writing, S/A Duma conducted numerous interviews of sources and law enforcement officials with the following information gained.

Listed subject resigned the ministry as a result of his admission to church officials (Bishop) of sexual misconduct. Identity of victim and offense details are unknown to sources, but are listed to have occurred with a local adult male.

All records in reference to dates, activities, and travel logs are currently in the possession of subject.

Sources indicate that subject performed volunteer duties in the form

of refereeing local youth basketball games. During these periods, complaints surfaced from participants and parents of extended periods of locker room nudity on the part of subject. Investigation by local authorities reveal no known violations as of this writing.

Law enforcement authorities of the Otter Tail County Sheriff's Department reported that listed subject owns a cabin in their county located in the Battle Lake area. Otter Tail County authorities also reported that the subject is known to them as a result of a previous Otter Tail investigation concerning sexual misconduct while a resident of Battle Lake ten to twelve years ago. Further information indicates that the subject still owns the cabin and has used it as a retreat for Pine River youths.

Further source information reveal the subject graduated from St. Cloud University; and during that period, was suspected of sexual misconduct during his employment as a lifeguard. Record checks proved negative.

Additional source information indicates that subject is very familiar with the St. Cloud/St. Joseph area, travelling to these locations on a regular basis to visit relatives.

2. Based on this information, S/A Duma made telephone contact with subject requesting an interview. S/A Duma was advised by subject that he wanted to contact an attorney prior to any interview. Numerous follow-up phone calls by S/A Duma to subject resulted in S/A Duma being advised that the subject was having trouble obtaining the services of an attorney.

3. On November 3, 1992, S/A Duma received a call from Mr. Donald Kirchner, a local Brainerd attorney, stating that he was representing the subject. Questioned regarding information in reference to the subject's whereabouts on October 22, 1989, Kirchner revealed the following:

October 22, 1989

9:15 a.m. - Pine River Church

10:30 a.m. - Pine River Church

1:30 p.m. - Longville area

5 p.m. to 9 p.m. - Cursillo Pot Luck (Cursillo definition- Spiritual Renewal Program held once every two months for members from church)

4. Questioned regarding the location of the Cursillo, Kirchner could or would not provide any additional information. It should be noted that S/A Duma received a letter dated November 3, 1992, reaffirming this conversation and Kirchner's representation.

5. During this period of investigation, Cass County authorities have interviewed the church bishop with information indicating that the previously-listed sexual offense involved an adult, with no other violations known to church officials. Cass County authorities report that church officials have offered full cooperation in the event further interviews are required. No criminal charges pending as of this writing.
6. During the period of January/February 1993, S/A Duma has been contacted by sources indicating that the previously-mentioned Cursillo (Pot Luck dinner) may have been held at the Dellwood Ballroom on October 22, 1989. (It should be noted that the Dellwood Ballroom is approximately one-half mile from the abduction site. Sources also indicate that the subject has used other restaurant/establishments in the Stearns County area for pot luck dinners. Interview of Dellwood Ballroom personnel by members. Also, during this period, S/A Duma was advised that a Mr. Chad BROUCKLACHER, currently the youth director of the Zoin Lutheran Church of Buffalo, Minnesota, was a former employee of listed subject. Sources indicate that BROUCKLACHER left the employment of the Pine River Church on short notice in April of 1990, after spending a weekend at the subject's cabin located in Otter Tail County (Battle Lake area).
7. As of this writing, S/A Duma, along with sources, have been unable to verify the whereabouts of listed subject for the dates of October 22, 23, and 24, 1989.
8. It should be noted that during this period of investigation, Cass and Stearns County personnel have been advised of the listed investigation and information.

Chief Deputy Doug Pearce

On 2-11-93 we arrested Robert Budach for Retail Theft. He is presently on probation in Wis for 2nd Degree Sexual assault of a child. In conducting a search of his van we found a small collection of young boys underwear. The suspect claimed he accidentally obtained them when doing laundry ?????? The suspect also had approx 300 boxes of Polaroid 600 film and two spectra cameras in his vehicle along with thousands of dollars of tools, knives, coats, police scanner (in operation) etc. Suspect's van was set up for living out of. Because of his recent conviction and similarity in appearance and convictions in your state I thought we should send you his photo. Call if you have any questions.

Mrs. Patty Wetterling
St. Joseph, MN 56374

Dear Mrs. Wetterling:

For the past several weeks the Duluth-based television stations have been running a photo of a man named Rev. Vetter who was affiliated with a Lutheran Church in Cloquet, MN and who has been accused of child sexual abuse.

The more I see this photo of Rev. Vetter, the more I feel he bears a strong resemblance to the composite drawing of the suspect abductor which has been posted along with Jacob's photo on the posters placed at the business places. If this has not occurred to you or the authorities by this time, perhaps it would be worthwhile for you to look at these photos side by side and/or investigate Rev. Vetter's whereabouts at the time of Jacob's abduction.

Jacob has been in our prayers, along with all the other missing children, as have you and your family. God bless you all!

A concerned citizen

Dear Jim,

I am writing in response to your letter of application for the position of Office Manager at the Jacob Wetterling Foundation.

Much more time has past than I would have liked but I am writing to let you know that the position was filled by Kelly Oster.

Please be assured that this is in no way a negative reflection on you, your background and experience, or your many talents and abilities. I am continually impressed by your deft handling and interaction with your fellow volunteers, your ability to inspire and motivate the group to action, and your seemingly effortless way at accomplishing the most ambitious or ambiguous tasks.

Rather, the appointment was a way for us to more easily "hit the road running" by incorporating an individual who was already familiar with our administration, office procedures, and volunteers.

I look forward to a continuing friendship and working relationship with you. I sincerely feel that you are a great individual to be around, whose company I enjoy, and that you are someone who can make a significant contribution to our work and our society.

I wish you a peaceful and prosperous future, full of hope and contentment.

Best Wishes,
JACOB WETTERLING FOUNDATION

Hi Sunshine,

Mikey, I have never been more proud of you than I am right now. For what you have done for me I am so happy I could eat coal and shit diamonds. Again you prove by deed what I have told you about the greatness of your inner character and you did it in a way that brought honor to your father and mother and me too. You are the honor Mikey - I am thrilled to know you.

It is out in the open, Mikey - I know now. All this time I had hurt inside wondering what it is that I am doing that makes you act distant to me. I ask but you don't tell. "Are you afraid? - no. Do I embarrass you because I love you? - no. Are you ashamed of me for what I look like or something I am doing? - no. You doubt I love you? - no. What then? - nothing." You should now be convinced that I can tell there is something wrong even though I do not hear the words. Finally I have to ask "do you want me to go? - no". Mikey, you are incredibly strong inside to have endured all the hassles along the way you did. What I saw must have been stress from doing so. Remember last fall when I tried to "do right" by you by leaving and you wanted me to stay? - I told you there would be a price for that for you in the hassles to come between your dad and you, but if you wanted I would stay until you threw me away? What you went thru was the "price" - the hassles were the price. You paid them and you did it with honor to everyone involved - you are one fantastic kid.

You must know what I mean by out in the open - I now know your dad has been hassling you about me. I am so sorry you had to go thru that. Mikey and I really hope it hasn't made you stop liking me. What makes me happy instead of sad is that now that I know about it I can do something about it. Whether or not I am successful in relieving the pressure put on you and your mother I can't guarantee but I will try as hard as I can. It would help me a lot to hear you say that you still want me around if that is what you want. I want you to understand that no matter what happens, I will not stop loving you - noone will ever make me think anything less of you than what I know you are - it is always your option to anytime tell me to go and I will go. Above all, Mikey, please understand that none of the hassles are your fault - you are the only blameless one in this mess we struggle with. I believe that even though your mother has been severely stressed by this that she still has faith in me as a person and if I can relieve the pressure on her, eventually she will forgive my intrusion on her life too (because she loves you).

You are awesome, Mikey. I saw it, I said it, you proved that everything I said about you is true. The day you were created your parents asked for a little hill to shape and were given a mountain instead. The same man that would flatten a little hill to build a home will build his home where he can admire the mountain.

The only thing that makes me wonder about your intelligence is why you would like an old fart like me, what ever the reason I am rich because you do. I love you Sunshine. God Bless you always.

Hi Jo

I finished child proofing today and saw home before 9pm (that put me in early enough to contact Mike's father - He sounds different than I anticipated he would - I made arrangements to meet with him this coming Sunday)

When all this started, you had faith in me - so far all your faith in me has brought you that you can see is escalating battles with Mike's dad. That you have believed in me this long with that burden is amazing. Perhaps if I try to explain some things as they relate to Mike, it will help. Early on when I first met Mike and you, I told you that I have been involved with other children before (involved means I've been off and that each of these children have improved their self worth as a result. I did not mean to imply that I was some kind of expert or therapist. They do this to themselves and I never took the time to figure out how until the incident with Mike's dad. Now I have I ever taken the time to figure out why it is that almost every kid I meet likes me - I just accepted it and am pleased that I was gifted in that way. Now I understand better how it works out each child is still responsible for his own gain, not me. Basically (very basically) my kids like me is because I like them - in liking them respect comes with it and they are able to experience what being an equal is about - no longer a possession or object which is what many children view themselves as because they are treated that way. All children have good qualities of one kind or another - by selecting the good qualities they have and focusing on only those things the child sees himself as someone good with some faults instead of someone bad with good qualities that are undeveloped. The more affection you have for a child the easier it is to see other good qualities they have and help them focus on those as well until you have presented enough good and enough focusing that change begins to occur for them. It is important to understand that they do not change - their attitude of what they are changes. The more they see good in themselves, the more they like you for showing them. Some will love you for it - for the faith you have in them and the trust you put in them or maybe just because by now you love them too. The only thing I ever do for them is to put faith, trust and love in them and show them the good that they already are using praise as a tool. Permit me to explain this to you using you as the child - if you like me you will act within the parameters you recognize as being acceptable at least while around me - right? I point out a good quality you have and you were then likely will not believe you are that good so the opportunity to test is presented. I present a situation which you respond to and if you are successful in completing it, I praise you for trying and for the success you had (being successful). you will try again the next time a test comes around because you like to be praised and feel good about your accomplishment. However if you fail, I will still praise you for trying and point out the things you did that were good in your attempt to accomplish the test (you are still successful because you did better than you thought and you will still try again the next time a test comes around because you know you cannot fail in my eyes). "Win or lose", you feel better about yourself because someone

else has helped you to be better than you make yourself to be - self esteem is built piece by piece, success by success. The more opportunities to test anything at all, the more self esteem is built. In time, you will believe in yourself without someone there to have to praise you and you can recognize in yourself what you have done that is good thus the child becomes his/her own self esteem builder. The stronger the child, the brighter the child, the better the outcome when compared to other children. Perhaps these things are in psychology books. I don't know since I have never opened one - this is what I have observed in life that seems to work. I

We do not have bad children, only bad teachers of children - even if they (the teacher) are bad for only a moment. A million "I love you's" will not erase one "I hate you". A million "I am glad you are my son's" will not erase one "I wish you were never born". A million apologies does not erase one transgression. To be "correct" with the child ever again requires the child forgive the offense (whatever it was). So it is between Mikey and me - just fair even mentioned. I thought I was doing the right thing by leaving him, only to find out otherwise. He did not deserve the situation the same way and I am afraid I left the impression "You aren't worth the trouble I am getting into" instead of "I love you Mikey and my being here is bad for you so I will go". Because he perceived it this way, I am the bad teacher and I hope someday he will forgive me for that error. Because he asked me to stay, he had asked also how much I care about him and I tried to answer him, leaving the impression that he is worth more than all that I am - by making an unbreakable promise to him that I say "I love you Mikey and I don't give a shit how much trouble it brings to me from anyone else, I am here if you want me for as long as you want me as best as I possibly can". So, have I erred again? -- not to Mikey. I haven't. To him it is a gift. He can say come and I will come regardless to the best of my ability -- or he can say go and I will go -- or he can say never return and I will do it. If I am unable to reaffirm your faith of me, I will have a real moral dilemma to deal with shortly. If you lose faith in me and say no to any contact between Mikey and I then if Mikey says he wants to see me -- ?? As much as I appreciate all you have done for me, all the respect and trust you have granted me, all the hassles you have endured for me, as much as I like you personally, even knowing I walk into a shitload of legal problems because of it, worse than that knowing it is sin against my gift to me - I could still do it and try to keep things intact doing so only because the greater sin would be against a child who was promised and has trust of me when I love. If I do nothing or either I will be against again at my time.

My relationship with Mikey - I do not have to assume you are aware of how much I like your son or why, I know you know these things. You have heard me tell him what a great kid he is. You have heard me tell him that I love him. You have seen me hug him and know how much it means to me and why. You have seen his enthusiasm of the opportunity to share something he sees as exciting with me. You have seen me do things that people who do not care as much would not do. You have watched he and I enjoy things one with other and recognize what is being enjoyed. You have seen me step authority to remain correct to Mikey and you have seen me error in an attempt to remain correct with him. You have seen me promote his qualities to you, defend him even to you. You have watched me spend money, I do not

17
have because he is worth more to me than I can put a price on. I have never heard me be critical of him - instead assuming the error to be with me. You see me trying to make him look better to you as a person by pointing out things that parents often take for granted (including myself - I am guilty also). You have seen me promote Mikey to himself - how capable and intelligent he is. Last spring I took on the Catholic church for sending away a child who needs love saying that Christ reprimanded his own disciples for doing the same thing they had just done and that knowledge and blessings and forgiveness are for those who need as well as for those who don't. Saying also that Christ has said that you do unto the least of mine, you do unto me (good or bad). I called them hypocrites. I feel somewhat bad about that since they know I am right. I tell you I love your son, that I think he is a gifted child in many ways, a treasure of immense quality, that his eyes are like Sunshine (which I just lately found out is not my own conception - read Mathew 6:22) and it makes him beautiful (which I have tried to relate to you via photos). I wish not to bang you on the head with religion or God out since I am Christian and that unlike Catholics I do not believe a priest can forgive sin - that is a function only Christ can do and that I believe the words that at judgement all will know all of what you have sinned. Am I to claim to be Christian and stand revealed to the world as one who believes in perverted sexual activity - with a child - of the same sex as I --- knowing in advance that children are under the direct protection of God Himself? And what of the saying then that what you do unto the least of mine you do also unto Me? If not in the relationship between Mikey and I then look at the relationship between Jacob and I for I love him too. You have seen me, heard me, read my words, touched me, read my body language and observed what it is I am trying to do - what it is I enjoy. Where in any of that is anything you could possibly find harmful to Mikey? I say: I love Mikey. Is that a horrible thing to happen to him or to anyone? Will he be worse off because someone else loves him as a person or will he be better off? In the times that I look Mikey and showed him how to do some things - I return and am enthusiastic for his accomplishments - can you tell me you did not feel that enthusiasm, were you not also proud of him for what he had accomplished, could you not see his feeling better about himself? What part of that is bad? Has he ever spoke ill of me? Has he ever told you he likes me? (I don't know what he has said to you about me). I wish he loved me like he loves you. Is there something bad about wanting that to happen? Everything having been done with permission, 90% with friends along (knowing where we are and when we will be back) have you done anything you consider to be wrong regarding Mikey and I? You do what you do for Mikey and I because you love Mikey not for me. I do what I do for Mikey because I love Mikey too - and I have always tried to be obviously subordinate to you (especially in front of Mikey) that Mikey never forget who is first. Is that seen as being bad or good? The only thing I have ever said that could be considered ambiguous is that he is an incredibly good looking boy. That isn't ambiguous at all. He is one of the best looking children I have ever seen anywhere - or is it because I love him I see him that way? I guess it is ambiguous. The pictures I point out to you as my seeing his beautiful should tell you what in him I see as beautiful.

Make your own comparisons. Mine would be biased anyway. Do you love your child because he is yours, because you birthed him, or

because he exists and makes you happy - or is it that he loves you? Probably all four - right? To love him because he is "yours" or you birthed him is "duty", is it not? To really love him then, it is the other two that are the more important reasons. You have all four. I have the two. So does that make me some kind of wizard that I could see in this child the same things you see in him and love him much the same way? It makes me different that is for sure. But if he is such a wonderful child in your eyes that you would love him for only that, does it surprise you that another sees this wonder in the same way and loves him for it too? If he is as good as you think he is then everybody should love him the way you do - guess what, it is in the book. To more is it wrong for someone else to want Mikey to have the things from life that you want for him? You have seen me with Mikey and you have heard me about Mikey. You may not believe the words but you will believe what I do - you have both and if I am not as I present one should expose the other. Has it? There has been a lot of lies because of me, but where do they come from? I am convinced by some or who has nowhere near the information you have about me - not even the most basic of facts that can be proven. My jealousy is an absurd answer simply because anything at all Mikey would share with me is available to his dad on request - immediately - and I have to earn those privileges from Mikey, earn the trust earn his love - his dad has it ready-made. Fear then? Of what? Is there anything in Mike that could indicate he is afraid of me? Could you be afraid of me that I would steal your son's love from you? Noone is capable of removing your son's love for you except you and you could do so only by destroying it yourself. I already covered the other reason before, do you think that is even a possibility or not? What is left? Certainly you don't believe that Mikey would make advances or be so receptive when I am with him - ever.

He wants his dad's love and that is what he needs and if he had it I wouldn't be here to start with. Mikey's dad missed the boat either because he didn't like the destination or because he wouldn't like the ride -- he had a bad attitude. I can't be his dad but I can love him and I can give him my trust and my patience and I can put faith in him and show him he can only fail if he doesn't try. It wouldn't be the same, but it is something more than what he has now. There was a time I knew absolutely that Mikey trusted me completely regarding his safety and regarding that I would do in a situation for him. He is either afraid to say anything for fear of rejection of his father or not, or the constant stress of the lies he gets for liking me has caused him to cast me away, or I haven't been forgiven for my error. My best guess is he still likes me - a lot. I make that guess not out of conceit but because I know Mikey knows that I love him, he knows I know he is a terrific kid and he wants to feel loved and know he is terrific. He needs someone with whom he can share anything, make any mistake and still feel secure that that person loves him absolutely.

I am not the least bit proud of the shit that has come your way because you chose to trust me concerning Mikey. I am not a bit proud about being forced to see Mikey suffer the way he has because I am in his life, but I am immensely proud of Mikey for his ability to cope with it and in you for putting up with it. I don't know what else I can say to get you to restore your faith in me - this has never happened before with any child under any circumstances and I have had

hide around me for years - interstate travel on aircraft and stay for a week, hunting, fishing, skiing, trapshooting, amusement parks, motels for entire weekend swim parties, lake cabins for water skiing. I have cooked for them, fixed their bikes, cleaned up their hair, comfort their crying because their parents had said something to them that the parent will live to regret for doing so. I have hugged them and been searched out in stores just so they could see me and give me a hug. I have dug shivers from their legs, arms, heads and even their bare butts, put salve on burns and run out muscle knots and some have crawled in my bed just to be close to me while they sleep. I thank God for these things, why should I apologize to any man for what I have just given thanks to God for? Maybe I have something they do not? That is why I thank God I am able to enjoy these things as much as I do. Regardless the outcome of my meeting with Mikey's dad, I need you to keep believing in me. I need more time with Mikey - not less and I need quality time where he can get quiet for a while and talk to me. All of this and only if he was able to save enough caring for so to still want me around.

Any letter or card I have ever sent Mikey it is his business to share with you - perhaps he is embarrassed with the ease at which I say I love him. I don't know. But they have never been some deep secret of some kind - it would be rather stupid to commit a secret to print, wouldn't it? Enclosed is a copy of the letter I am sending Mikey. It is typical of the letters I send that praise and try to get him to understand that most things just happen and that he is not the cause. I hope he still likes me. I hope you can still tolerate me.

Jim

she died you also in honor with her

Keep faith in your mom Mikey. She will figure out that her and I are on the same side - your side. In the letter I wrote to you I went to the line and stood on the fence of being morally not correct with her (by example to you). It has days since we are angry or she might be afraid of us now - I wanted her to know that you are worth more than a few hassles and it was suppose to be an example to her I wrote her a letter - she will be angry with us so I may be a sacrificial victim but she needs to know that the only side she should be on is yours and you on hers. Even if she throws us to the crocodiles, if you get that I know her it is worth it because she is your best chance to remain the same as you are. The letter to her will hurt her feelings for a while until she figures out that I am her friend and her mom. She is under a lot of pressure and she will figure it out. When that happens we will be able to get permission to see each other again and keep the trust she has given us. She could get someone else on the line if that is what I want you to do. Then you don't just have a mom, you have a mom who is one of your best friends. It has been a while since we have seen you for everything - it seems she will later to you and consider what you say and she will believe you more in God. These things take time to rebuild and require that you both trust each other. She started doing things like that that I am sure this is happening too. She loves you Mikey and she does show it - the same is true for you.

I know you like pheasants - I am bringing down two for you and your mom to eat. I will call Tuesday night or/over the phone thing at North - maybe you and your mom would like to go. It isn't a dressup thing and I think it is about an hour long.

I hope you never stop liking me Mikey. I wish this thing was over so we could do some things together again. I miss you a lot. Please don't ever lose that wonderful little person inside you that I call Sunshine. I love you.

Jim

SUNSHINE

I was to have a meeting with your dad today in St Joseph so I drove down there to meet with him about you and I but he did not show up. I called him several times until he would talk with me and was told I cannot see you. I told you that had always been your choice and if that is your own wish then that would be the way it is. He said you do not have a choice (legally he is correct). I said you do by virtue of the fact that I have given you a choice. I told you I would not abandon you even if the world stops turning so I tell you again that I will defy him to remain correct to you and do so willingly.

His next move will be a court order which is why I write to you now. So far I have done nothing wrong nor illegal. Your mom said she preferred that I not see you last time I was there, but it was inferred that it was for that time and not for all time to come and said nothing about writing so I still have not committed anything illegal yet in writing to you.

This is the pills. It is also wrong. You are in a vise because you like me. If you defy your parents, you will not be in honor with them. It will bring you more of the same hassles you continue to have with your father and he will continue to hassle your mother as well. He is convinced I would harm you in some way and while I know differently, I can see his point. If you obey them, do you believe you would be a dishonor to me? No Mikey. I would miss you something awful and it would hurt me a lot inside but it would not dishonor me. How could I possibly say that I love you and in the same breath ask you to suffer for me? Mikey, the price you would pay to remain my friend may be more than you can tolerate. You would feel like you were chastising your parents and it would make you feel awful inside you would lose some of your Sunshine - that character in you that makes you so very special. Do you think I would ever want you to lose that? Better for me that I be hit by a truck and planted to rest than to have you lose your sunshine because of me.

Remember the term "Kubhashi Haru"? - A situation that has no solution that is good? It is a test of character, all you can do is the best you can do. That is all anyone ever has the right to ask of you. You have never failed me Mikey and you cannot fail me this time either. What ever you decide will be correct.

In the letter last week to your mom, I told her that because of the promise I made you, I would honor your wishes even above hers. She has been so good to me for taking all that hassle and still trusting me I could just hug her for it. However, I have learned from your dad that your mom also thinks the same of me as he -- I can't believe your mother would ever think as ill of me as your dad does, she has seen us together and knows what I mean when I say I love you, but people will believe the worst of someone because those things do happen. Most do not understand the difference between love and anything else - they are confused, I am not confused when I say I love you. I know what it is, I know the difference, but they do not

Now that I know the difference. She will not think of me the same way your dad does. I have always tried to protect your father to you. I am sorry if you think I am making ill of him now and ask you to forgive me -- I need for you to know the truth of what was said is the only reason I tell you.

You have some decisions to make Mikey. To help you, you must understand that none of this is your fault and that what ever you do regarding me I will accept. You can not lose honor to me no matter what you decide. The ONLY way you can lose me as your friend that would remove the promise to never abandon you is for you to tell me you don't want to see me again because this is your own wish. There is a lot at risk here, for you it is constant harassment (assuming you wish to keep me), for me it will be jail eventually for defying the court order and other problems that could bring on. You MUST make your decision ONLY on what you wish - do not place any concern for me in your decision -- I have decided already that you are worth almost any price to me if the price guarantees that you will keep your promise and end up a good and caring man who knows he is a good man even if I never get to see you again. Make your decision based only on what is best for you

Your options are: 1) If you find you must obey your dad (by not seeing me) to make your life better for you and your mom, then tell me that and the promise is still there but I will not see you unless you call and tell me it is an emergency and to come.

2) If you want to keep seeing me regardless of his wishes but your mom has also decided against my seeing you and you wish to obey her, then tell me that and the promise is still there and I will not see you unless you call me and tell me it is an emergency and to come.

3) If you want to keep seeing me regardless of his wishes and it is OK with your mom, then tell me and the promise is still there and so am I. **(Your mom is Primary Guardian)**

4) If you want to keep seeing me regardless of the wishes of both parents then tell me that and the promise is still there and so am I (that is the tough one for you Mikey - me too because of your mom)

5) If it is your wish that I not see you anymore for whatever reason you have, then tell me that and I will not come again and I will remove the promise and I will write to you one more time only just to beg you to forgive me for all the shit that has happened to you because of me. Then I will not see, nor write, nor call you again.

Write to me Mikey and what you say is between us alone. One letter even though you hate to write - is that too much to ask of a friend? I have to know what you want me to do. Mikey, you never once told me you liked me or disliked me. I have always assumed you liked me because of the way you used to act around me. The closest you came to ever telling me one way or the other about how you feel about me is when I asked you if you wanted me to go and you said "no". I have always wanted for you to feel good about me and my being there - that you could feel happy and excited the way I feel happy and excited when I see you - to love me. Most people see a problem with that because they think it is something else. I would really appreciate it if you would tell me ~~you~~ how you feel about me and anything you say is between us and anything you say to me is all right as long as it is the truth. Anything! From you think I was a fool to you are afraid of me to you saw me only as a source of fun to you couldn't stand me around to even if you like or love me.

Nothing at all as long as it is the complete and honest truth. If you tell me it is only between you and me then it is only between you and me.

Write the letter this week please. If you wait, there may be a court order against me to respond back. Let me know, Mikey - please write? Yes, I will always love you. Because of the hassles we are now in, I will send a copy of this letter to your mother - I will not send a copy of the letter you send me to anyone unless you tell me specifically to do so.

SUNSHINE

I was to have a meeting with your dad today in St Joseph so I drove down there to meet with him about you and I but he did not show up. I called him several times until he would talk with me and was told I cannot see you. I told you that had always been your choice and if that is your own wish then that would be the way it is. He said you do not have a choice (legally, he is correct), I said you do by virtue of the fact that I have given you a choice. I told you I would not abandon you even if the world stops turning so I tell you again that I will deft him to remain correct to you and do so willingly.

His next move will be a court order which is why I write to you now. So far I have done nothing wrong nor illegal. Your mom said she preferred that I not see you last time I was there, but it was inferred that it was for that time and not for all time to come and said nothing about writing so I still have not committed anything illegal yet in writing to you.

This is the pits. It is also wrong. You are in a vise because you like me. If you defy your parents, you will not be in honor with them. It will bring you more of the same hassles you continue to have with your father and he will continue to hassle your mother as well. He is convinced I would harm you in some way and while I know differently, I can see his point. If you obey them, do you believe you would be a dishonor to me? No Mikey. I would miss you something awful and it would hurt me a lot inside but it would not dishonor me.

How could I possibly say that I love you and in the same breath ask you to suffer for me? Mikey, the price you would pay to remain my friend may be more than you can tolerate. You would feel like you were cheating your parents and it would make you feel awful inside. You would lose some of your Sunshine - that character in you that makes you so very special. Do you think I would ever want you to lose that? Better for me that I be hit by a truck and planted to rest than to have you lose your sunshine because of me.

Remember the term "Kobanashi naru"? - a situation that has no solution that is good? It is a test of character. all you can do is the best you can do. That is all anyone ever has the right to ask of you. You have never failed me Mikey and you cannot fail me this time either. What ever you decide will be correct.

In the letter last week to your mom, I told her that because of the promise I made you, I would honor your wishes even above hers. She has been so good to me for taking all that hassle and still trusting me I could just hug her for it. However, I have learned from your dad that your mom also thinks the same of me as he -- I can't believe your mother would ever think as ill of me as your dad does, she has seen us together and knows what I mean when I say I love you, but people will believe the worst of someone because those things do happen. Most do not understand the difference between love and anything else - they are confused. I am not confused when I say I love you. I know what it is. I know the difference but they do not

2-2

Know that I know the difference. She will not think of me the same way your dad does. I have always tried to promote you rather to you, I am sorry if you think I am speaking ill of him now and ask you to forgive me -- I need for you to know the truth of what was said is the only reason I tell you.

You have some decisions to make Mikey. To help you, you must understand that none of this is your fault and that what ever you do regarding me I will accept. You can not lose honor to me no matter what you decide. The ONLY way you can lose me as your friend that would remove the promise to never abandon you is for you to tell me you don't want to see me again because this is your own wish. There is a lot at risk here for you it is constant harassment (assuming you wish to keep me), for me it will be jail eventually for defying the court order and other problems that would bring on. You MUST make your decision ONLY on what you wish - do not place any concern for me in your decision -- I have decided already that you are worth almost any price to me if the price guarantees that you will keep your promise and stop me from being a good and caring man who knows he is a good man even if I never get to see you again. Make your decision based only on what is best for you.

Your options are: 1) If you find you must obey your dad (by not seeing me) to make your life better for you and your mom, then tell me that and the promise is still there but I will not see you unless you call and tell me it is an emergency and to come.

2) If you want to keep seeing me regardless of his wishes but your mom has also decided against my seeing you and you wish to obey her, then tell me that and the promise is still there and I will not see you unless you call me and tell me it is an emergency and to come.

3) If you want to keep seeing me regardless of his wishes and it is OK with your mom, then tell me and the promise is still there and so am I. **(Your mom is Primary Guardian)**

4) If you want to keep seeing me regardless of the wishes of both parents then tell me that and the promise is still there and so am I (that is the tough one for you Mikey - me too because of your mom).

5) If it is your wish that I not see you anymore for whatever reason you have, then tell me that and I will not come again and I will remove the promise and I will write to you one more time only just to beg you to forgive me for all the shit that has happened to you because of me. Then I will not see, nor write, nor call you again.

Write to me Mikey and what you say is between us alone. One letter even though you hate to write - is that too much to ask for a friend? I have to know what you want to say. Mikey, you never told me you liked me or disliked me. I have always assumed you liked me because of the way you used to act around me. The closest you came to ever telling me one way or the other about how you feel about me is when I asked you if you wanted me to go and you said "no". I have always wanted for you to feel good about me and my being there - that you could feel happy and excited the way I feel happy and excited when I see you - to love me. Most people see a problem with that because they think it is something else. I would really appreciate it if you would tell me ~~how~~ how you feel about me and anything you say is between us and anything you say to me is all right as long as it is the truth. Anything! From you think I was a fool to you are afraid of me to you see me only as a source of fun to you couldn't stand me around to even if you like or love me.

anything at all as long as it is the complete and honest truth. If you tell me it is only between you and me then it is only between you and me.

Write the letter this week, please. If you wait, there may be a court order against me to remain back. But we know Mike - please write. Yes, I will write him now. Because at the moment we are now in, I will send a copy of this letter to your mother - I will not send a copy of the letter you send me to anyone unless you tell me specifically to do so.

So, It got too late to write you - I am sending you one now letter then I will not write you nor call you again unless you have read it and respond that it is OK to do so. If I have been so ignorant as to have totally mis-read Mike's reaction to me - if he doesn't want to see me because it is his own wish for it to be that way - there has never been nor is now a problem for me to just leave and not contact him at all. If he does not want me to go - well the letter will explain the significance of that, and what you do about it will explain to me where you stand in this. It will likely be long but it will be important.

Mikey,

I have known you smoke for over two years - it isn't a secret. You chose to hide it from me - that is your business for whatever your reason. This is about something far more dangerous than smoking, it could even be deadly. In the tape you guys made, I saw you digging thru an ashtray for used cigarettes (not once, but several times) and later saw you smoking one - the pictures are to prove I am in truth. You are the MOST intelligent young person I have EVER met -- far too intelligent to have done that if aware of the danger involved. That can only mean you aren't aware of the dangers.

Remember that you are not only inhaling the fumes of the cigarette, but whatever else it is contaminated with from the previous user - both within the butt itself or on the outside of the filter. SUCH AS: There is a very high probability that those butts are contaminated with some type of infectious disease -- from something as simple as a cold or flu to something life threatening such as AIDS. The AIDS virus lives for some time outside the body and your contact with it at the mouth where it is moist and warm will spread the infection to you -- you will die! SUCH AS: There is the possibility you could select a used butt that contains pot or even worse - cocaine or LSD, that someone else used. LSD, a halucinogenic drug, can remain active for a long time even dried out and if it enters your body, your brain is toast - the effects are drastic and last the rest of your life. Cocaine inhaled as smoke ("crack") is addictive with just one single inhalation - not even animals can withstand the addictive power of the drug. SUCH AS: For the same reason that sicko's put pins and razor blades in halloween candy and give them to kids, there is the possibility that your behavior be observed and a drugged or poisoned cigarette be placed where they know you will find it. People are shit, Mikey.

You scared the hell out of me when I saw that happen. It is I, who am ashamed for allowing my obligation to not contact you make me wait this long. Do you understand? What you are doing by smoking other people's used cigarettes is extremely dangerous. You would want me to just butt out and let you die or lose your mind to some chemical? Even if you ask me to, I can't - I love you - you matter to me. Anyway, you now know what can happen and I am trusting your intelligence to protect you.

God be with you, Mikey

Jim

Dear Jo,

In response to your recent telephone query to JWF about me - in addition to what you were informed:

NO, I haven't written Mikey. NO, I haven't spoken with him. NO, I haven't seen him (save once around Easter - he was in a yard as Jeff and I returned from McStop. Only a glimpse, and from the back, but I am sure it was Mikey). NO, I haven't seen Ricky nor Aragorn since the Kay's meeting between us. YES, I have seen Matt several times - (I gave him a ride once and Jeff, Matt, Matt's friend ((Kory?)) and I had supper together once). YES, I will keep doing so unless it is something they do not want - just as Mikey had the choice. YES, I still care very much about Mike. YES, I still love him. YES, I still think Mikey is a great kid. YES, I believe all the things I said about him. YES, I ask other people how he is doing - if he is alright. YES, I miss seeing him. YES, it hurts to think he would believe I would hurt him in any way. YES, I wish it could be different. NO, I won't "bother" him. OK?

Please do not become paranoid about my presence in St. Joseph. I have many friends there - one of my best lives on your block and it brings me to the block sometimes -- it is infrequent, however. I am trying to tell you that because Mikey told me he doesn't wish to see me, that is all that is needed for that to happen. I can not make him like me, and there is no point in being around someone who doesn't want you there.

I regret you missed the connection when I spoke of not harming Mikey. To even consider I would destroy the very thing that makes me love him to begin with? I am so sorry you saw ambiguity in my words.

If the gifts still have you puzzled, I gave them because I love him - knowing one more positive challenge that is fun is one less self-defeating thing that will be done. Please do not use "conventional" thinking regarding the cost of anything I did regarding him or any other child. (\$10.99 would be OK but \$1099 is excessive?) He is priceless, what he gave me was priceless.

There was no need to be concerned. My door is open for Mike, he has shut his door to me and he is the only one that can open it - Ed will not permit him to do that and there isn't a thing I can do about it. Besides, for all the crap that came down on him because I was in his life, I will be lucky if he doesn't outright hate my guts. Most likely he has put me behind him by now as only a bad memory. I can only appreciate that he spent time with me, that I was given the chance to watch one of the most awesome little squirts I ever met, that there was a time when he trusted me, had faith in me, believed in me the way I do in him.

Like an old fool, I believed you would someday come to know that I care about Mikey as his own person. I believed you would figure out that I knew I was way out on a limb and why (at Kay's) - that I cared enough about him to risk putting whatever I have, whatever I am on the line and not back away. It was meant to show Mikey that he is worth more than I am - for him to understand that he is worth all the faith I have in him which should make him re-evaluate his own self worth. For him to see someone take a "shitbath" for him should have made him realize how much I care about him, instead it left him feeling suspicious. I failed him.

I believed that if things went back to status-quo between he and you and he and his father that Mikey would continually become more self-defeating in his actions in his bide for attention and when punished for it he would keep it inside as being "proof" of his unworthyness. That condition would manifest itself as more trouble with teachers, the law, neighbors, poor grades, uncaring attitude of others (eventually even you) --- depending on how bad it gets, maybe alcohol, drugs or serious offenses. Mikey showed me he is capable of mastering any challenge given him. He also showed me he is a kind, gentle and loving person. He is gifted of intelligence and imagination and coordination - the very things that could get him into trouble are the things that can make him anything in life he chooses to be. I wanted so much for him to see this about himself.

I hoped that someday if you understood, you would contact me and solidify your feelings of me one way or the other. The phone query gives that opportunity - even though it appears "the other" is the case. I can be quite blunt with adults and do so because I have little left in common with most of them. I perceive most adults as "little head" people - driven by goals of money, power and sex - who interpret all others motives by their own. None of my friends are like this, neither are children.

I wish I would have had the chance to speak with Mike after the fallout. I was so numbed by his rejection of me, I was barely able to speak at all at the time. I guess I just can't believe that he could spend any time with me at all and come away with the notion I would do him any harm.

Thank you for the opportunity to respond. I hope this relieves the concern you had that prompted the JWF query about me. Repeating: I told you that it has always been Mikey's choice - come, go, never return - his choice was that I go and that is the way it has been, that is the way it will stay unless or until he chooses differently and tells me so. Jo, I tried to make Mikey feel better about himself and you better about him. He is a good boy. I am glad I had the chance to meet him and experience his friendship - his energy - his enthusiasm - his competence. It saddens me much to think I will not again experience this period in his life but perhaps from the bad of this - your concern about me - good will come by your devotion to insure his safety. Then, at least all is not lost and there will be gain in it for Mikey anyway. My best to you both.

Jim Parsons

PS:

In the writing of this response, I am left wondering what prompted your action to call. Doing that is outside the norm of what I considered your character to be - it is more like something your ex-husband has shown he would do -- even though there were no accusations made, only questions. Has Mikey been so convinced I would harm him that now every time he sees an overweight man or a gray car like mine he runs in the house and hides under the bed? If that is the case, you have yourselves to blame - I told Mikey I love him and he at one time understood what it was. There is no way for him to misinterpret my body language even if he didn't understand what I said - he knew I cared about him and what happens to him. If that has changed, it isn't by my doing nor by Mikey's doing.

Mike trusted me completely at one time, and it was before Ed got riled up about me being there. Mike never had to say anything, I can tell by his actions and if you consider what took place several times you can also see that he trusted me. For instance, I asked him to go hunting with me in western North Dakota for a weekend and he was flying to get the chance - remember the excitement in him? That would put him 500 miles away from home with me, Jeff and our dog into a remote part of the country all day and motel room by night -- excitement, Jo - not fear. The majority of Mikey's attitude change took place after Christmas (90). By spring his body language always had some sign of reservation of me. I repeatedly asked if he was afraid of me or I made him uncomfortable to which he responded no - he was - I knew it - but he would not let me know by word. I had not changed, the things I did did not change - anyone with the mental capacity to tie his own shoes can figure out he was being corrupted about me by someone. I had a short talk with Mike one evening during the period you expelled him. That talk reaffirmed that I love him, I would never abandon him no matter how much shit came on me unless he asked me to, that I still have 100% of the faith of him I always had, that there are stress factors he doesn't understand in being a parent. I told him you had made an error in doing what you did and when you figured it out it would shame you - that he needed to understand it was an error, not a way of life and he should forgive it as only an error in the same way he makes errors and expects to be forgiven. During this talk I felt a lot of empathy for him, he could not miss that I really love him for himself by subconscious body language transmission if not by words alone. The fact is he knows I love him.

In all the confusion, in all the crap that has fallen on him - not once has he made a single error -- testament to his character. I wish there was a way for me to shield him from the crap that has fallen on him because he chose to trust someone who cares about him - if there is, I don't know what it is or how to do it or I would be doing it. I would have rather heard him say "Jim, this is causing too much grief for me at home, I can't see you anymore." which is what I believe he felt. However, I may have underestimated the corrupting affect and he really doesn't want me around. Whatever the case, he has stated that he doesn't want me around, so because I love him, I would do as he asks. If that is not logical to you, then apply "little head" logic and understand that further association after his expressed desire for none would only bring me trouble.

The fact is I love the little fart. I am not going to play head games with you or Ed - it is there, I control it, the only one who can change the way I feel is me, Mike is the only one who I permit to alter it - as he chooses, I have not abandoned him - if the world falls apart on him, I will still help him if that is what he wants and only if that is what HE wants. Until or unless that happens, he has tied my hands in asking I not contact him. If your query was to try to alter my feelings, it failed.

In response to your inquiries of my son (rather subdued questions mostly directed by Ed), my son is the love of my life. He is not up for question, not for discussion. I share this because I choose to. Without his existence and what he has shared with me so far, life would have no meaning. Of course I have made mistakes with him, of course he has screwed up at times. Nowhere in any of that has the slightest loss of love for him occurred, nor will it. He has taught me much about the purpose of life. I do not often brag to others of him without him present for that serves only me - if you are going to brag about someone, do it while they can hear it too - then it serves purpose. I miss the time Jeff was 10-15, before cars and girls and work. He spends much of his time as a young adult now.

Boys that age are fun to be around, they want to learn things that are exciting and fun - they are fun. Showing a youngster things he can do that are exciting and fun gives them an outlet for all the energy that is not self-defeating in nature. Show me a man with many hobbies that keep him active and interested and I will show you a man who doesn't have time for trouble - no interest in doing things that take away or could take away from his hobbies - something to look forward to rather than the quest for something to do.

When you came into Kay's that day you were angry with me and very distrustful of me and my intentions. When you left, you were bewildered. You were bewildered because something was not clicking in your head - your anger is intellectual and it did not jive with your instincts. You have seen Mikey and I together, know I care about him even by reaming your butt for his benefit. You have seen how Mikey responded to me - know he was respectful and considerate and wanted to be around me at one time and you trust Mikey's intuition as well as your own. You may not understand why I care or that even how I could care, but you know that I do because you have experienced it. You saw your boy full of excitement at the opportunity to do exciting things and saw him stripped of those things and watched him struggle with the understanding. You saw him respond to someone who cares about him.

There are things in your character I witnessed that allow me to consider you are still wondering about me. Those are the things that made me say you were a loving person - why Mike had that quality. You would want to know that you did the right thing. Like me, you are stuck with it since it was made a moot point on Mikey's rejection of me. You do not need to be forgiven for protecting him, not by me or anyone else. I offered it only if that is what you are seeking. You owe me nothing, never have. It is I who owe you a thank you for allowing his friendship with me to begin with. Yes, it has dawned on me that things continued to degrade. I told you time was short. He is a good and decent boy and I just pray he can hang on to most of the good he was.

If I have left something ambiguous again, I apologize. I have done all asked of me in Mikey's "no contact" request and will continue to honor that. I will not seek a "chance" meeting of him per his request, but neither will I go out of my way to avoid one. Should that ever occur, I will not be so rude as to reject his greeting nor will I not acknowledge him by not offering him a greeting - whatever occurs will be as much or as little as he desires it to be. Please get a grip on your "fear". If you allow yourself to believe that I really do care about him the way you first did, you would not have these "fears".

I hope that is everything I wanted to say for I doubt there will be another opportunity to respond. I hope someday Mikey is able to override the corruption instilled of me in him and remember me for what I really was to him. May God Bless him.

If you are still hung up on why I called him beautiful, I am returning the three photos I have of three different kids taken the same day in the same place. One of those kids are beautiful, one is just handsome, one is neither -- you will understand.

Dear Jo

Unless you contact me and say different, this is the last letter I will send you. It will likely be another long one for I want to cover a number of points with you and don't get another opportunity. I hope you had a chance to read the letter I sent you last week for I would like to complete a point I started on that letter.

This spring you were very angry with Mike. I do not know why. It is not my business. I am not going to know. I am not judging. I am not interfering as a parent or just only. When I spoke with you the day I arrived in St. Joseph and asked how he was doing you said you had made him go along with his father - that you "threw him out" for being "?????" (I don't ask that for). I still asked how he was taking it and you said "I don't really care". I wrote you a letter then and told you "bullshit, I know you love him and he loves you too - don't tell me you don't care" - remember. Before we go on, is there any doubt in your mind that your son loves you? He does. Is there any doubt in your son's mind that you love him?

The most important question was the last one. I knew you were very angry, but from your voice I also knew you were really hurting about it a lot. In hurt and in anger often we say things we wish we could cut our tongue out for and it is when we forget ourselves that we are not forgotten. If Mikey was told in anger or in hurt something you wish you had never said, get correct with him as fast as you can. It doesn't matter if he said anything hurtful or not - when you example it to him, he will learn to return in kind what he was given by you - in other words, he will ask to be forgiven also because it is instinctive in children to be correct.

Einstein had his theory of relativity, I have mine. It is too lengthy and maybe too boring to bother you with in any detail, but my theory is of the relativity of life. A child is born with absolutely no knowledge - everything it learns is relative to its experiences. For instance a child is born and it is cold but doesn't know what cold is or if there is anything else. It is hungry and doesn't know it is hungry - it only is uncomfortable so it cries. Sings with dirty diapers - uncomfortable - cry. By repetition the child learns that if it is uncomfortable and cries then it is made comfortable again. Relativity. Ever thing it learns is relative to what little it then knows and becomes relative to that. It knows only that it needs and if it is hurting it will be comforted. Is it any wonder then that so many children who need attention will bring discomfort upon themselves (pain - danger - hurt) as a way of trying out? It is a proven method of their relative existence. It is totally understandable that a child would bring harm to themselves to recapture the security of their parents love. (That is an application of my theory) A parent is a stake driven in time and space to make all reference from after knowledge comes and before the recognition of the absoluteness of God - the ultimate reference point. For the parent to be a stake, it must provide an unconditional situation of love for the child - refuge from anything

and everything or it too becomes a relative thing. Absolute
 relativity with no reference point? Is it any wonder such children
 are confused? The new self imposed reference point will be self
 gratification (if it feels good it is right) and that is the road to
 self destruction and loss of self. (It is as short as I could make it
 for the point I intend). Do you see the point I am getting at? It is
obvious to me Mikey does not have unconditional love (a reference)
from his dad. This summer he displayed that his reference point
 (you) had been compromised. He was doing things that were self
 destructive (do not grill him for what he was doing - it isn't
 important what but that he was). When I saw him, I could have cried
 right there for him. Here is a fantastic little guy who has been
 expelled from his own home and banished to his father who has thrown
 him out on two occasions previously trying to hurt himself to get his
 parents to love him. The only thing I could do was to remind him
 that the stars above in for him was still there - what is that when
 he needs his mother's love - his mother's star? Do you see the
 significance of - remaining absolute?
 The short version: I kicked Mikey out of his home. Doing so you
 removed the feeling of unconditional love for him. Without that you
 will never have a good relationship and probably not honor from him.
 The only way to fix the problem is to go to Mikey and admit you made
 a terrible mistake and ask to be "forgiven" by him.

=====

When I called you on the phone last time you said your ex had
 sent me a letter. Under my breath I said "that chicken-shit
 wouldn't send me a letter, he would send it to the police here and
 would try to find out where I work so he could contact my work place
 and do exactly what he tried to do to me last fall." I am glad I bit
 my tongue and said nothing. Monday night I called him and set up a
 1pm meeting at Bo Giddle's in St. Joseph. I was there until 2:30
 waiting for a no-show. I called his house and the boy there relayed
 messages - he would not speak with me so I said I would call again at
 8pm. Then he picked up and hangs up the receiver saying nothing.
 Finally he answers and I find out he "forgot". I had figured he
 allowed the meeting in the first place so he could tell me to go to
 hell in person but I came anyway. He told me not to bother Mikey -
 to look up "penitile" in the dictionary - damn I bit my tongue. I
 find out he called the police where I live and told me I may be a
 penitile then called the Foundation and demanded from them that I
 stop as well. He tells me he and Mikey have a good relationship and
 that you have sided with him in this matter. I told him all Mikey
 has ever had to do was to tell me to go and I would and that when he
 tells me I will. His response was that Mikey doesn't have a say in
 this - this is how he wants it to be. I told him I gave Mikey a
 say in this by virtue of the promise I made him. He threatened court
 action. I told him I had already considered that a possibility and
 Mikey will still owe the last say.

Now you know what took place. Notice my opinion of him is
 justified by his actions. I drive 6 hours to be told to go to hell
in person, knowing the outcome and he doesn't have the courage to
even tell me in person? I find out I was correct about him involving
 local police here and where I work. The man does cowardly things.
 Let's review the chain of events. Mikey makes some mistake for which
 his father goes to the judge and asks the book be thrown at Mikey and

Mickey ends up at the foundation where I work. He is a friendly little guy and since I like kids anyway we become friends. Not once does he ever be with me without the permission of his mother who on several occasions went along with us. Almost every other of the few times we spent together also included his friends. The custodial parent is the same parent that allows the permission - you. One day police arrive at the place I work and declare that I must stop seeing this child by reason of complaint of the non-custodial parent. Out of the blue - Jo -- you didn't know either until I told you. This man brings me with the most vile name I know for speaking time with his son with permission of his mother (the custodial parent) and does so where I work to try to help a boy who is 8 years younger than Mike who has been taken by one of these devils. "This is what I want" he says. Who the hell does he think he is anyway? He "ruks" me in a way that there is absolutely no possible way for him to justify in a civil suit - I could have ruined him for everything he had for that act. If I see this act I let Mike by my actions that his father was I had been trying to build up in Mike's opinion is a no good stranger -- so I don't see -- I even forgive the act in getting to know Mike. The accusation sends me spinning that anyone would think that of me. Finally, after a while the shock of it I write Mike and tell him about having to leave - interference -- Mike calls his dad and says not good things. Mike says he not to go in such a way that I do not refuse and to compensate for the error I made I told him I would never leave unless he asked me to. Time passes and I am aware only that Mike and I are still seeing each other - with permission again but the father doesn't like it. In the spring I am told there is trouble with the dad again but the permission continues. Mike stays becoming distant to me and I expect his father is hating me - I can't say anything because it isn't helpful to Mike's relationship with his dad and Mike won't tell me - so I ask if I had done anything wrong. The fight with you and Mike puts Mike at his dad's house where I know from his saying so in front of you that "he doesn't want to go" he doesn't like his dad - he would never go there if given the choice. After you and Mike get back together things become even worse between Mike and me and I notice it is always at the beginning and ending of a visit. I bring something new into the picture to see what is going on and Mike responded with the same hyper-enthusiasm he used to have with me at the end of which is pity again. Finally, you inform me that you are having trouble with him (Ed) again (last time I phone you).

Those are all facts. Where is anything wrong with this picture? Everything is by permission by the custodial parent who is overridden without consent or even knowledge by the non-custodial parent. Mike has done nothing wrong. I have done nothing wrong. You have decided to trust your instincts and grant permission - an opinion that is yours to do -- you have done nothing wrong.

Add some more information: You told me your ex committed adultery while married to you and that he left for love of another woman. I have knowledge that at least one accusation has implicated your ex in a situation where he stands accused of rape, bondage sex with females, and sexually molesting boys (plural). That these accusations were in the newspaper. That he has been interrogated by FBI and Task Force personnel about the abduction of Jacob Gellerman who looks remarkably like Mike. I did not say guilty or, I said he

Control of Mikay - You have only the control of Mikay that he will allow you to have. You have removed the condition of unconditional love for him in expelling him this summer and from now on he will depend more and more on his own knowing right or wrong. He may be punished anyway. I say if you want control, get a dog. If you feed it and house it and pet it and once in a while take it with you, you can teach it tricks like fetching your slippers for you and invite your friends over so you can show them a demonstration of your control over this animal. If it errors, you can order it to reject it, beat it unmercifully, even kill it. It will seek to fill its needs by finding a better and more forceful and will find someone who will give it that and allow this new master to control its life. So, so for them to love them when you are finally accepted or rejected, you want it and demand its return - after all it is your possession.

Mikay is a human being first. He is your child by gift from God only and belongs only to God. You are to be his guide. A guide does not manipulate, does not coerce, does not reject. A guide is a teacher who takes the unknown and leads them through it and explains things on the way. Love is the key. Love is the key. A guide will spend his charge and give the charge to lead for himself. I say you are the most important person in the world to Mikay by virtue of the fact that he loves you more any other and you love him as if he was the most important person in the world and do so with respect and trust and dignity. You will feel loved in a way that can never be equaled in this life. You can not make love, buy love, force love - only give it. In the same measure you give it you will receive it back - it is in The Book. Don't "teach" Mikay, allow him to learn and you will find that he is teaching you. I say love Mikay with every cell in your body as if you knew he were going to die in his sleep tonight and he will give to you something so special that you will be on your knees crying in appreciation of the reality and magnitude of his gifts to you. He is God's gift to you - that means it is a perfect gift if you realize how to enjoy what you have been given.

Control? You will never realize how close you came to losing your son this summer. His strength and faith would come and your acting on your love for him in time is the only reason he is still with you now.

Look in the mirror. To - You are a handsome woman with a loving heart. When we went to the movie last night, you asked the trip out or me. I put up a wall between us because I want to love you more than I could ever find a way to do. If there was nothing there from you didn't matter only that it was even possible was enough reason to act and remain in honor to my commitment. I mirror your words to you that your husband committed adultery and left you for just of another woman. I say you loved honestly and are victims of one who does not love honestly - there is no fault to you - your gift was real. You feel rejection if not in your words and but your love is still real and I say you are unworthy for what you did.

What you did was in honor and can not be taken from you. If you want to deal like shit about rejection - deserve what your ex and you have done to Mikey is expelling him from his home(s). He doesn't deserve it either. What of Jen?

=====

What is my opinion? Of him - he has done something evil and more than once and is trying to learn how to deal with it using men's education - he will fail and repeat his error for it is still in him. The allegation - I don't honestly know - I intend to try to isolate the time and investigate using legal papers dating back to when he got out of the service - it will take time. It is entirely possible he is as innocent as I am about the particular allegations; he is alleged to from his actions and the way he acts people. I believe it is true. I do not intend telling Mikey unless the situation changes for the worse for him. But I will use what I know to protect Mikey and from his father.

Of you - I think you are being controlled by your ex - he tells you to jump, you do - he tells you to crawl and you do. You have got to get your act together if you want to keep a decent child decent. You must decide what path you are going to take. Either you are going to be strong against all forces including his father and do so with resolve and authority for what you believe is right regarding Mikey's life things - not just this or you are going to resign yourself to be and this act and be overridden by someone who threw you away like a piece of shit after he used you to get an education (you know what I mean). You have legal custody of Mikey and have raised him since birth and you are going to make decisions just like anyone else has. You give approval to me and permission to me and then allow him to find out and do not demand that I was acting in permission? Why do I not finish with you instead of asking you to keep your faith in me? Because I believe you are being controlled by Ed and I believe you love Mikey and because I believe if you realize this you will correct it and Mikey will have what he needs - you. That gives me some of what I hoped for Mikey - self esteem, unconditional love, trust - that he can realize the enormity of his gifts and not lose himself and the wonder he is.

Of Mikey - I hope he is as strong as I think he is. I believe he has been mentally whipped by his father concerning me and it has compromised what he thinks of me. I hope he is strong enough to trust me further that I will not abandon him regardless unless it is his own wish. The pictures - those pictures are for me, those looks are for me. They are Mikey's gift to me not to anyone else. I would hope they keep coming my way and I would hope he would someday return the gift of his appreciation to me and the gift of his love of friendship to me. I hope he realizes that my stake is there for him until he pulls it out himself regardless and would not pull it out to "protect" me from something he says he thinks might hurt me.

=====

If you see any part of this letter as condemning of you, you have missed something. I am pointing out what is happening to you and the consequences of allowing it to continue. Consequences for you and for Mikey (Jen?). I say I have tried to be a friend to you

and tried to help you and if you want I will stay your friend and continue to try to help if you ask and if you make up your mind that is important to you. If Mikey is the most important thing in the world to you, you have a beginning. If you love him and trust him and learn from him you have a path that will be difficult at first to establish but will be solid and easy to follow after that - also rewarding. I tell you that path will require strength and endurance and courage to stand up against your dad for what is right and just whatever it be for you. Mikey, Jen, me or the guy on the next block. How do you do it? Tell Mikey I see you. Believe him! Trust him! Listen to him! Love him with all his heart as much as you think you are capable of. (don't be afraid to tell him you love him, hug him and kiss him, praise him for his efforts as well as his successes. You will never again have the kind of love that he will give you.)

Your dad has said you side with him on the matter of Mikey leaving me. I know that he lies as evidence has proven it so. He is lying again! He is a liar and no say in the matter. Mikey is all that matters. I tell you Mikey has all the say in the matter. So, look at your son - a young man who has complete trust in him. I tell you that Mikey is not a person who has no room for error. That he loves Mikey as his own person. Mikey is a boy tormented by his father's "discipline". If I tell you "Mikey, Mikey" and you say "then I am just another person who doesn't really care to him". Don't you see the Mikey has asked his father to keep me before - he had to have loved me to do that - right? That Mikey would trust me as much as he would tell you that there is something major wrong in the relationship between him and his dad - it is not Mikey that is the wrong of it - it is never the child. Listen to Mikey, he has told you already many times there is something wrong - still you would rather believe in someone who threw you away. LISTEN TO MIKEY - look what anybody else wants - including me. HE NEEDS YOU TO BELIEVE HIM AND ACT FOR HIM - NOT ED? NOT ME. NOT YOU ---- MIKEY!!!!!! GIVE MIKEY AUTHORITY OVER HIS OWN LIFE NOW WHILE YOU CAN STILL INFLUENCE HIS DECISIONS BY GUIDING HIM WITH LOVE AND RESPECT. IF YOU WAIT TILL HE IS 18 AND GIVE HIM AUTHORITY, HE WILL HAVE BEEN REJECTED FOR SO LONG UNJUSTLY. HE WILL NOT LISTEN TO ANYONE. If Mikey has authority over the relationship with his father now, he may even be able to develop one that will keep him part of his life in the future - if you force Mikey to have a relationship with his dad against Mikey's will, at 18 there will be no relationship at all. Mikey is not some stupid friend. He is very intelligent and he has proven he makes mostly good decisions (practices will improve his percentages). You will know when he makes an error in a decision and can tell him how to make a better one next time - still praise him for having the guts to make it. Concerning "pedophilia". Do you think Mikey is so stupid as to want something like that or what? asking someone to make a decision for him? Do you think anyone could convince Mikey that sexual relations between men or men and boys are good? He is beyond that already! The other sexual assault would be forced rape of him and no matter what you do you did not prevent that from happening - neither can he. Now I ask you what kind of person would commit rape? Maybe one with no conscience obsessed with controlling others, needs to gratify his/her pleasures, have no regard for anyone except self. I don't fit any of that do I? No? Mikey already knew this. He is right years ahead of where you think he is.

for that Jim.

DO NOT LET MIKEY FIND OUT ABOUT THE ALLEGATIONS. AS LITTLE AS I THINK OF ED'S CHARACTER, THEY ARE ONLY ALLEGATIONS YET AND MIKEY MAY ACCEPT IT DIFFERENTLY. DO NOT LOWER YOURSELF AND THUS ME TO DOING WHAT HE HAS DONE TO ME WITHOUT EVEN ALLEGATION(S) PRESENT. THAT WOULD MAKE ME AS BAD AS WHAT I THINK HE IS, EVEN WORSE IF IT WERE UNTRUE BECAUSE OF MIKEY.

To Whom it May Concern:

I've hesitated about sending this letter, for reasons which will become clear as you read. It is probably a very long shot, but it seems to me that no stone should be left unturned in the Jacob Wetterling affair.

Richard James Fox, now living in Billings, Montana, is someone you might want to question. He used to be a Minnesota resident (with ties both to Minneapolis and Canby) and was, in the early to mid-seventies, a student at the University of Minnesota. He is an extremely intelligent, very private Vietnam veteran. It has been about eighteen years since I last saw him, but I recall him as large and burly---about 6'2", with receding sandy-red hair. He wears glasses (or perhaps contacts), and is by now probably nearly bald. Although I didn't know it at the time he was attending the U, I've learned since then, from the father of five sons, of his special interest in young boys. He's now about fifty.

While I'm not sure how many times he has been back in Minnesota since his University years, I do know he has made at least one return trip. I must emphasize that I have no evidence of his connection with Jacob's abduction, but felt I should give you this information to do with as you think best. In view of what I've said above, together with the fact that there is a somewhat more than slight resemblance between the widely-published drawing and Richard's description, I think you can see why. I've no desire whatever to make his life difficult, but I also hope to see this case resolved.

Yours very truly,

An anonymous but concerned citizen

Feb. 26TH 1993
Michael Barry
P.O. Box 634
North Troy, Vt. 05859

Dear Wetters -

Today, I've traveled around southern New Mexico. I'm in Hope, N.M. camping. There's a 4H rest area I'm going to nap in and head for the "Escapers" in the Carlsbad area. The weather was beautiful today at Cloudcroft Ski Area but there wasn't enough snow to go skiing so I drove around some small towns and decided not to go to the larger towns but to head to Del Rio, Tx. and sit by the lake getting some sun or wind burn - it will put me to sleep one way or the other! I really don't have a direction planned except follow my comfort factor weather-wise

Not too hot + not too cold! And
not too many people! (The stranger
the better!) I was in Weed, N.H. at
the post office and saw a poster with
the two men (they got fatter) + Jacob's
photo. I guess the FBI doesn't know
everything, try grammar school kids for
info, they always have some valuable info.
What's new at the Seminary? I read they had
some unwanted advances made to the students
was that alledged or confirmed misconduct

Everywhere I go the local papers +/a
radio have horror stories - while I was in
Fort Stockton, Texas, a man who murdered
his wife, in front of the TV camera, at
their daughter's suicide burial, ^{in Florida} was
arrested at a bus stop on the way out
West! I'm sleeping around town in my
van + trailer (I won't elaborate on that)!!

So, I'm considering my next area to cover!
my van + trailer are always being broken

skiing is better ~~that~~ than going to work!
I'm thinking about another boat, if I
still have the energy to go through all
that - just to have someone take it away
from me! Maybe I'll go to the library
and read some old mysteries, everything
repeats itself - The only thing new, is
Hillary & Tipper. Maybe the new age
will smarten up and stop them in
their tracks! The crime stoppers at work
I went to school with some smart people
I bet they have good jobs by now! I
wish them well, I know good people
exist but I can't find any to talk to
So, I'll be waiting to hear from you -
give me some clues to work on - food
for thought. Mental Midgets aren't
capable of much, so let's start with the
top 25%! Who, what, where & why!!! Love,
Michael

into - just vandalism but it is revolting!
I gave up calling the Police, they have been
known to be less than God-like!

My traveling is my life now and I need
to relax more & more since there is no
real direction, I look around and
some places turn me off and I
end up reading about them (after I've
been there - you'd be surprised what
I've just missed!) As I feel I'll
be caught in the middle of some
violence, I hope it's on a day I'm ready
to Kung-Fu + Ju-Jitsu and not
just nap! I would say Geraldo
Rivera would be worth watching
but my TV was stolen last time I was
in New York and so I'm not up to date on
Corruption, Abuse, Etc. only what I read
in U.S.A. Today. I'm glad I had a few
good memories of skiing - a few good days

that occurred on 17th Av. see the complainant at her residence on 10th Av. Upon arrival I spoke with the comp., who stated that she works for an escort service, she refused to identify the escort service or what kind of service she was supposed to provide except "time". She said she went to 2239 17th Av to meet a Ryan Palmer, phone number 779-9554. When she arrived Palmer forced her down stairs and wanted to put his fingers up her anus and for her to "fuck his balls."

When she refused he tore off her clothes bit her on her breast and "forcefully" took \$100.00 from her.

SUPPLEMENT : 1

STATEMENT OF SGT. DOLAN ON 041293 AT 1943 HOURS TAKEN BY JMC

While working Squad 504 with Sgt. CHRISTIANSON, we responded to 2121 Bryant Ave. South on a person with a knife. We arrived and were met by RODNEY JOHNSON. Mr. JOHNSON told us that the suspect, who lived upstairs of 2121 Bryant Ave. South, had confronted him in the rear of that dwelling with a large knife.

At this point, I came out of the front of 2121 Bryant and stated that she witnessed the suspect, who she ID'd as JAMES ZIEBART, chasing Mr. JOHNSON down the driveway and around the front of the house. I also witnessed a confrontation between JOHNSON AND ZIEBART on the back porch of her dwelling.

It was learned from MR. JOHNSON that while he was in back of 2121 Bryant retrieving his dog, he saw MR. ZIEBART come out of the rear of the dwelling and start waving a knife at the 7 year old daughter of I. As he was yelling at her to "get away," he raised the knife in a threatening manner. As she started to run away, he swung at her, hitting her in the buttocks.

I ran around to the front of the house and into her dwelling. Her mother stated that she came in screaming incoherently.

At this point, ZIEBART confronted RODNEY JOHNSON with the knife, pointing it at him and yelling, "What are you doing back here?" He kept yelling this as he pursued JOHNSON out to the front of the house. Mr. JOHNSON ran home to 2117 Bryant, which is next door, and called police.

Sgt. CHRISTIANSON, Sgt. JENSEN and myself proceeded up the rear stairs to Mr. ZIEBART'S apartment. We announced ourselves and received no response. Sgt. JENSEN and myself found Mr. ZIEBART in the bathroom. He came out without any resistance and was handcuffed. A large knife was found on a table by the bathroom door.

I asked Mr. ZIEBART why he had the knife outside and he stated that he was using it to clean the yard. I asked him if he assaulted anybody and he became silent. At this point he was told he was under arrest for assault. I escorted him to the squad.

While I was taking Mr. ZIEBART to the squad, Sgt. CHRISTIANSON was talking to DEL ZIEBART, PH# 715-698-2719, and he learned that he had just brought the deft. into HCMC Crisis where the deft's psychiatrist, KEITH HORTON, advised the deft. to increase his dosage of medication for manic depressive diagnosis. Deft. had been exhibiting bizarre behavior for the last couple of weeks according to victim and witnesses.

I had further conversation with I who stated that the behavior of Mr. ZIEBART had been very confrontational for the last couple

weeks. She also told me that he seemed to vent his aggression towards young children. She also confided to me that Mr. ZIEBART had "flipped out" and had to be hospitalized on the one year anniversary of JACOB WETTERLING'S kidnapping. She did mention that Mr. ZIEBART had a vehicle and often travelled to North Dakota through St. Cloud. Having worked on the WETTERLING case, I did see where he somewhat fit the composite. I also noted that his key tag was from St. Cloud Toyota/Subaru. I will send a memo to Agent AL GABER, of the FBI.

While we transported Mr. ZIEBART to the jail, he became very sullen and would not talk to us. At the jail, he would not talk to deputies and would not follow their directions. He had to be guided. The knife was taken to property evidence room and inventoried.

I would also like to note that I did talk to _____ and she stated in her own words that the suspect scared her, raised the knife up and yelled, "get away." I asked her if she was hit with the knife and she nodded yes. I asked her where and she became embarrassed and looked at her mother. Her mother asked her if she was hit in the back or on the buttocks and she nodded yes.

to YOU FROM ZONNO:

On this case , If you ask any Army man if this picture shows he is Army Intelligence, they would say yes. I should have known that, but the people upstairs have kept all of us awake for more than a year, all night long with noise, etc. Four or five reported it to Mrs. Smith, the landlady, for a year, and nothing was done.

This idea you might utilize or discard as you see fit. A girl in Govt. in WWII said her mother died in childbirth and her sister did likewise. Her sister's husband snatched the baby and disappeared. My friend saved \$20,000 for this girl's education. So when she approached 18, we wrote to various High Schoolsto find Jane Doe. They had the girl and she was graduating. My friend attended the graduation ceremonies, gave the girl the \$ and she became an OB nurse in N.Y. Hospital. She married into \$, and when having a baby, we had the doctors there to discover the inherited problem, and they saved her life, knowing her grandmother and mother both died in childbirth.

You might write to various schools in Northern Calif. to find this boy.

I have been successful in many other cases. As a matter of fact, I called the CIA the day after their shooting, and said their man Kansi was now on a plane out of this country. They said that is your "imagaintion." I was correct.

I have been placing these PIX outside the Courthouse where I worked and I knew someone would help me find them some day.

Dear Patty & husband,

I have thought about this long and hard and came to the conclusion that I have to try. What kind of a person would I be to just do nothing? I think about Jacob and you all so very often.

Have you checked out the tunnel behind Randalls in Mankato? There is an underground tunnel, the entrance is an old sewage or sewer opening. There is another entrance behind Hy-Vee (I think) and another entrance on Monk's Ave, by a cemetery, by a George Eckert's residence. The 2 stores are on Riverfront.

Will you please go to the one behind Randalls? There is a road which leads back there - you will see a lot of trees, a bridge - do not go back there but park your car on the platform which leads into the grassy area.

Tell them you only want your son
If nothing - keep your hair and
say it again - you only want your
son - that they are there by choice
but that he is not. I truly believe
that your son is there. You will
know him as a mother always
knows her child. There is not and
will not be any danger for you guys
as there has not been any for your
son. Do not bring him to St. Joseph
in Markato but to your own
Doctor for a check-up. Keep the
people you bring with you out of
sight. If for sure your son is there
you will leave with him and
everyone will be unharmed. And
Patty - I have come to realize that
these words do make all the difference
"With the blood of our Lord Jesus Christ
I rebuke Satan." The time is now
for Jacob to come home. ~~PLEASE PATTY~~

Rec'd 4/21/93

649 NE 3rd
Valley City ND
17 April 93

Bob Lee
Executive Director
Jacob Wetterling Foundation
PO Box 649
St Joseph, MN 56374

Mr Lee and JWF Board members:

Received your letter dated April 7, 1993 today (4-17-93). It was postmarked 4-12-93, the significance being that I had just spoken to Jerry Wetterling about the same subject around noon that date and voluntarily resigned any status with JWF in an effort to thwart any damage to JWF that might be incurred by it by way of my actions. I had no idea at all the damage caused by the innuendo spread by this boy's father of me until Easter evening and was then that the outcome and certain resignation to JWF was known by me would occur. Having spoken with Jerry Wetterling and left in understanding (assumed) that I would not return and cease affiliation with JWF I expected a letter of acknowledgement to that - not a curse or condemnation of actions by those unknowing of the situation.

In regards to your condoning my actions, I state that I placed myself in a position of incredible risk to self in attempt to save the life of a child, kept all promises and agreements as stipulated with parents, acted in accordance to the will of the child at all times and according to the word of God to love and protect those dear to him -- the same reason I came to St Joseph to help find Jacob -- love of a child. I did try to do something to a situation to keep a child from possible death or serious injury in his ever escalating attempts to get attention which have so far resulted in his arrest(s) for various felony charge(s) and degradation of physical and spiritual health by his doing of these things. In the event of his untimely death, I will be seeking criminal action against his father for permitting this to occur when was informed of the problem and its solution to which he did nothing, and am currently reconstructing all things known to me in case that becomes fact for maximum effort at prosecution.

Isn't it ironic that love for children (which was recognized in me by JWF and commended for in the effort for Jacob) is the very thing I "stand accused of" especially after JWF's full knowledge of its existence and approval by JWF at a prior date? I believe betrayal is the correct word for such a letter when sent with no acknowledgement to standing conditions with Jerry Wetterling (board member). Both Jerry and Patty are aware of how much I love Jacob Wetterling and I left Jerry with the knowledge that that condition will remain intact. Both Jerry and Patty would have expected that I respond by submitting to them personally (which I did and predates this letter) a separation notice of some kind to protect JWF from any embarrassment my actions caused - as to not interfere with the recovery effort for Jacob. I restate to you what I told Jerry - that I won't return to St Joseph again save to collect what was promised when Jacob is recovered - a hug. Please do not condemn what you do not understand nor have facts in the matter of lest you condemn.

yourself at judgement as well. I took a chance to save a life - got fried for it - and will have to suffer the consequences of trying - all without benefit of understanding by those once my friends who have betrayed and abandoned me. If you knew me I would ask of you to trust in the character I have presented in my long association with JWF -- since you do not know me, we have no basis for understanding save the need for JWF to continue the search, so trust that I will act to prevent harm by me in that effort.

Please keep all personal items of mine currently residing at JWF specifically including the data base and related software for the mailing effort to police, sheriff and postmaster locations nationwide and be advised I have a data base of motel chains that you may also have only by written request for same which operates on the same old computer that Warren gifted to you. I am returning remaining T-shirts I passed out in my drives thru the country under separate cover at a more convenient time and will no longer wear Jacob T-shirts if that is your wish. I ask you continue to promote the law that I got installed in North Dakota and submitted to JWF for Minnesota approval - the registration law - which I secured from California by way of the Kevin Collins Foundation. I ask that should Jacob be recovered before such time as I have proven to have redeemed myself from this "nuking" that I be informed by way of letter. I ask forgiveness that my failed attempt to help a child not my own has caused the people of your city worry of my intention. It is my "blood bath" and I will live it alone -- AND I will NOT be criticized by the uninformed for doing so.

Finally, although related to FBI officials earlier, for your knowledge and ease of mind as well as to thwart further allegations leveled at me by this boy's father concerning Jacob - I relate my "alibi" to you concerning Jacob and his disappearance. Oct 22, 1989 - one of very few days in the year I can tell you where I was and what I was doing specifically at at least part of the day. That being it was opening weekend of pheasant season and as is custom with my son and I, went hunting in western North Dakota. Hunting was excellent and we filled out early the second day leaving before noon and "in convoy" with a friend and his son. Somewhere around noon (1 hour earlier to 2 hours later) we stopped at a rest area immediately east of Bismarck, ND and ate sandwiches with my friend and his son leaving for home thereafter which would be a 2 hour drive placing me home between 2:30 and 5:30 pm. Creatures of habit, my son and I would have discussed the affair with my wife then brought equipment inside for put away and cleaning waiting on that task until the birds were cleaned and freezer ready. I do not recall the time between this and bedtime but I would have either cleaned equipment and perhaps loaded shells or watched TV or even gone out in the country to test some reloads -- no recollection whatsoever except by habit. My wife serves supper early - around 8:30 if we are home - whatever else, we ate supper. The news and weather comes on at 10pm here and I would have watched it. That fact alone places me 225 miles away from St Joseph 45 minutes after the abduction in my home with wife and son present - I just do not remember. Time and distance makes it impossible for me to have been in St Joseph and return. Whatever other innuendo and absurdities are stated, it should be obvious that I am not capable of traveling 225 miles in under 45 minutes - and did not abduct Jacob Wetterling.

My "crime", Bob, as stated by Irv Rieland Easter evening is "being overly friendly with children" I am guilty of loving children and doing whatever I can to help them according to what they ask of me I am guilty of enjoying the company of children, finding them more deserving of trust than almost any adult - something you redemonstrate and strengthen in me by your own accusations at me I am guilty of being a caring person, often doing things that others will not in attempt to accomplish -- attempt for Jacob has met with failure to accomplish, attempt for Brian resulted in his return, attempt for Barry resulted in the discovery of his murder and murderer (now imprisoned), attempt for Arlin resulted in many new leads - the possibility of his murder and murderer, the attempt for other abducted children led to the spread of JWF integrity as being a leader for children and the attempt for Michael is a private battle to keep an absolutely awesome, wonderful, gifted young boy from destroying himself I am absolutely and totally opposed to the ownership of human beings by other human beings, yet the court in Stearns County said that it is "improper to help a child in a life-threatening situation or even to inform the parent of that life-threatening situation" That statement makes a child a possession and constitutes ownership of a human being by another - so sanctified by the court That would make what you are doing improper also if not for the permission of Jerry or Patty, wouldn't it? Life by permission of the parent? You have your path and I have mine Yours will bring you honor among men and recognition among men of your deeds Mine brings me humiliation and sorrow among men in even the trying I guess it depends on who your are trying to be faithful to, doesn't it?

I would appreciate a statement from Jerry or Patty as to my relativity with them seperate from the Foundation Except for the T-shirts (as related above) no further contact will be initiated by me to JWF, but reserve the obligation to respond to any further correspondence to me by JWF I am sorry it came to this

Dear Patty,

Recently I heard you speak.
Your message is one of hope & courage.
It is also one that is very much
needed. My heart goes out to you &
your family.

Many years ago when my
brother was 16 he was abused by a
pedophile & some of his friends. This man's
name is:

Dean Heath

1700-4 Ave NW

Mandan, ND 58554

(701) 663-1745

If he has not been investigated, it's
just another name. However, if you know
of him, you know he was brought to
trial for his abuse of at least 2 of the
boys that have "lived" with him. To
my knowledge he was not convicted because
the statute of limitations was up (7 years?)

It seems ~~to~~ no one has the
courage to stand up to him. I
despise him & yet can't discuss these
disgusting things with him. I ignore it

best I can & try to deal with the hurt this man has caused.

What I can, and do do, is keep my own children far from him. When I have to be in his presence I hold my small boy so Dean doesn't touch or kiss him - as he tries to.

3 things I know about him:

- ① He is seeing a psychiatrist or counselor as a result (possibly) of his court proceedings.
- ② I believe he may have been absent from work that weekend to go to MPLS.
- ③ One of the early sketches resembled him. That sketch was replaced or not shown later. He is in his 60's and his health is shakey at times.

God Bless You
With Strength to Continue
"Sharing The Hope".

ATTN OF: Dave Evans (218) 634-2661

SUBJECT: Possible suspect Wetterling abduction

TO: Det. Ralph Boeckers, Stearns Co. Sheriff's Dept.

Dear Det. Boeckers:

Please find enclosed the material we discussed. Kindly do not release print outs.

- Areas of interest:
- a) frequent travel within one mile of St. Joseph's as a truck driver during period in question. Subjects regular run was to Illinois from Ontario and Manitoba.
 - b) Very distinct "Gravel" voice.
 - c) 1990 conviction for sexual assault on a minor male.
 - d) General physical characteristics
 - e) probable association with observed pornographic material containing hand written comments concerning acts of violence. Pornography was not legally seizable, and did not depict minors.
 - f) Ontario Provincial Police report that subject has been violent towards them in the past.

This subject was convicted in 1993 of running a marijuana growing operation in Rainy River Ontario and is no longer legally admissable to the United States. Subject now resides in Winnipeg Manitoba, approx three hours north of Warroad, Mn. I'm confident that the authorities in Winnipeg would assist you with any interest you may have in this individual. I can put you in touch with the right people if you like.

Best,

Dave Evans

LEAD: Saw man w/ boy at Karen's Frozen Custard Stand, in Milwaukee, WI, in September. Boy looked like Jacob and kept saying comments including Minnesota, (about 3 times) and always a little louder, such as "We don't have frozen yogurt IN MINNESOTA." Then he went to the bathroom. He was very fidgety and trying to make himself obvious. Man was quiet and mean-looking. Gave info to local authorities but they were not interested.

We Have been receiving calls for the past month from a Claire Fullerton. She claims that her children are being sold for sexual reasons by social services. Claims Social Services, the Clinton administration, the American Navy, local Judges and law enforcement agencies are involved in abducting and selling children.

Claire sounds very unstable. She is calling quite frequently leaving long delusional messages on our answering service.

We would like intervention to stop these phone calls.

Our local sheriff's Department has been contacted. The contact person and phone number is:

Doug, does the name Jerry Morris mean anything to you? Perhaps you have already checked this man out, however, if not, you may want to. As I was going through some files today, I started reading some of the information that was in a file named 'Jerry Morris'. Along with this cover fax I am faxing you some of the information that was in this file. The poems are only a few pages form a thick book of poems this Jerry evidently has written. He sounds like a lonely, angry, frustrated man.

If you would like the book of poems, I would be happy to drop it off or mail it to you.

There was a tough cop in that room named Vito Olson who caught up with us as we were leaving the building. He asked to shake Steve's hand and admitted to becoming calloused and insensitive due to the nature of his job for he has seen so much cruelty and cowardess. He also professed his life has taken on a different perspective after witnessing these two courageous people. I feel he spoke for us all.

The long drive back gave us time to sort out the details. Paulette was in pain having ironically suffered a miscarriage on the day she tried to identify Aaron. But we talked of hope and expectations. Just prior to our trip the Jacob Wetterling Foundation had agreed to accept this case. If this child proves not to be Aaron we couldn't ask for a more dedicated and competent organization to be behind us. Blood samples from both the child and Steve will be sent to a lab in North Carolina for DNA tests that will irrefutibly answer the question. It will be an interminable four weeks. Paulette tried unsuccessfully to catch up on her sleep. She talked through intermittent tears about wanting to hold Aaron again and to hear his small sing-song voice calling for mommy and deeb (for Steve). I hope she gets that chance soon.

The Snake River borders the Anderson's property. After Aaron was reported missing the authorities conducted a massive water rescue and search effort finding no clues. The intense media coverage of the water search implied that Aaron had drowned. This misconception was exacerbated by erroneous public statements by the Pine City Sheriff's Dept. that were never corrected. Bloodhound activity, fishermen next door, lack of footprints in sand at water's edge and overwhelming circumstantial evidence conclude that Aaron was not near the water. But when I question Minnesotans about the boy that disappeared in Pine City they ask if his body was ever recovered from the river. As farmland gave way to ranchland Steve and I hoped this child we were to view the next morning would be their son so past injustices would no longer matter.

Observing the child through oneway glass, not allowing Steve or Paulette any physical contact seemed like the latest in a series of cruel events. But it was a necessary precaution that could prevent the child from experiencing a hysterical or traumatic scene. This beautiful, lively boy played and talked with his foster parents while unknown to him Steve and Paulette were only feet away matching him to memories of Aaron. It was a most poignant scene with crosscurrents of feelings cutting into everyone on our side of the glass. A caseworker, several law enforcement personnel and I observed these parents talking inaudibly and focusing on every salient aspect for identification. Then it was abruptly over. We were all uncomfortable with expectation. The Andersons walked slowly back to our table. In a throaty and quiet tone Steve announced that they didn't know if this boy was Aaron. The pain of inconclusiveness shown in his face as he repeated the statement. They couldn't positively identify him as their son.

TULSA BOY THOUGHT TO BE ABDUCTED CHILD

Seventeen months after the disappearance of Aaron Anderson from his Pine City, MN. home, his parents Steve and Paulette still believe they will find their son. I recently accompanied them on an emotional and inspiring trip to identify a child thought to be Aaron.

A compassionant foster family in Tulsa believe they are caring for Aaron. A recent telephone call from the Tulsa authorities to the Pine City Sheriff's Dept. informed the Andersons of this exciting possibility. Subsequent photographs and a video were rushed to Minnesota. The similarities are uncanny even down to two separate birthmarks. Family members are sure this is Aaron. Although a child can change dramatically in appearance from 21 months old to 38 months both Steve and Paulette were extremely encouraged.

The Anderson case has been my only assignment since becoming a volunteer investigator for Missing Children Minnesota nine months ago. Meeting Steve at that time I asked about his occupation. Without hesitation he responded that his work is to bring Aaron home. I'm beginning to feel much the same about myself. At 2:30 AM on a recent thursday morning I stuffed a small suitcase in the trunk of the Anderson's car and wondered what was at the other end of this twelve hour trip to Tulsa.

As we chased the moon accross Iowa Paulette occassionally sang a soft country melody. She was lying in the back seat recovering from recent surgery and talking about the consequences of testing positive on a pregnancy test just four days ago. I mused how this couple has endured two tragedies not just one. Due to a series of events and mistakes few people ever realized Aaron was most likely abducted. The Andersons have had to contend with the outrage and frustration of an abducted son that the public has never looked for.

WHERE ARE YOU AARON

Your mother needs her purpose back
and your dad has lots to teach;
he sees too much of himself in your
velvet eyes not to weep and weep.

There was no trace.
The river gave nothing back.
The bloodhounds silent to your footsteps.
Posters, interviews, police.

Just outside the kitchen door
Three minutes and he's gone
"Aaron, Aaron don't hide from mommy"
Three minutes that changed the world.

There's a carpenter in Pine City
that doesn't hammer nails anymore
and there's a mother in Pine City
that feels Aaron in her womb
and a dog named Aaron's Golden Treasure
that wimpers for his playmate.

Arriving

I walk from the plane
and confront anxious faces.
On tip toes like ballerinas
or shuffling like jazz muscians,
they wait
and peek and peer
vying for just the right space.
I search the crowd--every eye,
even though I'm expecting no one;
but just in case.

Little girls squeal
when daddys appear.
Stone business faces
turn microwave warm.
I don't look at their embraces,
wanting to stay ignorant of pleasures
I may never again enjoy.

A woman holding a sign
for a man named Ben;
I'm tempted to say
I'm him.
Hugs, kisses, pats on the back
and silly courteous questions
like "how was the trip."
I could have answered
but no one asked.

A cold looking bitch
who chained smoked on the plane
and looked viscious as a panther
became little miss kitten
~~when-meeting-her-parents.~~
in parents' embraces.
They must see her through
different lenses ~~_____~~
for I'd like to pat her fur down.

A young whore prances
through the lobby
starring at faces too.
Am I so different than she.
I also search for warmth
to lay down beside.

JACOB

Life was simple then
To be gathered up like nuts from
under a tree in a red handkerchief.
He would have looked more at home in a
15th century painting wearing a high ruffled
collar than on a missing child poster.
Stolen from a small town bike
most of Minnesota now searches
their innocence, leaving his
parents pretending sanity.

The abductor waits, expects.
The Feds compute, discuss, surmise;
all the right stuff.
Time and news applaud the efficient crime
Then no more headlines
A month goes by ENOUGH, ENOUGH

Secrets to Visit

My search for you
traversed continents and decades.
Staring into a million disinterested faces
I begged you appear.
When you did, I hardly noticed
until our New York affair.
There I learned to trust
and you rode in a horsedrawn
carriage to celebrate.

Since then we've consumed
many beds and meals.
Each city we made love in
holds a different secret.
Each empty restuarant at three
in the afternoon echos our laughter.
Waiters whisper about the couple in love.
Doing things later we were ashamed of,
Blushing, we blamed it all
on the black russians.

I still trust and
smile at your celebrations.
There's more secrets to visit
I checked the map today.

Cry Your Tears

Cry your tears
and let your face be honest.
Cry the pain away,
the fears will gently follow.

Cry again, again, and again
until all you remember is tears.
One morning you'll awake
with none left to shed.

A woman was my teacher
of this.
And its better than my
old weapons of shouts
and fists,
or just ignoring the pain
pretending it doesn't
at all exist.

DEAR AGENCY,

There's been some questioning about me...

Please don't judge, or base the merit of these ideas on me. On others; groups, or individuals, we can not win. WE must share our KNOWLEDGE... These solutions are possible. It's a BIG BUNCH of problems, taking BIG STEPS, WE'LL find BIG SOLUTIONS, TOGETHER!!!!!!!!!!!!!!!!!!!!!!!!!!!!

ABOUT ME...

5' 10" w/m BRN HAIR BRN EYES 210lbs. PLENTY OF SCARS

703½ S. Portland ST. KNOX, IN. 46534
219-772-2939

I come from a broken home, twice.. My first father was an alcoholic. My second was also, he always maintained a fear in us. (ONE BROTHER, TWO SISTERS) He was addicted to morphine. I had lived in many homes, in many small cities, by the time I graduated. I went to see my real father, I was tired of working 3 jobs, and watching my mother use men to get things. My father showed me his house, and then gave me 2 weeks to have a good job, or I'm out.. I hadn't seen him for 10 years.. He told me this on my first night, welcome home.

I joined the UNITED STATES MARINE CORP., 2 weeks later. As a marine; in boot camp I was the first squad leader, I was the leader, we started with many, and ended with few, I could do 135 sit ups in 120 sec. I could do over 20 marine pull ups, and I could run, and run.. I miss it. I was less than 5 sec. off the world record, on the obstacle course... At my first duty station marines were being killed, by marines.. It was then that I started to learn what night life, and death, could be. I saw the worst small town, ruled by evil, mostly marine-pimp-drug dealers. I had to associate with..men, and women, that made more money in 1 night, illegally, than I made in a month.. Then they started stealing from me.. MORAL OF THE STORY... I LEARNED TO FIGHT FOR WHAT I THINK IS RIGHT NO MATTER WHAT THE ODDS... By the time I got out of the corp, I had met Lt. Cor. OLIVER NORTH, and was on the MARINE CORP. #1 BASE IN THE WORLD.

I WENT TO COLLEGE

I STUDIED PSYC-PHIL-SOC, OR THE PHILOSOPHY OF SOCIAL PSYCHOLOGY, I PAID FOR THESE 79 HOURS BY ACTING... A FULL RIDE. I THERE LEARNED THE TRUTH. I MET VICTIMS OF MANY THINGS, I ALSO SAW A CHILD BEATEN, AND A ANGER HAS GROWN FROM THOSE THINGS SENSE...

I WENT TO BARBAZION

Persuaded by friends I entered a modeling agency, they took me?! (I was " The most handsome man in the world " In a play..) I was asked if I'd like to be in a movie, " Heart Break Ridge ", a movie about Marines, starring CLINT EASTWOOD. I wasn't in the movie, it was a ego minded movie with a totally unrealistic view of what I know of marines.

I WENT TRUCK DRIVING

I drove in 44 states, everyone had a kids picture up somewhere, soon every where.. I SAW F.A.P.N. MOVIES... THE VISION BECAME MY DREAM, MY HOPE.. I STARTED WRITING.. DRAWING.. I SENT IN TO AGENCY AFTER AGENCY.. NO HELP.. I JUST GOT NEWS OF ONE I'D HELPED A YEAR OR SO AGO, SHE'S DEAD, DIDN'T KNOW HOW TO LIVE

I CAN'T DO IT.. WE CAN!!!!!!

MOST OF THE WORLD IS REP.
(ETHNICS,AGE,SEX)

TEAM WORK IS A MAJOR THEME IN F.A.P.N.

PREVENTION IS OUR AIM

MOVIES TODAY ARE NOT ONLY EDUCATIONAL, EMOTIONAL, SPIRITUAL, THEY CONTROL.

LETS MAKE SOME MOVIES..

TO SEE SLY S. FLY THROUGH THE AIR, FUN, CHARGE ME AND MY FRIENDS TO SEE IT,
THEN GO TO FLORIDA AND BUY ANOTHER HOUSE?? COME ON, HE'S GOT A HUGE HOUSE,
100,000,000. DOLLAR HOUSE.. THESE PEOPLE ARE TAKE, TAKE, TAKE..
GREEDY IMBALANCE... LETS JUST SAY THERE IS ONLY..X amount of \$ U.S.A.
\$\$\$\$\$\$\$\$ CAN YOU SEE THE..X SOME HAVE? WE NEED MOVIES FOR KIDS...
MOVIES MAKE MILLIONS. MANY STARS ARE NOW READY FOR F.A.P.N. TO HAPPEN!!!
FAMILY FAMILY FAMILY (THIS IS IN SERIOUS TROUBLE, WE CAN CHANGE IT)

WHO CONTROLS?

WHY, AFTER MAJOR CONCERN ABOUT THE RIGHTEOUSNESS OF THE YOUNG MEN, DO WE HAVE
SUCH FREE SPIRITED WOMEN? THEY ARE MANY, WHY? WHERE HAS BEEN THE FOCUS?

TIMES MAKE US CHANGE

MOVIES INFLUENCE US ALL

NOW IS THE TIME

TOGETHER WE CAN OVERPOWER THOSE WHO OPPOSE US!!!!!!!!!!!!!!

NATIONAL COMMITTEES HAVE THE POWER TO GET THIS THING GOING.. WHY WAIT?

THIS IS A BIG DEAL.. WE HAVE A BIG PROBLEM(S).. DON'T SLOW DOWN.

WE MUST PASS OUR ADVERSARY, WITH WISDOM, POWER MIGHT BE CONSIDERED MASS..

(WORLD AUDIENCE POWER..EMOTION, INFORMATION, WHAT TO DO INFO.)

KNOWLEDGE, OR GROUP SUPPORT, MONEY, NEW or RENEWED ORGANIZATIONS.

A TEN YEAR PROJECT, I SUGGEST, MANY THINGS CAN/COULD, BE DONE... IN A YEAR.

OUR BIGGEST FANS ARE VERY SMALL, LITTLE PEOPLE, TODAY....

HOW WILL YOU MEASURE UP TO THEM, IN THEIR EYES, TOMARROW?

ALL WE NEED IS TO USE OUR COLLECTIVE MINDS, TO DECIDE WHAT MATTERS.
WHAT SHOULD BE MENTIONED, HOW, WHY, WHERE?

MAJORITY RULES ARE BEST, I BELIEVE.

I VOTE THAT ALL AGENCY MEMBERS, FROM ALL AGENCIES, MEET..via PAPER,PHONE,
ZONED GROUPS, FAX, WHATEVER IS BEST. THE ISSUES WILL TAKE AWHILE TO COMPILE.
SOON A OUTLINE WILL BE PUT TOGETHER, COMPARED, VOTED ON, AND PUT INTO F.A.P.N.
ALONE WE ARE BEING MANIPULATED BY THE ONES WE OPPOSE, TOGETHER WE WIN!!

C.S.H. P.2

As the credits roll across the bottom $\frac{1}{4}$ of the screen, in weather warning style, Torel, f.a.p.n.'s leader, is giving a lecture-fund raising speech. Only the music, original, is heard. Panned from outside, the small town auditorium is over packed.

THE CREDITS END

A QUESTION FOR TOREL...

A man stands and says. "How can you justify the money we give you?"
"How many kids have you saved-gotten home this year?"

(RIGHT ON TOP OF HIS WORDS)

A woman shouts "What about my Amy?", "WE called you, what is this.. a fund-raiser? WHAT ARE YOU GOING TO DO?? (SHE IS FURIOUS!!!)

(MANY JOIN IN THE QUESTIONING)

(Torel looks off stage, some take this for weakness and advance, not far, as a 600 lb. bengal tiger walks to Torel and lays down.)

(The crowd quiets)

(Torel begins to tell a story, we go into memory vision, were f.a.p.n. happen)

Torel pulls up to a house, we don't recognize him, he looks like a salesman, brief case and all, he goes for the house. (We can here something inside) As he looks into the peep-whole with a special tool to reverse the glass, a man is assaulting a young woman, aprox. 15 yrs. old. (TOREL STARTS TO PICK THE LOCK... INSIDE WE SEE THE MAN FORCE THE GIRL TO THE FLOOR... THE OTHER F.A.P.N. MEMBERS ARE GETTING READY, VERY READY... INSIDE THE WIFE IS NOW IN TEARS, HELPING THE MAN HOLD DOWN A GIRL ABOUT TO BE RAPED BY HER..OWN FATHER? FROM QUICK GLANCES WE CAN SEE THE NEIGHBORHOOD FEARS THIS MAN... ENTERING THE SCREAMING IS LOUD, THE REST OF THE TEAM MOVES FOR THE DOORS.. A MADMAN TOREL, WITH A RAGE FELT BY THE MOVIE AUDIENCE, KICKS THE MAN AROUND AS THE GIRL RUNS FOR COVER IN THE BATH ROOM, HER MOTHER IS REJECTED AT THE DOOR, THE F.A.P.N. TEAM COMES IN BOTH DOORS, A NOISE IS HEARD FROM UPSTAIRS... WITHOUT A WORD TOREL MOTIONS TO KEEP GOING AS IF THEY HEARD NOTHING.... HE THEN CREEPS UP THE STEPS, UNTIL THEY CREEK, THEN HE RUNS UP THE REMAINING... A YOUNG, 12 yrs. old., IS SWINGING A BASEBALL BAT AT TOREL BEFORE HE CAN SEE HIM, THE $\frac{1}{2}$ DUCKING FLINCH, AND HAND-QUICK DEFENSE MECHANISM CAUGHT THE BAT, IN MORE THAN A BLOCKING FASHION, TOLD THE BOY, WHO WAS USED TO BEATINGS,... THAT THIS GUY JUST WHIPPED HIS FATHER, AND HE WAS MAD AS HELL, TIME TO GIVE UP, AFTER ALL HE REALLY HAD NO CHOICE, AS HE WAS ON THE CARPET FACE DOWN, Torel looking around, his face lost all signs of satisfaction... the boy had a few toys of his own... (in his room black light keep things hard to see, as Torel moves toward the room, a f.a.p.n. member takes the kid. We look in to see a young girl, the boys age, she has been here for a long time, barely alive Torel carries her down. An ambulance person takes her as Torel confronts the mother of the boy.. " How can you possibly not know about that girl, she has been missing for 2 months?".. " My son doesn't go to school.. (CRYING) I can't make him, I work,.. MY HUSBAND..(SHE BREAKS DOWN, SOBS etc..)

(BACK TO THE.."NOW")

TOREL looks at the crowd.. They at him..

London proceeded to interview LeMERE. That interview took place at approximately 1532 hours. Officer Scheifels was present during that interview.

4. During the interview London asked LeMERE why he had come to Lum Park. LeMERE stated to meet a man for possible sex. LeMERE indicated he arrived at Lum Park at approximately 1430 hours and that LeMERE remained in his parked vehicle waiting for a male to arrive near the men's restroom. LeMERE recalled that Scheifels arrived in his vehicle at approximately 1500 hours. LeMERE stated that LeMERE recalled that Scheifels then exited his vehicle and walked into the men's restroom. LeMERE recalled that LeMERE followed Scheifels into the men's restroom and that Scheifels and LeMERE engaged in a conversation while in the restroom. LeMERE recalled that Scheifels and LeMERE later exited the restroom and continued engaging in a conversation outside LeMERE's van. LeMERE recalled making the statement to Scheifels regarding a give and take situation. LeMERE went on to say that LeMERE was more specific to Scheifels whereby LeMERE stated to Scheifels that LeMERE would give Scheifels a blow job. LeMERE went on to say that LeMERE expected Scheifels to give LeMERE a blow job in return. LeMERE recalled opening his van door and showing Scheifels the beds inside the van. At approximately 1540 London took a taped statement from LeMERE. See a transcribed copy of that taped statement for additional and specific details. It should be noted that Scheifels was present during that taped statement. It should be noted that after the taped statement and unsolicited, that LeMERE said to London, "Do you get many kids out there?" referring to the bathroom near Lum Park.

5. For the purposes of this investigation Investigator Helsene took 35mm photos of LeMERE's van. With permission of LeMERE, Investigator London took two polaroid photos of LeMERE. Those photos will be included in the case file.

6. It should be noted that Officer Burke noted a similarity in the composite drawing of the Wetterling abduction case and that those photos and this report will be forwarded to St. Cloud Investigators for their review. See Officer Scheifels report for additional and specific details.

7. Investigator London issued a short form citation charging LeMERE under the City Ordinance 947, Sec. 2006.05, Indecent Conduct, Sub. 4. Court date set for June 7, 0830 hours.
